"Sound the Loud Tumbrel Over Carolina's

An Infamous Proposition from the
Returning Board in South
Carolina Rejected With
Scorn

THE DEMOCRATIC COHORTS IN
LOUISIANA MEET THE
ENEMY AT EVERY
STEP.

The very latest information obtainable by telegraph, up to the hour of going to press, leaves the question of the electoral votes of South Carolina, Florida and Louisiana unchanged, although the semi-official and trustworthy dispatches published below certainly leaves Tilden's election no longer in doubt. Our telegrams from Charleston say that the Republicans concede the election of Hampton, but they have not given up the hope of being able to count the electoral vote for Hayes. An offer to compromise by giving the vote of the State to Hampton and Hayes, was yesterday rejected with that manly scorn for which the South Carolina Democrats are proverbial.

Democrats in South Carolina Jubilant.
The following special dispatches were received last night, and we give them as they were written:

COLUMBIA, S. C. Nov. 14.
Hampton fourteen hundred majority. The question is now before the Supreme Court. The Democrats are confident that the law is on our side. Florida and Louisiana are certainly Democratic.

(Signed) T. STONE FARROW.
[The question before the Supreme Court, as we understand it, has no reference to the official count, as many have supposed, but as to the jurisdiction of the returning board at all, except to announce the result as indicated by the returns. It is understood that the returning board claims the right of deciding the result by changing the count, where precincts, or counties are contested. This the Democrats deny, and from the dispatches at hand we are disposed to believe that they will be successful. To say that this returning board, three of whom are candidates for re-election, can legitimately, or rather justly, declare their own election is an insult to the merest tyro in law.—Ed.]

ANOTHER DISPATCH.
COLUMBIA, S. C., Nov. 14.
Louisiana is 8,000 democratic majority certain. Florida 5,000 democratic majority, with four democratic counties to hear from. Our outlook here is good. The matter is before the Supreme Court to decide the legality of the board of canvassers. They meet next Thursday.

R. M. SIMS,
Sec. State Elect."

SOUTH CAROLINA.
Prominent Democrats Present—
Republicans Concede Hampton's
Election—The Supreme Court Issues
a writ of Prohibition.

COLUMBIA, Nov. 14.—The following prominent Democrats are here: Ex-Gov Parker and Senator Randolph of New Jersey; Hon Montgomery Blair, of Maryland; Hon A. H. Stuart, of Va.; Hon G. V. Cox. All quiet and the Democrats are cheerful.

CHARLESTON, Nov. 14.—The Supreme Court, full bench, issued a rule requiring the board of canvassers to answer on Thursday why writs of prohibition should not be issued restraining them from judicial functions and confining them to ministerial functions only. Nothing has transpired since the action of the Supreme Court this morning. The Democrats are cheerful; everything quiet. The Republicans concede Hampton's election. The action of the board of canvassers renders it impossible to get the figures of the returns.

FOREIGN.

Threatening Attitude of Russia—She
Don't Want War, but Justice Must
be Enforced.

LONDON, Nov. 14.—The Post in a conspicuous paragraph confirms the report that Russia is about to mobilize her army.

It is stated that Russia intends after January to levy all her taxes in gold; this increases her tariff 20 per cent. Most special correspondents take a gloomy view of the situation.

The Post's Berlin despatches report that Russian journals say war is determined on.

MADRID, Nov. 14.—Two lives were lost at the burning of the Cirion.

A Reuters telegram from St Petersburg says: The Czar has ordered the mobilization of part of the Russian army. A circular of Prince Gortschokoff, and Russian premier of Russian representatives abroad, explaining this measure says: The Czar does not wish war and will if possible avoid it. He is however determined that the principles of justice which have been recognized as necessary by the whole of Europe, shall be carried out in Turkey under efficacious guarantees.

CONSTANTINOPLE, Nov. 14.—Several English officers of the corps of royal engineers have arrived here. The third million Turkish pounds of the new paper currency is about to be issued.

LOUISIANA.

Democratic Majority as Estimated—
Democrats Confident and will Con-
cur with Anything Reasonable.

NEW ORLEANS, Nov. 14.—The republicans state they have information that East Baton Rouge has gone republican by 800 majority. The democrats claim it by six hundred. Tables published up to Saturday night, of the city vote, put down 9,700 majority for the democrats. The official count shows 10,016 majority for Tilden. Additional returns from other parishes do not materially change the result as telegraphed on Saturday. The democrats appear to have about 8,000 majority; the republicans however still claim they have carried the State and Packard will be the next Governor of Louisiana.

The Hon. L. Q. C. Lamar telegraphed from here to a friend that the people of New Orleans, though profoundly agitated, are quiet, and there is not the slightest purpose to disturb the public peace. The proposition to place the counting of the vote under the supervision of honorable men of both parties from a distance, meets the cordial concurrence of the entire community. In addition to the gentlemen before reported as arriving here, the following have also reached the city: Ex-Govs Curtin and Bigler, Hon Sam'l Randall and M. P. Hardy, of Pennsylvania; Col John C. Burch, Maj T. O. Conner, J. M. Keating and W. H. Carroll, of Tennessee; and A. Ottendorfer, of N. York. The Democratic Committee have complete returns made up from duplicate lists of the supervisors, showing Tilden's majority in the State 8,107 by which majority they claim they have carried the State. The city is very quiet. The politicians are anxiously awaiting the action of the returning board, which by law is required to meet 10 days after the election.

NEW YORK.

NEW YORK, Nov. 14.—A Times' Tallahassee special says that Ruler arrived yesterday afternoon, and has taken command of the troops.

WASHINGTON.

WASHINGTON, D. C., Nov. 14.—The tone of the New York papers regarding the result, is unchanged.

SOUTH CAROLINA.

CHARLESTON, Nov. 14.—A Columbia special to the News and Courier says that the republicans had made a proposition to give the State to Hampton and Hayes, which the democrats rejected.

GEORGIA.

SAVANNAH, Nov. 14.—2,500 bales of cotton, twenty empty and 20 loaded cars of freights, were burnt by fire, under the Central Railroad Warehouse. The warehouse contained fertilizers, which were also destroyed.

LOUISIANA.

Invitation Extended by Democrats.
NEW ORLEANS, Nov. 14.—The democrats assembled at New Orleans, have formally invited the republicans assembled there at the President's request, to meet them for organizing with a view of carrying out the object desired.

WASHINGTON.

WASHINGTON, Nov. 14.—A full cabinet to-day for the first time for several weeks. Secretary Cameron, Senator West, and Caleb Cushing called on the President to-day.

ALABAMA.

MONTGOMERY, Nov. 14.—The Legislature convened to-day, nearly every member present. The democratic caucus nominated S. W. Cobb, president of the Senate, and W. N. Clements Speaker of the House. Message to-morrow.

WEATHER IRREGULARITIES.

WASHINGTON, D. C., Nov. 14.
For the South Atlantic States, warmer southeast to southwest winds, falling barometer, increasing cloudiness and possibly rain, will prevail, attending a storm centre to the northward.
