QUEEN VICTORIA PROCLAMATES

The Sultan's Proclamation.

Contradictory Reports Regarding British Interference.

WAR ITEMS.

London, April 26 .- Queen Victoria issues a proclamation mutually forbidding British subjects to aid either Turkey or Russia. Bollal roset

The Turkish fleet is bomberding Constantinople might be taken by a Chefkela. hefkela. dashing attack, but in reality it is one. The leading opposition members in of the strongest places in the world. the British Parliament decline the re-

quest of several Radicals, to move the vote. They want confidence.

The Sultan's proclamation to the army is as follows: Russia has declared war, and we are forced to take up arms, though we have always wished for peace; listening to the advice of the powers in this respect. But Russia wants to destroy our independence, and so if Russia attacks us, God, who protects right and justice, will grant us victory. Our soldiers will defend with their blood, the country gained by their ancestors, and with the help of God maintain the independence of the Osmanli. The nation will protect Derby Day Made a Legal Holithe wives and children of the soldiers. Should it be necessary, the Sultan will go to the army and raise the standard of the Kalifat and the Sultanat. The Sultan is ready to sacrifice his life for the honor and indepence of the coun-

soon as Austria occupies Bovina. Russia threatens the Khedlye with he blockade of Alexandria.

Turkey expects a war with Persia. There was tremendous wind and rain at Galatz last night

It is stated that the government is engaging transports to take an unusual quantity of supplies to the Levant. The Stock Exchange opened steady, but became very flat. Consols are

The battle at Batoum, in which the Russians were repulsed with the loss of 800 men was resumed to-day.

LIVERPOOL, April 27:- The Courier's London correspondent says : The British government has resolved to interfere between Russia and Turkey.

Austria has called upon England to fullfil her engagement under the Tripartite treaty. The first step will be a demand from Russia to object to the military operations now being under-

The Russians invaded Turkey between Batoum and Beyazid. The Turks are advancing toward Alexandiople in three columns, and a battle is expected. Grand Duke Nieholas at Kischeneff has issued an address to the troops, commencing: "The Christians oppressed by Turkish rule rose against their oppressors, and their blood has been shed for the last two years. The efforts of Russia and the powers to ameliorate their condition having been fruitless, the last word of the Czar has been spoken, and war has been declared. The Czar entrusts me with the mission of accomplishing his will. We do not much to make conquests, but to defend our brethren oppressed for of the jure s have served four months

In consequence of the strained relations, between France and Germany. The ment of its terms. The question of British active intervention may take practical shape before the end of the next war. It is not expected in high will be pressed so soon though, it is anticipated that the momentous alternative of declaring war against Russia will arise very shortly. The situation is regarded at Vienna as far more urgent than British statesmen seem to admit, and it should be remembered that the initiation of military action

lies with Austria. The London Times in a leading article deprecates the needless panic concerning the war and says : England may have to strengthen her fleet in the Mediterranean, and sene it nearer the at all and add add and a sene it nearer the German war. England had a deep and real interest to guard, but the nation displayed no weak or noisy alsem, 290806 MIS 9010 presuming that we were perfectly able
