TELEGRAPHIC NEWS

Noon Dispatches.

FOREIGN.
Rumors of Polish Insurrection Contradicted—Steamer Wrecked.
LONDON, Nov. 22.—Prince Czartoryski the acknowledged head of the Polish refugees in France writes that there is not the slightest foundation for reports impending the insurrection of Poland. The country is tranquil and the insurgents less disposed than ever to encourage any insurrectionary movement. The Belgian steamer *Délaye Mathorn*, was wrecked in the Baltic. Eleven lives lost.
ROME, Nov. 22.—Signor Crispi, the government candidate is elected President of the Chamber of Deputies.

SOUTH CAROLINA.

The Returning Board Irreparably Crippled—The Legislature and Supreme Court will Decide Result of Election.
CHARLESTON, Nov. 22.—The Supreme Court has ordered a writ of peremptory mandamus to be issued to the board of canvassers requiring them to give certificates of election in accordance with the reports made yesterday. This gives the Democrats prima facie a majority of four in the House, and fifteen of the thirty-three Senators.
COLUMBIA, Nov. 22.—The Supreme Court today issued a peremptory mandamus to the board of State Canvassers, to issue certificates to the members of the Senate and House of Representatives, appearing on the face of returns, to be elected, and the final contest in those houses to be decided by themselves. This gives in the Senate 18 Republicans and 15 Democrats, and in the House 60 Republicans and 64 Democrats—Democratic majority on a joint ballot, 1. The Legislature counts the votes for Governor and Lieutenant Governor, and elects United States Senator. The court has decided to consider the other contest separately and will hear argument this afternoon as to the counting of the electoral vote.

LOUISIANA.

Five Counties Canvassed give the Democrats a Majority in Only Two.
NEW ORLEANS, Nov. 22.—Nine parishes have been canvassed, only two of which gave democratic majorities, showing that most of the protests are by republicans in democratic parishes. Several protests by democrats of a general character have been filed, but the action of the board on them is not indicated.

WASHINGTON.

Nothing Definite as Yet.
WASHINGTON, Nov. 22.—Summary rulings of the Florida Circuit Court, are in accordance with democratic pleas. The rules are temporary and are to be finally decided to-morrow. The Federal Supervisors of Louisiana claim the right to be present at all sessions of the returning-board. These claims are backed by the opinion of the District Attorney, Beckwith, who holds that their duties as inspectors commence with registration, and end with the issue of certificates of election. Official details of returns made to the Court in South Carolina by the canvassing board, have not transpired here.

Mid-Night Dispatches.

WASHINGTON.

More Troops—Other Business at the Capitol.
WASHINGTON, Nov. 22.—The secretaries are reported busy with their annual reports.
Another company of soldiers arrived at the Capitol today.
The canvass for speaker of the House attracts no speculation as the old committee continue. It is a matter of minor importance beyond personal honor and double pay.

SOUTH CAROLINA.

THE ELECTION IMBROGGLIO IN THE PALMETTO STATE.

Unparalleled and Revolutionary Conduct of the Superserviceable Canvassing Board.
Republicans Counted in, in Defiance of Law, and of a Legal Majority of Freemen's Votes.

As will be seen by the dispatches below, the returning board in South Carolina, on yesterday evening adopted the revolutionary and unparalleled course of disregarding the votes cast by the people of that State, and have issued certificates of election to the whole republican ticket, State and National, in utter contempt of the mandates of the Court, and in defiance of law. The action of the board is clearly revolutionary, and indicates a weakness, and utter disregard of all law and precedent.

In order to make their victory complete, they throw out the entire vote of the counties of Edgefield and Laurens, which gave the democratic ticket something over four thousand majority, thus proving that, so far as the action of the board is concerned, the recent election, was worse than a farce. The prominent republican alluded to is probably Judge Bond, of the Circuit Court of the United States, and if so it is needless to say that his oppression of the Southern people, is co-extensive with his territorial jurisdiction.

While there was much excitement in Columbia last night, in consequence of this action of the board, everything was quiet and peaceable, and the democrats are confident of success through the tribunals of justice.

COLUMBIA, Nov. 22.—The Board of State Canvassers yesterday made a report to the Supreme Court, stating the persons who had received the highest number of votes for the offices for which they were candidates. Appended to the report of the stating was a memorandum of board, resulting that in their opinion there were certain irregularities which affected some of the republican candidates and which should be corrected; and also that the vote of Laurens and Edgefield counties which gave large democratic majorities should be excluded, on account of frauds and intimidation. This morning the Court passed an order commanding the board to issue certificates of election to all the persons who were shown by the report of the board to have received the highest number of votes for members of the Legislature, including the counties of Edgefield and Laurens. The court also to-day took up the case of the electors and issued a rule on the board to show cause why they should not correct the statements of the County Canvassers by the precinct returns in their possession. Pending these proceedings of the court and notwithstanding their own recollection that they would take no action until their powers and duties had been defined by the court, the board held a session without the knowledge of any of the democratic side, and issued certificates to all the members of the Legislature except for Laurens and Edgefield counties, thus securing a majority of the Legislature to the republicans side, thus securing the defeat of Hampton and the election of Chamberlain. They also issued certificates of election to the Hayes and Wheeler electors, and to all the republican State ticket, correcting the errors which defeated their own candidates, and ignoring all errors of the same character which would have elected the Democrats. The board then adjourned sine die.

WASHINGTON.

Senator Gordon on the Situation.
COLUMBIA, Nov. 22.—There is great excitement here over the rash and revolutionary action of the State board of canvassers, but not the slightest disposition to violence. The democrats confidently rely upon the impartiality of the Supreme Court, although composed entirely of republicans, and upon its ability to vindicate its own dignity to enforce the law and secure justice. Gov Hampton will issue an address to the people of South Carolina, in accordance with the facts, and setting forth the purpose of the party to prosecute their claims in the courts.

FLASHES.

HARTFORD, CONN., Nov. 22.—The eligibility of Gov Ingersoll as elector, is questioned because he was a Federal Court Commissioner some five years ago, and there is no record of his resignation.
CITY MEXICO, Nov. 22.—Ex-Chief Justice E Iglesias has proclaimed himself Provisional President, and has located his seat of government at Leon.
