TELEGRAPHIC NEWS.

WASHINGTON!

APPOINTMENTS RESERVED FOR THE FAITHFUL.

THE LOUISIANA OUTLOOK MORE DANGEROUS.

ATTITUDE OF CHAMBERLAIN AND PACKARD.

WHAT THEY HOPE TO GAIN.

CRAZY HORSE AND SITTING BULL AGAIN HEARD FROM.

CONTESTED SEATS IN THE HOUSE.

WASHINGTON, April 9.

It is not expected at the White House that the changed policy of Chamberlain and his party in South Carolina, will have any serious effect in delaying pacification.

General politics are devoid of interest, as all prominent appointments are held as rewards for personal support in carrying out the views of the administration in respect to the pacification of Louisiana.

The tone of the papers in speaking of the maneuvers of Chamberlain and Packard, which has heretofore been one of general ridicule, is becoming threatening.

Midnight.

WASHINGTON, April 9. Caleb Cushing had a farewell audience with the King of Spain on Saturday.

Legal tender notes hereafter received in exchange for silver, will be held as a separate fund, to be issued only in exchange or in redemption of silver.

The Star closes an article, captioned "Chamberlain's Attitude." It is stated that Gov Chamberlain and those who will stand by him, have one or two objects in view.

The Supreme Court decides that the million and a half, appropriated to the centennial, reverts to the United States, and was not the property of the stockholders.

The following are the appointments: Alonzo Bell, Assistant Secretary of the Interior; James Gilchrist, Surveyor of Customs at Wheeling Va.

The President will have his summer residence at the Soldier's Home grounds near the city.

Clerk Adam's roll of the house, at present, shows nine seats held open for contest, viz: Louisiana, two; Florida, two; Missouri, two; South Carolina, one; Colorado, one; California one.

The Star, elsewhere than its gossip, says editorially: "The indications are that Chamberlain and Packard have been advised to stick, by some of the Northern extremists of the Republican party."

The sudden change in Chamberlain's views, and the announcement that he has decided to hold on to his office of Governor till ejected by legal process, is looked upon as affording proof that he has been put up to this course by some persons in the back ground, but it is pretty certain that his backing does not embrace any considerable portion of even the pronounced Republicans.

The New York Times, which has been the vigorous exponent of straight Republicanism, gives Chamberlain the cold shoulder in his resistance policy.

There are Republicans at the North as well as at the South, that paper says,

PENSYLVANIA.

Meeting of the Locomotive Brotherhood.

PHILADELPHIA, April 9.—Three hundred and fifty delegates from forty divisions of the Locomotive Brotherhood from other cities and Canada, met yesterday, and promised support in case of a strike, or if discharged on account of connection with the Brotherhood.

GEORGIA.

Jail Burned—Two Negro Prisoners Lost.

ATLANTA, April 9.—The jail at Conyers, Ga., last night. Only two negro prisoners, both of whom were burned to death. It is supposed the negroes set it fire to escape. Every effort to save them was made.

A FABLE.—A farmer seeing a crow pull up a stalk of corn, flew into a rage, and killed it.

In the crow of the crow he found caterpillars, cut-worms, chinch-bugs, and divers other vermin, enough to have destroyed half his crop, and but one grain of corn.

Then the farmer exclaimed: "Now I know I have slain my best friend!"

Moral: Let the birds live.—Bedford Star.

One of the easiest things to catch, and at the same time one of the most difficult to get rid of, is a Cough or Cold. Dr. Bull's Cough Syrup, however, always proves equal to the emergency.

VIRGINIA.

Terrific Storm.

NORFOLK, April 9.—A fearful North-east storm prevailed here last night and to-day, and is still raging to-night. More than two inches of rain fell. All the houses near the wharves are surrounded and partly submerged by the highest tide known in many years.

The damage to property amounts to \$10,000. Portsmouth ferry boat is obliged to stop running. The Baltimore and New York steamers did not leave on time, and will not start until the storm abates. No marine disasters reported.

FLASHES.

NORTHFIELD, Mass., April 9.—American knife factory is burned. A hundred employees are ousted.
