TELEGRAPHIC NEWS.

THE INDIAN WAR.

The First Inhabitants of the Land Which Columbus Discovered, Are Still Fighting for Their Rights, and Having a Nice Time Besides, in Stealing Millions Around Big Hole.

WASHINGTON, August 23.—The following dispatches have been received at the War Department:

CHICAGO, August 23.—"Captain Bainbridge, with Bismarck scouts, is on his way to join General Howard and telegraph me from Sand Hills, Montana, on the stage route, at 5 p. m., the 21st instant, that General Howard is at the head of Dry Creek, thirty-five miles north. That he had a fight with the hostiles the day before, the 20th. No particulars are given."
P. H. SHERMAN,
Lieutenant-General.

SAN FRANCISCO, August 23.—The following has just been received from General Howard, dated Camp Meadow, Idaho, August 20:

"I arrived at this camp yesterday with cavalry and fifty infantry. Miller, with a foot battalion, will join me to-night. My advance camp was approached this morning before day, by over one hundred hostiles. They succeeded in stampeding and driving off about one hundred animals, of which number, one-third was recaptured by the cavalry, who started in pursuit as soon as they could saddle. Sanford struck the party after a pursuit of six miles, and engaged them with a loss of one bugler killed, and one officer. Lieutenant Benson, of the seventh infantry, and six privates were wounded. No cavalry horses were lost, and I will continue the pursuit to-morrow by the way of Henry Lake."
HOWARD,
Brigadier-General.

"By courier to Pleasant Valley, Idaho, the 22nd, to McDowell, Major-General, commanding."

Nominations in Pennsylvania.

HARRISBURG, August 23.—The Democratic party of Pennsylvania and its delegates in convention assembled do declare:

"First, That the induction of Rutherford B. Hayes into the office of President, notwithstanding the election of Samuel J. Tilden thereto, was a high crime against free government which has not been condoned and will not be forgotten; the same spirit of patriotism which forbade contest upon the first offence will resist and punish any attempt at a second."

The Democratic Convention reaffirmed and adopted the financial resolutions of the National Democratic platform adopted at St. Louis in 1876.

HARRISBURG, August 23.—Noyes was nominated for State treasurer on the fifth ballot, the vote standing, Noyes, 151; Barr, 83; Powell, 36. Captain McClelland was re-elected chairman of the State committee. The convention then adjourned.

Germany's Protest.

LONDON, August 23.—The Daily News Berlin correspondent writes that Germany's protest against the Turkish atrocities is due to a suggestion of Emperor William. Although the protest does not contain any threats it is of a nature to convince the Porte that Germany is in earnest.

The Standard's Pesth correspondent hears that Great Britain is making arrangements for the intervention of the great powers in the interest of peace. This is not contended from any other quarter, and is very doubtful.

An article from Russian headquarters at Gorny Studin, dated yesterday afternoon, states that the battle in Shipka pass is still proceeding. The enemy has renewed the attack many times with fresh troops, but each time has been repulsed with heavy (Turkish) loss.

MANCHESTER, August 23.—A dispatch from Esaki Djuna to the Guardian, Tuesday, says: "Lieutenant General Mehemet Ali left this morning for Bagrad to inspect the camp and defences, after which he will return to Shumla. There are 60,000 troops at Osman Bazar, which place is entirely deserted by the inhabitants."

The Convocation of Governors.

PHILADELPHIA, August 23.—A large number of acceptances have been received from the Governors invited to a special convocation of executives of the several States, to be held at the International Exhibition next week. Extensive and elaborate preparations are being made for their reception and entertainment. On Wednesday the 29th instant, there will be a grand floral display, and on the 30th an industrial review, in which the employes of various manufacturing establishments in Philadelphia will participate.

SOUTH CAROLINA.

Suit Against ex-Treasurer Dunn.

COLUMBIA, August 23.—The Attorney General has brought suit against the bond of ex-Comptroller T. C. Dunn, as receiver of the notorious Solomon's bank, for twenty-five thousand dollars, the amount of his bond as such receiver, which it is claimed has been forfeited by his failure to discharge his duties and account for property intrusted to his management. The value of the property is placed at \$114,760. Dunn is absent from the State.

New Iron Steamer Launched.

CHESTER, August 23.—The new iron steamer, City of Mason for the Ocean Steamship Company, of Savannah, was launched at Koch's ship yard this afternoon. Her dimensions are two hundred and seventy-two feet long, thirty-eight feet six inches beam, twenty-five feet hold, two thousand two hundred and twenty-five tons.

THE RUSSO-TURKISH WAR.

Contenting for the Balkan Passes—The Turks Attack Tirnova and are Repulsed.

ANNIVERSARY OF PRINCE MILAN'S ACCESSION.

LONDON, August 23.—A special edition of the Standard has the following Budapest dispatch this afternoon: "The Turks attacked Tirnova yesterday, but were repulsed. The engagement was re-commenced to-day. Osman Pasha's troops made an attack on Selvi with the intention of advancing upon Gabrava, but Prince Mirsky repulsed them even before the arrival of a division which he asked for as a reinforcement."

Details received here regarding the battle in the Shipka pass state that the Russians repulsed successively ten vigorous attacks made by the Turks, the positions of the Russians being very strong. It is not true that the forces of Lieutenant-General Mehemet Ali and Osman Pasha have effected a junction. The Russians are preparing to attack several Turkish positions.

No further news has yet been received regarding the battle in the Shipka pass. The capture of the village of Shipka should not be confounded with the repulse of the Turks at the southern entry of the pass. The village, which is two miles from the entrance of the pass, was as reported evacuated by the Russians, who fell back behind their redoubts. It should be understood that after the actions at Yeni Saghra and Eski Saghra, General Gourko retired unmolested to the Haikola pass, while the Grand Duke Nicholas and Prince Eugene, after with difficulty extricating their force from the Eski Saghra defile in the lower Balkans, retreated by the Shipka pass which has remained guarded by Russian infantry, and guns established there ever since the passes was taken.

A Times dispatch from Belgrade dated yesterday says: "To-day being the anniversary of the accession of Prince Milan to the throne, there was a parade of the regular troops and militia at the cathedral. The Metropolitan delivered a political discussion. He said that the moment was probably far distant, when Servia would be called upon to fulfill her political mission. The proclamation of independence has been postponed in consequence of remonstrances from the diplomatic agents. Mobilization is going on, and troops are marching to the frontier continually, but owing to Russian defeats the population do not show a warlike spirit."

A dispatch to the Times from Ostrab, dated August 22nd, says: "The Turks have entered Shavani and are advancing steadily towards Nicisna. There are only two battalions to resist them. They will probably reach Brabnic to-night."

A Reuter from Berlin states that Bismarck left there to-day for Gastein. The Pall Mall Gazette says it is arranged that the Prince and Count Andrassy shall meet there.

THE PRESIDENTIAL PARTY.

Still Quoting Scripture Like the Devil—Key the Silliest of Them All.

WASHINGTON, August 23.—It is thought best to telegraph no more of Hayes or Key's speeches. They are quoting scripture like the devil.

The recently yankee reporters make Key, alluding to the sanctity of his postmaster-generalship, say: "If husband or wife write a sharp letter to the other half, he must not let it be known. These things we require to be kept entirely secret except to those to whom letters are directed."

Morton Dangerously Ill—His Probable Successor.

NEW YORK, August 23.—The Post's Washington special says: "A private dispatch just received from Morton's brother-in-law, says that the Senator is very low, and there is but little hope of his surviving. His mind is perfectly clear, and his will is strong, but his digestive functions are impaired, indicating waning life. In the event of his death, Governor Williams will appoint D. W. Voorhees to his seat in the Senate."

A Steamer Goes Down.

SAN FRANCISCO, August 22.—Advices from New South Wales, report that the steamer, Collier, Kanayata, upon entering New Castle harbor, on July 15th, was boarded by a heavy sea, in a gale, and went down, stern foremost, with all hands, including Captain Lumberbell Miller, chief officer Anderson, second officer Eddes, chief engineer Baxter, the assistant engineer and twelve seamen, firemen, &c. The body of Captain Miller was recovered.

Cholera on a Vessel.

ALEXANDRIA, August 23.—The French man-of-war, Corceze, passed Ader, with the cholera on board. Fifty of the crew are dead. A hundred and thirty are still sick.

Telegraphic Briefs.

Justin McCarthy, a political writer and novelist, is dead.

Major Terrell, paymaster, is ordered to report to the Department of Texas. Major Gibson is relieved.

A lovely landscape all dotted over with unsightly boulders, is not more unpleasant to the sight than a human face disfigured with Bumps and Pimples; these prime evidences of impurity of the blood, Dr. Bull's Blood Mixture will remove all such disfigurements promptly.

The Proposed Graded School.

MR. EDITOR:—In your paper of the 21st I see an article on graded schools. I have never read one more to the point. Having been a liberal tax-payer in former times, (not now, though), I must beg you to press the opinion in regard to the tax for graded schools, no matter if opposition does come from a few who are from accident rich, but illiterate in humanity; let every little nigger be taught. He will make him, if not better, subject to law.
Very Respectfully,
No TAX-PAYER.
