TELEGRAPHIC NEWS.

THE STRIKE ALMOST OVER!

The Strikers Have Rarely Improved Their Present or Future Condition.

UNEASINESS IN NEW ORLEANS—PROMPT MEASURES OF NICHOLS.

News from All Quarters.

St. Louis, July 30.—Sunday was quiet. A number of companies of the citizens' guard have disbanded.

WASHINGTON, July 30.—The War Department closed last night near midnight, after being constantly open for ten days, with a high officer in attendance, usually General Townsend or General Vincent being on duty.

MAIL, PASSENGER AND MILK TRAINS PASS OVER ALL OF THE NEW JERSEY ROADS. It is thought that the Eastport strike is virtually over.

CUMBERLAND, Md., July 30.—The first freight train with the military guard, went through to Keyser. The following train stopped near Keyser, but the strikers fled into Maryland when the military which escorted the first train returned.

SEDALIA, Mo., July 30.—The strike on the Missouri, Kansas & Texas Railroad has terminated.

ST. LOUIS, July 29.—All trains except the Toledo & Wabash, have been sent out. Passengers and freight to-day are considerable. Objection was made, but after the arrest of sixty-five strikers, matters quieted. Guards were sent on all trains.

ST. LOUIS, July 30.—Absolute quiet reigns throughout St. Louis this morning. Exchanges have re-opened and everything is rapidly returning to a normal condition.

CHICAGO, July 29.—Scarcely a vestige of the late troubles has been visible to-day. Generals Sheridan and Crook arrived this morning from St. Paul, and General Pope from St. Louis, work on the United States troops here and in this vicinity, by virtue of his position in the army. General Crook went west to Omaha, where he will look after some reported Indian trouble in the eastern territories.

THE RAILROAD STRIKE HAS FEW NEW FEATURES. The engineers on the Vandalia & Indianapolis and St. Louis lines have struck, and a few other engineers talk discontentedly, but have yet made no signs of striking.

MAUNCH CHURCH, Pa., July 30.—The first New York mail since Wednesday arrived to-day.

ERIE, Pa., July 30.—Freight and passenger trains are running on all roads leading from this city.

WILKESBARE, July 29.—Twenty-five hundred miners have just concluded a meeting at Dor's Grove. They passed a resolution not to resume work until wages were raised twenty-five per cent, and the mine pumps are to be stopped until the company accedes to this demand.

PHILADELPHIA, July 30.—Advices have been received here that the strike on the Texas Pacific is ended, and the men have resumed work on the basis of the present reduction.

COLUMBUS, O., July 30.—The Pittsburg, Cincinnati & St. Louis Railway officials announce that they will receive freight from shippers to all points. Miami trains are running without interruption. Trains on the Pan Handle division are announced to start this afternoon.

PITTSBURG, July 30.—Everything is quiet, and the strike among the railroad employes is to all appearances ended. On the Pittsburg division of the Baltimore & Ohio road the freight

East and West are now running and departing on schedule time.

ELIZABETH, N. J., July 30.—In New Jersey the strikers are quiet merely from the presence of the military at Phillipsburg, Hampton and Washington trains are running regularly, and the strikers are trying to convince the military that their presence is unnecessary and the military are trying to convince Governor Beadle that such is the case.

HONOLULU, N. H., July 30.—Walter Kichline and Edward Sturges, the two leaders of the striking firemen on the Delaware, Lackawanna & Western Railroad, both presented themselves before Superintendent Reasoner, yesterday, and admitted that the strike was unsuccessful. The Morris & Essex division and the other divisions are expected to fall into line to-morrow.

THE RUSSO-TURKISH WAR.

Gladstone's Views on Garrisoning the Mediterranean.

Midhat Pasha Goes to London.

A Cabinet Meeting at Vienna—A Heavy Turkish Loss.

An Interview Between Germany and Austria.

LONDON, July 30.—Gladstone, in a magazine article, characterizes the reinforcement of the Mediterranean garrisons as a perfect example of the art of disquieting an annoyance on the one side, without conferring the smallest advantage on the other.

BUCHAREST, July 29.—The fourth Roumanian division under Gen Mann, crossed the Danube and occupied Nikopolis.

PARIS, July 30.—Midhat Pasha goes from Vienna to London. He thinks he can serve Turkey better in London than Constantinople. Midhat doesn't believe in early peace.

LONDON, July 30.—A Reuter from Vienna reports that the Hungarian Premier and the Minister of Finance have been summoned to Vienna to take part with Count Andrássy, Prince Auersperg, M Depecki, and the Imperial Minister of War and Finance in the Cabinet council, at which the question will be considered whether the moment has not arrived for Austro-Hungary to depart from a passive attitude.

A Reuter's Constantinople telegram says: "The Turkish official reports claim that the Russian cavalry attacks Yoni Sagra, and in the direction of Osman Boser, have been repulsed with loss."

The Standard's Constantinople special, dated Friday, said: "The Turks lost eight thousand killed and wounded at Karabunar. It is now positively settled that when the Russians reach Adrianople, the Sultan and the government will go to Broussa or to the side of the Bosphorus. An official report from Osman Pasha says: 'The Russians having occupied Loyatz, a body of Turks from Plerna assaulted and recaptured it on July 26th.'"

The Standard's Shumla dispatch says the re-capture was effected after six hours' fighting.

The Servian Skuptschina has dissolved and is re-assembling with the military in preparation for the Russian advance.

A Berlin dispatch says the Emperors of Germany and Austria will have an interview about the 29th of August.

A dispatch to the Times from Constantinople via Syria, says that the panic which prevails at Pera is probably due to the dismissal of the Sheik Ul Islam, which is generally attributed to his refusal to hoist the sacred flag.

Though the reported defeat of Sultan Pasha at Karabunar is not officially denied, there are indications in later dispatches from Roumania that it is wholly false or greatly exaggerated.

WASHINGTON NOTES.

WASHINGTON, July 30.—Colonel Jas. Segar, of Virginia, has been appointed arbitrator in behalf of the United States before the United States and Spanish commission.

No Cabinet to-day. Marshal Lake, of Mississippi, has left for home.

General Hancock states in a dispatch received this morning at the War Department: "Have heard from Cumberland and Pittsburg this morning. Everything on the railroad with the exception of my communications seems to be quiet and progressing well. A very little time and reflection I think will accomplish the rest."

Governor Carroll, of Maryland, in a communication to the Secretary of War, says: "The freight trains which were started from Baltimore and Cumberland yesterday, proceeded without any interruption to Martinsburg, and have been set in motion again today without disturbance. I begin to feel that the spirit of this strike is broken, and hope for the speedy restoration of quiet."

In a Nursery wherein all is life and laugh instead of crying and fretting, there is sure to be found Dr Bull's Baby Syrup. Price 25 cents per bottle.

Best Housekeepers.

If the best housekeepers in our land are to be believed there are no flavoring extracts worth half so much as Dr's Flavorings. Let Dr Price's Vanilla, Lemon, Orange, Rose, Almond, or Nectarine flavors once be used, and will always be desired.
