Cardinals Resolve to Omit Certain Ceremonies in the Election of the Pope—Montenegro Releases Serbia From Her Alliance Contract—Meeting of the Ministry at Constantinople to Consider the Mediation Proposal of the Powers—Chinese Riot.

Rome, Aug. 30.—It is affirmed that the Cardinals have unanimously resolved to omit certain ceremonies in the election of the new Pope, in order to keep the conclave free from foreign powers.

VIENNA, Aug. 30.—It is stated that Prince Nicholas of Montenegro, has informed Prince Milan that he need not consider himself bound by the agreement made at the beginning of the war, that neither should separately enter upon peace negotiations.

BELGRADE, Aug. 30.—It is announced that diplomatic agents have handed the ministry joint note from their respective governments declaring that they will take mediation into their own hands, and have directed ambassadors how to proceed to stop the hostilities.

VIENNA, Aug. 30.—A council of ministers has been held at Constantinople, to consider the proposals handed to the Grand Vizier, separately. Russia offered the condition that Serbia should first sue directly for peace to the Porte but has abandoned that position.

PANAMA, Aug. 30.—The revolution in Colombia continues.

American gold is at 20 per cent premium, and exchange high and hard to get.

The President of Costa Rica has been overthrown, and a Provisional Government established.

A Chinese riot has occurred at Fajello; an overseer was murdered by the Asiatics, some of whom the indignant people shot.

LONDON, Aug. 30.—Heavy fog.

Felician Cesar David, a well-known musical composer, is dead.

FREZZIA, Aug. 30.—The U. S. frigate Franklin is here.

MADRID, Aug. 30.—The Governor of Porto Rico has been officially notified of the Royal decree ordering the issue of indemnity bonds to owners of liberated slaves.

The emperor of Brazil is shortly expected here. During his sojourn he will be received into the membership of the society of political economy. King Alfonso will preside at his reception.

OHIO.

Destructive Fire—Depot Full of Freight Burned.

CINCINNATI, Aug. 30.—The Dayton Short Line Railroad Depot, and its contents were destroyed by fire this morning. The fire originated amongst a lot of coal oil barrels. The depot was a brick building, 400 feet by 80, valued at \$25,000. An unusual large amount of freight was stored in the building, principally for merchants in this city. The loss on freight is from \$150,000 to \$200,000; upon which there was very little if any insurance. As the law makes the railroad companies responsible for the goods stored in freight houses, only for a period of 24 hours; a large part of the loss will fall upon the consignees, as most of the freight was stored 2 or 3 days.

LOUISIANA.

Outrages by Negroes.

MONROE, Aug. 30.—This city and the vicinity is excited over the firing into several residences, and an attempt to kill a planter living below here. Several white families in the vicinity, are here for safety. There is no cause for this outrage, which has thrown the whole parish into excitement. Appeals have been made to the volunteer company here for assistance.

NEW YORK.

Meeting of the Democratic State Convention.

SARATOGA, Aug. 30.—The Democratic State Convention assembled here at noon. The hall was handsomely decorated, and much good feeling was manifested; there were also many spectators. Rufus W. Packham was chosen temporary chairman, and addressed the Convention.

CONNECTICUT.

Republican Convention.

NEW HAVEN, Aug. 30.—The Republican State Convention, Jewell President of the Convention, nominated the following ticket for the fall term: Rep. President, Theo. D. Woolsey, of Yale College, and Hon. Marshall Jewell, District Elector, were also chosen. The old State ticket was re-nominated.

MID-NIGHT DISPATCHES.

WEATHER PROBABILITIES.

WASHINGTON, D. C., Aug. 30.

For the South Atlantic States, slighter barometer, southeast to south-west winds, and generally warmer clear or partly cloudy weather are probable.

WASHINGTON.

Organization of Mail Transportation Order of Public Printer—Indian War.

WASHINGTON, D. C., Aug. 30.—The Mail Transportation Committee organized with Goodwin G. Hubbard as President, and George A. Bassett, Secretary.

Public Printer Clapp has issued a circular ordering the discharge of all whom the foreman of several branches find deficient as skillful workmen.

Although the recent intelligence received at army headquarters, concerning the movements of Gen. Crook and Terry, it is believed their operations against the hostile Sioux will be ultimately successful in many respects. The country in which the Indians now are, affords but little support, and they may disperse into small bands, but troops are so disposed as to render them powerless for mischief. Since the Custer massacre, temporary military posts and depots, for supplies have been established which will aid materially the military operations, and hem in the savages from escape. Recruiting is progressing satisfactorily and in a short time all men authorized will be obtained.

FOREIGN.

The Turko-Serbian War—Peace Negotiations, &c.

RAGUSA, Aug. 30.—It is reported that a battle was fought yesterday at Padgritza. Details wanting.

Djaleddin Pasha's command, including ten guns, has reached Trebinje unopposed.

CETTINE, Aug. 30.—The Montenegrin official newspaper publishes an article rejecting foreign mediation declaring that Serbia and Montenegro will not abandon the conflict until the Slavonic provinces are completely freed from the Turkish yoke.

LONDON, Aug. 30.—A special from Belgrade to the Times says the keenest anxiety here of an armistice every day increases. The danger of war is spreading.

The Serbian army is fast becoming a Russian auxiliary force, fighting on Serbian soil. The Russians are exposing themselves in the front of battle with remarkable valor. Out of forty-eight men who fought as a company at Alexinat, thirty were left dead on the field. The Serbians are becoming jealous and afraid of the Russians taking full control, and of their army slipping from their hands, and will joyfully accept peace if it can be obtained on good terms. The seven days fighting before Alexinat has been greatly exaggerated. The estimated Serbians' entire loss is only a few hundred killed, and about twenty-three hundred wounded. No lists of the killed and wounded have been published since the beginning of the war.

NEW YORK.

Democratic Convention—Horatio Seymour Nominated.

SARATOGA, Aug. 30.—When Morrissey's name was called there was great applause. The usual committees were appointed. Recess to 7 o'clock.

LATER.—Hiram Gray, President, Horatio Seymour and John Kelly were chosen electors for the State at large. The platform, after declarations, somewhat similar to Lord's resolutions, concludes:

Resolved, That we, as American citizens and Democrats, devoted to the Union, and equality of States, and to the honor and good name of the Federal Government, We hereby enter our solemn protest against the recent order of the Secretary of War, approved by the President of the United States to place government troops in the South, with a view to intimidate the people and control their elections. A government by the bayonet to take the place of a government through the ballot, is an outrage which demands the consideration of all who love Republican freedom and hate despotic power.

STILL LATER.—Horatio Seymour was nominated for Governor by acclamation.

GEORGIA.

Yellow Fever Subsiding—Democratic Nomination for Congress—Dr. Gov. Lewis Out in a Letter for Tilden.

SAVANNAH, Aug. 30.—The yellow fever here is not epidemic. There have been only 39 reported cases during the season, and ten deaths up to date. The excitement has subsided.

MONTGOMERY, Ala., Aug. 30.—Hon. J. N. Williams was nominated for Congress from the Third District by the Democrats.

Hon. David P. Lewis, last Republican Governor of Alabama, is out in a letter declaring for Tilden and Reform.
