The North Carolina Dental Association will meet at Greensboro, September 12th.

Mr. Charles E Borden, son of Capt. I C Borden of Wilmington, was the fortunate competitor in the examination for the appointment to the cadetship at the Naval Academy from the 3rd Congressional District.

Smith, the Radical candidate for Lieuter ant Governor, and Ike Young, the revenue candidate for Congress in this district, put in an appearance in Meadews township, in the southeastern portion of Johnston county, for the purpose of speech-making. The people in that portion of old Johnston don't take any stock in William A. So they, to the number of about a hundred, provided themselves with horns and gave him a serenade. Billy tried to laugh the matter off at first but afterwards got mad and cleared off, leaving Ike to play a lone hand. Since the close of the war William A. has ceased to fancy horn music except when the notes are all liquid. It is said by well informed gentlemen that Smith has completely lost all of his influence in Johnston, and in some portions of the county, as in Meadows township, the people have not patience enough with him to hear him speak,

The Ku Klux Money-The Payment to Leave Co Shops, and Williams, Censured.

WASHINGTON, D. C., Aug. 5 .- The Committee on Expenditures in the Department of Justice report that after a full and careful consideration of the facts developed by the testimony and the laws under which the judiciary fund is appropriating the Ku-Klux fund, from which Davenport got his money, they feel compelled to report who supplied Davenport with the \$34,-000 from the latter fund, diverted it from its proper purpose to one entirely foreign to the objects of the law. The resolutions recommended legislation which shall prevent such abuses. The minority present a report in which it is claimed the money was properly expended.

PLUCKY POSTMASTER.—A postmaster in Calvert county, Md., recently western republican newspaper, with fancy posters, circulars, cards, &c., the whole containing energetic advice for President, together with a direct appeal to postmasters "to aid in the great work." To which the Calvert
