in the mildest form expressing confidence in the President, and its consideration provoked the Tharshest and baby with blue eyes. most centemptuous epithets against without so much as notice of their Republican President. Alleghany, that gave Hayes nearly 10,000 majority; tabled a resolution approving of the ad-ministration, the last time ten only dar-ing to vote for it. Senator Cameron had been in the county a week or ten postoffice is the perquisite of the old party organ that is owned by Cameron, Goodrich & Co., won, and the Presi dent lost an approving resolution. The

responsibility, and then the President will be squarely ortacitly reproached on be disposed of by significant allence or stabled by qualified praise. The ticket will be presented as a matter of form, and the party told to elect or defeat, no county might by any thing from thirty to the usand control of the usand control of the control o

service of the government has been a matter of special notice. During an administration in which dishonesty ran riot in various branches of the pub liplactyich, net, one womand has ever been accused or suspected of the pre-vailing official crime. Of the millions which have passed through the hands of the treasury elerks, not the smallest fractional part of a dellar has ever adhered to the hands of a weman. It is not to be wondered that they sought

A GRAND CONCLUSION.—Here is the closing parsgraph of the Rev. Joseph Ceok's last lecture—the last of a three or feur months' series:

That the internal revenue department has been by far the most corrupt and extravagant branch of the government, no one has the hardished its being a grand spectacle it has been along valueless to humanish been along valueless to humanish has been trataged, has been a disgrace to the government ever since the work of the grace to the government ever since the difference of the difference The company which was some time ago formed for the purpose of utilizing this great water force seems to be in earnest. Every effort that money and energy can exert is being exercised to put this enormous power in trim for driving machinery. The water which passes over the falls is estimated at one hand and tons per hour and its perpent. nundred tons per hour, and its perpent seven hundred dollers was offered for disular descent may be taken at 150 his apprehension. For the past seven

ally, it is readily to be seen that Niagara, and prepossessing gentleman was pur-ence under the control of man, would chasing a ticket in the office of the exert more force than all the steam. Pennsylvania railroad, when a fine ower on earth. looking but noorly dressed Irish woraise the question, why do not the cap ployment. In her arms was an infant italists of Washington make an effort ten or twelve months old. In response under the control of man would prove in his arms and was soon lest in the a mine of wealth to those who interest horrying crowd The impulsive Irish themselves in the enterprise. - Nation | weman had as prosed the man to be jesting, and when learning her mistake hurried away to regain the child, but without avail. She then sought the aid of the pelice, and afterwards the gentlemen appeared at the office of In-spector McDermott, and told the above story. He frankly said that he was "While the Republican leaders have the father of a family of six children, cy, Ill.,, to be married; got him to take \$3 Instead of choosing as his counsellors, out of confidence in the departed, and some of the household who watched them were astonished to see all of whom, however, had raven hair who watched them were astonished to see the bride remove her dress in an alley and come forth a young man.

A Milwaukee man tried the effect of blue glassion a link of bollogina sausage yesterday. In five minutes it commenced to hump in the middle, in ten the word 'Mariar' was the model of the middle, in ten the word 'Mariar' was the humber of the surrounded himself by drunken and dissolute characters, containing that the most pointed and practical manner. Four county conventions of the party have been held in the four Republican strong-holds of the State—Philadelphia, Lancaster, Aller ghany and Bradthrd.

The Republican convention of Phil adelphia tabled a resolution drawn in the mildest form expressing confiher husband in the desire for a blonde

A LESSON FOR THE TIMES - Few per him. Lancaster, that gave nearly 9, 000 majority for Hayes, had no representative in the convention, but the return judges of the party footed up the vote for candidates and separated ruinous rates that no legitimate business can stand, but few have figured on the difference between six and eight per cent One dollar loaned for one few days ago, and twice deliberately tabled a resolution approving of the ad \$340. At eight per cent it amounts to \$2,203, or mearly seven times as much. by venal practices and the most glaring of frauds.

So said the revenue officials. "We tan oppress the rebels and the counts to the counts and the counts to the counts are from them and grow rich and be of the North whereas are trained to the loudest in crying down with the Hayes resolution.

The from them and grow rich and be of the North whereas are trained to the loudest in crying the lou ute from them and grow rich and be of the North, whence came a surveyor (which we some times hear talked of) it reaches the enormous sum of \$2. 551,799,404, or more than the State of Ohio is worth .- Courier Journal.

> It is related of George Clark, the cel ebrated negro minetrel, that being ex amined as a witness, he was very se-verely interrogated by the attorney, who, wished to break down his evidence. siness, I believe?" inquired the law-

"Yes, sir," was the prompt reply, 'isn't that rather a low calling?" de manded the lawyers it blo "I don't know but what it is, sir," re plied the minatrel; "but it is so much better than my father's that I am

rather proud of it." Rid W Jan 19 What was your father's calling ?"

The lawyer let him alone.

The New York Times does not look upon Mr. Crapo's undertaking as an act of such desparate courage. He may make the voyage to Europe with more safety in his little twenty-foot boat then in an Atlantic attention of the safety in his little twenty-foot boat the safety in his little twenty-foot boat the little Cohen & Rosseler's then in an Atlentic steamer, and his vessel is more seaworthy than those of Columbus; but it does allow that he shows unheard of bravery in taking bis wife along. The idea of a fellow being confined in a small beat for forty days with his wife! It is indeed a fear ful trial, and requires 'the courage of the lion."—Richmond) Va.) State.

A Point on Which the Doctors Agree

WARM SPRINGS

WESTERN NORTH CAROLINA,

Is now open for the reception of pleasure seekers and invalids. This lovely place is situated in the beautiful valley of the We have a fine band of music, attentive servants and all other accommodations to be found at a first-class watering plece.
