COUNTRY.

Eastern war will have a very disastrous the withdrawal of the United States effect upon this country or any of its republicans in this State, and encoura-products except cotton. The demand ges the democracy to enrulate the products except action. The demand for cotton will certainly be less, but the cry for breadstuffs and grain will be comparatively greater. Our farmers then will have to plant more grain and less cotton. The American bankers in England argue that the war instead of depreciating our securities, will materially benefit our trade and commarks. depreciating our securities, will mate-rially benefit our trade and commerce whether a legal Supreme Court exists

improvement, and if England were dragged by circumstances into the ceive that, in thus expressing my will-stand by the government until honoryortex of the war, American commerce, having the preference for the carrying trade, would get a start which it has not enjoyed for nearly twenty years." We earnestly hope that these of the effect are correct in their construction. Af matters not essential clusions.

of officials should be allowed to defy our State laws as these officers have done for the past ten years. It is both revelting and unjust that one class of citizens should be held amenable to the cannot be disposed of by the respective of paragraphs. It is both the republican party has only suggested to decline to accept its terms. If our Legislature organized with a quorum in both Houses of the members returned, elected by the returning board, as required by law, be illegal, as is assumed by this proposition; and if it be true that the Legislature shall be constituted of paragraphs aring facile elected by the respective of paragraphs. the laws and that another class should mere expedients. violate them with impunity.

Mr. Haves is preparing a message Earnestly requesting your immeditute each House prima facie, we know at action on the facts presented. I of nothing which gives our Democratic in which he will urge Congress to make an appropriation for the Paris your obedient servent, some servent, MOTENHOL S BILL P. HOHERTON

-Read the speeches and resolutions of the Louisiana Republicans in another column. It is indeed lively reading matter and their effort at bull-dozing Hayes is both bold and amusing. The carpet-baggers of the South have been lriven from every State except Louisiana, and there they are in their last lich and are determined to make a itter resistance before they loose heir foot hold on public plunder ferever. Their objections to the removal

of troops, on the ground that they are render them contemptible in the eyes of all parties. No right minded man can have any toleration or sympathy for a set of men who claim to be in the majority, and yet have neither the had been here, now two weeks, as manhood or the back bone to assert agents of the President, trying to see manhood or the back bone to assert their rights.

Packard's Last Appeal to the Pres-

Governor Packard has addressed the following letter to the President :-

ed among other points to secure a the members present, except Mr. and discount of the members present, except Mr. and discount of the members present, except Mr.

sion—that 104 members of the lower Gov Packard to be henestly elected, house and thirty-three members of the whether he would accept these terms?
