NEW YORK

Tilden and Hendricks Have a Harmonious Meeting—Their Ideas in Perfect Accord—The Feeling in the West—Our President and Vice Preside.. Dine With Peter Cooper.

NEW YORK, Nov 25.—The Tribune in its reports of the meeting of Gov's Tilden and Hendricks, yesterday, says Gov Hendricks said the public sentiment in the Western States in regard to the election was so strong that he was compelled to come East to ascertain the condition of public feeling here. He expressed his admiration at the conduct of the Southern Democrats, who without the least manifestation of turbulence had appealed everywhere to the courts and was glad both in the West and hitherward to notice the disposition of all parties to have matters amicably and lawfully settled. Gov Tilden fully concurred with all of Gov Hendricks' remarks and there appeared to be a perfect accord of ideas in regard to the question of the hour. No disposition was manifested either on the part either of Gov Tilden or Gov Hendricks to enter upon a decided plan of action, and after a few further remarks on various topics Gov Hendricks withdrew without making a definite appointment, only expressing the hope that he would see Mr Tilden again before leaving the city.

At the Everett House last night, Mr Hendricks said. "We have no idea of agreeing upon a plan of action. My coming East was caused solely by a desire to be posted as to the public feeling and to see a few members of the National Committee. We talked no politics at dinner this afternoon. I may go back to Indiana to morrow."

Gov Hendricks and wife Gov Tilden, ex Gov Curtin, of Pennsylvania, Mr Hewitt and wife, dined with Peter Cooper, yesterday. Hendricks homeward bound to-day, he says he did not come here for conference.

FOREIGN.

Long Buried Treasurer Unearthed—The Peace of Europe may yet be Preserved.

LONDON, Nov 24.—A Times dispatch from Argas, says: "Dr Schlernam while excavating at the site of the supposed tomb of Agememnon and Cassandra, discovered vast tombs containing a great variety of gold, silver, plate and jewels."

The Times in revieving the prospects of the conference, says: "The specific proposals which will come before it have been examined in every capitol of Europe. The conclusion is universal, that they present no insuperable obstacle to peace under the leadership of the English and Russia plenipotentiary. They may be so moulded, so as to command the support of guaranteeing power and secure the acceptance of the Porte.

LOUISIANA.

More Trickery and Conspiracy by the Returning Board.

NEW ORLEANS, Nov 25.—Seven polls are missing from returns before board of fourteen in Eastern Baton Rouge, leaving the count before the board, Tilden 112, Hayes 1477, instead of Tilden 2238, Hayes 1626, as ascertained from returns of commissioners. After much discussion and bitter complaint from the Democrats, East Baton Rouge was laid aside. Returns from fourteen parishes are still missing. St. Martin parish is finished. The Democrats remonstrate that returns for all but electors and governor are examined and tabulatud by clerks in rooms apart from the board. They ask for democratic representatiod on clerical force to detect errors and frauds.

BALTIMORE, Nov 25.—St. Ship America from Savannah, was brought here, Crew shipwrecked. Brig Mary C Bowell, from Satilla Rioce, Ga., for Richmond, with a number of the crew had been 48 hours in small boat when picked up.

SOUTH CAROLINA.

The Disobedient Board Fined and Committed to Jail—Corbin on Trial.

COLUMBIA, Nov. 25.—The Supreme Court has just entered judgement of $1,500 fine each and commitment of all the members of the board of canvassers to jail, until released by order of Court. Court is now proceeding with the case against United States District Attorney Corbin, counsel of board for contempt. Considerable suppressed excitement.

LOUISIANA.

CONTEMPTIBLE PROCEEDINGS OF THE RETURNING BOARD—HARD UP FOR EXCUSES. MET AT EVERY TURN.

NEW ORLEANS, Oct. 25.—The Board met; usual attendance. Wells said he must disoense with the reading of protest or motion before the board; that all evidence must be in before the close of the coming week, or the board would not be able to get through with the deliberations. He also said the board had taken no action on filling vacancies. Gov. Wells intimated that the democrats had lost any claim to representation on the board by Mr. Arroyo's resignation. He said the board would try to fill the vacancy if they could agree on any one. With regard to returns laying in the express office, Gov. Wells said the board had no funds to pay the charges, the legislature having failed to make an appropriation. The members of the board were unwilling to risk their own means when their warrants were thirty cents on the dollar. Col. Zacharie said the democractic committee would defray the expenses. Gov. Wickliffe remarked that the charges only amounted to 75 cents. Col, Zacharie having offered to furnish the clerks with the means to pay the expense, and the board mildly consented to the returns being sent to the express office. Board reached no conclusion relative to using certified duplicates of the returns.

Gov Wells stated the privilege of cross interrogation would be allowed, but the proceedings of the board would not be obstructed under any consideration. He said further that the notice would be taken of the affidavits presented by both sides but adhered to the ruling that the affidavits should have been filed within 10 days of the making up of the returns.

NEW YORK.

Smuggled Lace—Meeting of Board of Fire Underwriters—Breach of Marriage Contract and Verdict—Tramps Killed—Will Tell all he Knows.

NEW YORK, Nov 25.—Forty packages of smuggled lace were received yesterday, from GeorgeCox a lace dealer at Paterson, N. J.

A meeting of the board of fire underwriters here to-day, reports adopted providing for committee of revision of votes and that any number of the board who shall deem that any risk is entitled to reconsideration of its rating shall have the right to submit the same to a committee whose duty it shall be to examine the merits of the case and make a report on the same if circumstances justify such action.

The jury case of Eugene Marteriz, against Juan Del Valle, for fifty thousand dollars damage for breach of promise of marriage and betrayed, handed in a verdict for plaintiff, this P. M., and assessed the damages at fifty dollars.

The Tribune says: "Woodward, of Old Tammany Ring, has resolved to tell all he knows."

HUDSON, N. Y., Nov. 25—Harlem train ran over and killed two tramps.

FLORIDA.

Canvassing Board to Convene Monday

TALLAHASSA, Nov 25.—The board of canvassers received notification this morning from the Secretary of State, who is ex-officio, a member of the board, and charged with calling it together, that they must meet at 12 o'clock Monday, to canvass the vote of the State. The judge has not yet decided the injunction and mandamus cases now pending before him, and this action of the board seems to obviate the necessity of a decision, as this will be direct precisely what the Democratic managers prayed the Court to command. The board will admit a committee of 5 from each of the political parties, and the chairmen of the two State committees to its decision. Decision as to admission of newspaper correspondents has not yet been decided. Official returns are now all in. The result will hardly be reached before the 6th of December, when by the law of the United States for the electors certificate must be issued.

CALIFORNIA.

Insurrection Begun that Threatens the Whole State—The Oregon Postmaster Elector—What Both Parties Say.

SAN FRANCISCO, Nov 25.—Private advices received here render it probable that the revolution in lower California, reported yesterday, is the beginning of an insurrectionary movement in favor of Porprio Diaz, which will spread throughout the State. There are scarcely any government troops there to oppose the revelutionists.

A Portland Oregon dispatch denies that any application has been made to the Court for an injunction restraining the issuance of a certificate of election to Watts, republican elector. The Democrats state positively that such action will be taken. The Republicans are confident that the certificate cannot be legally withheld.

SOUTH CAROLINA.

Corbin Disclaims Intentional Contempt and Begs for Time.

COLUMBIA, S. C., Nov. 25.—District Attorney Corbin, Counsel for the Board of Canvassers, disclaimed intentional contempt and asked till Monday. The court is now occupied with argument on the electoral vote.
