[From the Newark Advertiser.]

There is an old saying. "If you wish to enjoy your dinner do not go into the kitchen," and it is recalled other monymous communications others will do, if placed in the same ufacture of artificial or oleomargarine ess, not for publication, but their displeasure, and their secrets be divulged. It is a well settled principal, that a man who will steal, will also lie, else he would be attended with poor success in his profession; and nothing can, also, be clearer, than the fact that a man who will lie and steal, has neither honor nor principle. So Tweed's betrayal of his accomplices, is

the price. There is one point, however, which should demand instant The fact that a man of the wealth attention. Allowing for this comand influence of Tweed should be pound all that is claimed for it, it is brought to justice, is indeed a glorious yet a fraud on the public when reprerecord for the Democratic party, and sented and sold for other than it is. It is not butter as that word is understood; it certainly is not from Orange in the midst of the darkness and de- county, or any other genuine butter

State, and which is, at present, creacountry. An exchange says:

threatening to test the constitutionality of the Moffet Bell-Punch law. They collected a little money last Monday, listened to a lawyer's speech, agreed that it would be wise to convoke a trade convention, and passed as many as five resolutions. This law is one of the curiosities of American legislation. To collect a liquor tax, a machine, resembling a gas meter, combined with a Latest & most valuable improvements registering dial, like that used on some of the New York street cars, has been invented by a Senator. It is to be put up in every barroom, and for every drink sold, the barkeeper is required to work a lever, which operates the hand on the dial. When liquor is sold by measure, in quantities of less than five gallons, the lever is to be pulled ous ways to inaugurate measures look- are to be locked and the key kept by ing to the growth and development of the tax collector, who is to make his fixed at a million of dollars. It in- Heavy penalties are imposed for failcludes among its directing spirits Col ing to work the register, and for tamposed for laining to work the register, and for tampering with it. The tax on a glass of ern, Col S A Pearce, Gen Anderson, whiskey is 2½ cents; on a glass of beer Col Palmer and J M Mackey, of Columbia. The corporation has already things from this bill. If only a million world's Fair, London, 151 Creek, near the site of the future metropolis of the Seuth. They propose to begin practical operations looking to the building up of that section, and comfortably; and, hence, if the Bellstows away over 2,000,000 gallons very comfortably; and, hence, if the Bell-Punch act be enforced scrupulously, there will be millions in the treasury.

Ole Bull and Henry Clay.

Ole Bull the famous violinist, in the of the National Republican, the administration mouth piece at Washington, Mr Hayes has not a very exalted opinion of the modern tribe of statesmen known as the Southern carpet-baggers.

The Republican, whilom Governor of South Carolina, has gone to New York and hung out his shingle as a lawyer. Is not this a whole chapter on carpet-bag rule! He loved the dear people of South Carolina so long as he could held office. When that occupation is gone he packs his bag and retires."

The Republican, the administration mouth piece at Washington, Mr Hayes has not a very exalted opinion of the modern tribe of statesmen known as the Southern carpet-baggers. The Republican says: "Hon. D. H. Chamberlain, whilom Governor of South Carolina, has gone to New York and hung out his shingle as a lawyer. Is not this a whole chapter on carpet-bag rule! He loved the dear people of South Carolina so long as he could held office. When that occupation is gone he packs his bag and retires."

PRESENTATION OF THE IMMOUS VIOLINGS OF ALL AND SET OF ALL AND purchasers of the uplands has never course of an interview with a New REFUSAL OF THE CHAMBERIAIN CLAIMANTS.—As was expected, the Chamber and strip extending between high and low water mark the entire length of this property of the company mentioned, and was in the set of perfecting his pretended title therete when his protected in the State House or deliver up the State records. Gov. Hampton the instance of the company, who had ascertained the nature of his operations.

mark were owned by the State, he procured a warrant to survey a narrow strip extending between high and low water mark the entire length of this property of the company mentioned, and was in the set of perfecting his pretended title therete when his procured in the state records. Gov. Hampton the instance of the company, who had ascertained the nature of his operations.

The property of the company mentioned, and asked if some one was not playing in the street. As the tone was raised the said, "Ah, that must be Ole Bull; when I had ended the doors were thrown epen and the great man came the property of the company was in the sex of perfecting his pretended title therete when his property of the company, who had ascertained the nature of his operations.

Boss Tweed's confession has come at last, and with it follows consternation and smiting of knees among the prominent politicians of both parties in New York. Ex-Mayor Oakey Hall was one of the most constant. in New York. Ex-Mayor Oakey Hall was one of the most conspicuous actors in the great fraud of which Tweed was the Boss. He evidently had some intimation of the startling revelations about to be made, and placed the wide ocean between himself and the scene of his disgraceful exploits. So it turns out that Tweed was not the only criminal; he was simply the leader of the robber band. He has been overtaken in his crime and grievously has he in the sound of the startling revelations are proving the rights of Riparian owners.
