Correction.
In yesterday morning's issue, we a letter mailed here Saturday morning did not reach there until Tuesday Since then, we have been informed that owing to the condition of Hood's trestle, no mail went to Monroe from Saturday morning till Monday evening. We take pleasure in reliev ing the post masters of the blame.

Mr. Frank Lethco, a young man who was connected with the establishment of Messra. Wittkowsky & Rintals in this city, died at his former home, near Lexington, a few days ago. He had gone to make a short visit to his relatives, when he was taken sick, lingered about two weeks and died. He had been in feeble health for some time, and his disease is supposed to have been consumption.

Tilden and Vance Club at Mathews 7.00 a m 600 p m Another Tilden and Vance Club has been formed in Mecklenburg. Its organization took place at Mathews' Depot, on the Carolina Central, on last Saturday, with a list of 53 members. Several of the number, we understand, are men who have hitherto acted with the Republicans, but who now declare their intention of voting for Vance, because they know him to be an honest man. J. Sol. Reid is its President.

To Move to Raleigh.

It is now definitely settled that Charlotte is to lose one of her most talented and influential citizens. Gov. Vance will leave his home in this city immediately after the November election, where he will remain at least for four years and probably longer. As he spent several years of his life in Raleigh, his worth, and will no doubt meet our his arrival with demonstrations of joy, who are never before witnessed in the history of that city.

The Consequences

Notwithstanding the frequent and forceible warnings which are given every day of the consequences of putting one's head out of a car window in keeping up the practice. A few Mr E Gronau, the inerchant tailor days ago a man was riding in a car on has arrived in Charlotte and is stopping | conductor left him well and cheerful, and returning in a few minutes, found The Danville News says that if Vance him lying speechless with his head comes anywhere near the border of badly cut and bruised. It was soon discovered that he had put his head out of the window for a little while, you

How They Enjoyed the "Pestibul. Itental Rand Parkill be done at Mr. B. H. White has recently come into the possession of a medal, which is of equal antiquity. It is about the size of the old fashioned silver dollar, and is also of copper. On one side of t is the likeness of William Pitt, Earl Chatham, and the words GVLIEL-MVS PITT, and on the other "The man who, having saved the parent, pleaded with success for her children." It is probably a medal which was struck in honor of the "Great Commoner," who was known, and recorded as the true friend of the American Colonies, in the English Parliament, in the struggle for American Independence.

COMMUNICATIONS.

SILW DO COMMUNICATED.] 2.

Victory or Defeat-No Coalition. SPARTANBURG, S. C., Aug. 9 1876. MESSRS EDITORS :- In your issue of yesterday, the 8th inst., you say, "the indications are that the Democrats of South Carolina will not run a straight out ticket' in this campaign.

You are respectfully urged not to permit the decent people of this State to be misrepresented by supposing that the sentiment uttered by Geo. W. Williams Esq., of Charleston, represents the wishes of the Democrats of South Cardthe citizens of that place already know lina. Deovolente on next Tuesday the 15th inst., you will see straight-out, undistinguished townsman at the depot on terrified nominations of gentlemen,

'natives here And to the manor burn. who will be our standard bearers, without fear, and without reproach, in this contest for civil liberty. There is to be no more compromises with carpet-baggers and scalawags. Victory or deteat on principles unquestioned, is the only programme to be known hereafter, in this State. May God grant us success!

GRADED SCHOOLS.

BY PROF. J. COLTON LYNES.

The graded school system was intended to extirpate-to pull up by the roots-the old system which required a man to declare himself a pauper before he could avail himself of the advantages of free public schools for the education of his children. The system, herein advocated, aims to cheapen steady. it on the altar of pleasure, and went in command the patronage of the entire community.

Again. There is no cause for a conschools of the country. If, in a town or city, the graded system is inaugurathe independent schools by making 2,484; coastwite 1,254. their teachers its teachers. It will accomplish this work just at the time the community at large discovers its real genius. And up to this point, the independent schools can live in perfect harmony with the schools operating under the graded system. There is no reason A Virginian who is a great admirer why, cateris parisus, graded schools of our distinguished candidate for Governor, said that several years ago when recognized, to be tributary to the first it became known that the notorious class secondary schools and colleges in

The scheme so roughly outlined in that place sent an earnest request to the foregoing, has just been happily Gov. Vance to come and meet him .- illustrated at Augusta, Ga. In 1878, a Maynard opened in a speech of about Board of Education was organized untwo hours length abounding in the most der a local law for the city and county; reckless statements and infamous slan- a tax for school purposes of \$21,000 was ders of the Southern people that were levied; \$2,000 obtained from the Peaever uttered in that proud and patriotic body Fund, and about \$1,000 from the old city. GOLD MINE

PROPERTY FOR SALE

NEWLY discovered mine at Hunters A ville, N. C., on the A., T. & O. Railroad 13 miles North of Charlotte. Said mine has been explored only 23 feet, and many old miners have examined the mine and ore and pronounce it very fine. Also Prof W C Kerr, of Buleigh, Dr C L Hunter, of Lin-colnton and Pref Hanna, of Charlotte have seen the mine and ore and pronounce it

With these recommendation and manmore that could be brought up we now offer this valuable property for sale, including between 70 and 80 acres of land in and around said mine, of which there are some 20 or 30 acres of valuable pine timber, half a mile from a saw-mill. Any one wishing to see specimens of said mine can do so by calling at our Office-

When we say specimens, we mean to show you something that is worth looking at. For further information, address H. A HUNTER Huntersville, N.C.
