Grant's Order to Gen Anger—Orton to be Arrested for Contempt—New Silver Bill from Boston Board of Trade.

WASHINGTON, Jan 10.—At the close of the session of the House yesterday a communication was presented from the Secretary of War in response to the House resolution dated Dec 8, giving the disposition of the United States troops.

The Secretary of War and the President were in consultation to-day about noon, upon the subject of the telegraphic information received here officially from New Orleans, through military and other sources, and it was decided to send a telegram to the military commandant at that post, giving the exact position of the General Government in the matter.

WAR DEPARTMENT, Jan 10.

Gen C C Anger, New Orleans: It is reported that the State House in New Orleans is surrounded by a mob; if this is so notify all persons to disperse, and compel compliance with your order.

Signed J. D. CAMERON, Sec'y War.

In the Senate, Mr Boutwell presented a petition of the Boston Board of Trade, asking Congress to provide by law for the appointment of an international convention to consider the expediency of remonetizing silver coin, and fix the value of the silver in relation to gold coin.

The Pacific Railroad Committee of the House is in prolonged session, all questions affecting the main stem are settled. The contest is over the branches generally, but especially the two from New Orleans, and the three from St Louis.

The Judiciary Committee having under consideration the contumacy of telegraphers and the Louisiana returning board, had no meeting this morning.

House.—Saylor, of Ohio, and Durham of Kentucky are having a spirited fight over the Bridge interests between Cincinnati and Covington.

President Orton will report himself under arrest to-day to the Sergeant-at-Arms of the House.

The banker Dimond submitted his books to the Committee of Privileges and Elections, and they develop nothing. It is transpiring that the National Executive Committee retained lawyers on both the Atlantic and Pacific slope. The lawyers got the money.

A deputy Sergeant-at-Arms left Washington last night to serve on Wm Orton a writ of service for his arrest, and to bring him to the bar of the House to answer for an alleged breach of its privileges, and a contempt of its authority in failing to appear before Morrison's committee with certain papers or telegrams.

NEW YORK.

Arrest of President Orton—Surgeon of Bennett—May Duel Sent to Jail for Refusing to Testify.

New York, Jan 10.—President Orton is under arrest and will be taken to Washington to-morrow.

Dr Charles Phelps who was connected with the Bennett-May duel was subpoenaed before the Grand Jury to-day, by the District Attorney to testify concerning it. He refused to answer all questions on the ground that he would commit himself, and being brought before Judge Gildersleeve in the Court of General Sessions, and still refusing, he was committed to the city prison for thirty days for contempt of court.

LOUISIANA.

Packard and His Legislature Confined in the State House—All Quiet and Peaceable.

NEW ORLEANS, Jan. 12.—About 6 o'clock to-night the 'Nicholls' militia about 5,000 strong had a review on St. Charles street, opposite Lafayette Square. As they marched through the streets they were cheered by the men, and the ladies who thronged the galleries waved their handkerchiefs. They were principally armed with Springfield rifles, with bayonets and cartridge boxes, though some were armed with carbines, shot guns and old muskets and marched in a manner that showed they were familiar with the school of the company. After review the companies were detailed for duty and marched off to different points, some are patrolling the city to-night, but most of them were disbanded for the night.

The city is perfectly quiet and with the exception of a few armed squads patrolling the streets, and the white ribbon badges of the Nicholls police, there is nothing to indicate the events which transpired yesterday. Not a single case of violence or disorder occurred during the night as far as is known. There is no intention of the gathering of the armed hosts of yesterday. Both sides are exceedingly reticent in regard to their intentions, and nothing is known of them outside of their trusted friends.

Packard Anticipates No Trouble—The Democrats are Satisfied With the Situation and Will Make no Further Aggressive Movements—The Packard Legislature Elects Ex-Gov Kellogg U S Senator for Long Term—Will Probably Reelect Lt-Gov. Antonis for the Short Term.

NEW ORLEANS, Jan 10.—On visiting the State House this morning the waiter found a line of Nicholls' police on the South side of St. Louis street, and on the opposite side, a line of Metropolitan. The former permitted him to pass, but the latter halted him until word from Gov Packard was received to pass him. On entering the building he found the Metropolitan looking as if they had been on duty all night without sleep, and members of the Legislature presented a similar appearance. Gov Packard, who had just returned from breakfast, looked as cool and collected as yesterday. He stated that there was no change in the situation since last evening beyond the fact that the House would have a quorum, which was prevented yesterday by the fears of the members. The Senate still lacks one to complete a quorum. Ex-Gov Kellogg, U S Marshal Pitkin, and others were present, engaged in an earnest conversation. All were very reticent and declined to give any information as to their intentions. In his leading editorial on the affairs of yesterday the Republican also says: As we have at present no government in this State whose authority is undisputed and as there are two or three Congressional committees trying to find out the truth about the late election, perhaps the President may deem it his duty to establish martial law until such time, if ever, as Congress shall come to some conclusion and agreement in the premises.

12 M.—There is no change in the situation, nor is there any trouble anticipated. The Nicholls party assert that they are satisfied with the situation and will make no further aggressive advances. 1:40 P M.—The Republican Legislature in joint session has just elected Ex-Gov Kellogg to be U S Senator for the long term. The indications are that Lt-Gov Antonis will be elected to the short term.

House Committee on Counting of Electoral Vote Agree on Two Points—Passage of Bills.

WASHINGTON, D. C., Jan 10.—Mr. Spencer of Alabama, presented a joint resolution of the Alabama Legislature asking Congress to approve an act of that body for the construction of a breakwater in the bay and harbor of Mobile. Referred to the Committee on Commerce. Without concluding bill for revision laws adjourned. The House Committee on the Privileges, Powers and duties of the House of Representatives on counting the electoral votes have so far agreed on only two points. First, the President of the Senate has no power to count the votes; second, that the House has equal power with the Senate in counting the electoral vote.

The bill authorizing bridge across the Ohio river, between Cincinnati and Covington, without a pilot-draw was discussed for three hours, and then defeated.

The Senate bill for the appointment of Commissioners to an International Conference on the silver question, was discussed for an hour without final action.
