ORGANIZATION OF THE HOUSE.

RANDALL'S FORMAL ELECTION.

Garfield Receives the Republican Vote.

RANDALL'S SPEECH UPON TAKING THE CHAIR.

The South Carolina and Louisiana Contestants Stood Aside

The New Appointments Under the House, &c.

WASHINGTON, October 15.—The galleries are crowded. Stephens is in his seat. It is expected that the Republicans will attack Clerk Adams' roll, and that the organization will be delayed until 3 or 4 o'clock.

Large bouquets are on Conkling's and Blaine's desks. The Republican caucus nominated Garfield for Speaker, and Horace Harrison, of Tennessee, for doorkeeper—the only Southerner on the ticket.

WASHINGTON, Oct. 15.—Clerk Adams, in explaining the roll as regards Louisiana, said he had three sets, one from McEnery, one from Kellogg, and one from Nichols. The two first had been defeated in Louisiana, and he had adopted the certificates issued by Gov. Nichols, and the roll call is proceeding without question, but the Republican caucus resolved to make their questions when the members were being sworn in, and appointed Garfield, Butler of Massachusetts, and three others a committee to manage their objections.

There was a huge bouquet on Butler's desk!

Clerk Adams having reached Colorado, Mr. Hale sent a motion to the desk. Wood objected that no motion could be entertained until the clerk announced a quorum. The clerk announced a quorum, when Wood moved to proceed to the election of a Speaker, and demanded the previous question. Adams ruled that the roll cannot be amended until after the election of a Speaker, and entertains a motion to proceed with the election, on which an appeal is made and the vote is progressing.

LATER.—It is decided to elect a Speaker before pruning the roll. Some finibustering is progressing.

The only Senators absent were Morton, of Indiana, and McMillan, of Minnesota. The Senate adjourned until to-morrow.

NIGHT DISPATCHES.

S. K. Donovan, of Ohio, has been appointed assistant doorkeeper. The Senate Republican caucus will be held to-morrow to consider the Louisiana and South Carolina Senatorial representations. The Democratic Senators also held a preliminary caucus, but there was no action.

House.—The vote for Speaker stood as follows: Randall, 149; Garfield, 132. The iron-clad oath was administered, and Mr. Randall, on taking the chair, said:

"Gentlemen of the House of Representatives:

"Elevated, for the second time, by your generosity, to the exalted dignity of Speaker of the House, I thank you with a grateful heart. I shall endeavor, with even temper and rigid firmness, to perform the duties of the office, and respond adequately to the confidence reposed in me by conforming to the will of the House, and permanent policy looking to the complete performance and the advancement of all constitutional methods, for the general public welfare; and it should be your sacred duty to provide legislation which will render impossible a repetition of the wrongs which have occurred and of the dangers which have threatened us.

"I assure you I will take no step backward in the work of retrenchment and reform so auspiciously begun by the last House, under a mature and definite plan of reduction of the expenses of the government. It is certain that a still greater reduction can be made without impairing the efficiency of the administration. To have an honest administration, it should be frugal. Never before was it more urgent than now. With the general financial distress, and labor depressed, when the iron will of hard necessity darkens every house in the land, extravagance on the part of the people's servants would be an unpardonable crime. It is partly because this wholesome policy was so faithfully carried out that I am permitted to speak from this place.

"Hoping that confidence and respect will subsist between the House and its presiding officer, I am now ready to take the oath prescribed by law." (Applause.)

Objections were made to the swearing in of Cain, of Maine, of South Carolina, Darrell, Elam and Robertson, of Louisiana, and Pacheco, of California, and these members were requested to stand aside. All the other members and delegates were then sworn in. The organization of the House was completed by the election in one resolution, of Geo. M. Adams, of Kentucky, as Clerk, John G. Thompson, of Ohio, as sergeant-at-arms, John W. Polk, of Missouri, as doorkeeper, James M. Stewart, of Virginia, as postmaster,

and Rev. Dr. John Peisel, of Maryland, as chaplain. The drawing of the seats of members was then proceeded with, the questions as to the swearing in of the members objected to being put off till to-morrow.

Judge J. J. Noah was made clerk of the Senate committee on Military Affairs, whereof Spencer was chairman. It is intimated that Senator Spencer will act with Conkling.

It is understood that the Secretary of War will estimate \$2,000,000 for fortifications, and \$13,000,000 for rivers and harbors in his estimates for the fiscal year, ending 1878. The secretary merely submits these figures without recommendation.

THE FRENCH ELECTIONS.

The Republicans Experience Great Losses, but are Successful

PARIS, October 14.—Midnight.—The elections have been tranquil so far. Eighty-seven Republicans and twenty-four official candidates are known to be elected. The following have been successful: Jules Grevy, moderate Republican, ex-President of the Chamber of Deputies, from the 9th arrondissement of Paris, deceased; Albert Grevy, moderate Republican, from 4th arrondissement of Besancon; Leon Gambetta, Republican, from the 20th arrondissement of Paris; M. Bonnet Duverrier, now in prison for libelling President MacMahon, in the 17th arrondissement of Paris, moderate Republican.

PARIS, October 15, 8 A. M.—One hundred and sixty results are now known; 107 Republicans and 47 Conservatives have been elected. Of the Republicans, 102 belong to the 363 who voted the order day censuring the dissolution. Gambetta was elected by 13,812 votes against his opponent, 1,611.

PARIS, 15, 3 50 A. M.—161 Republicans and 77 Conservatives were elected. In four cases a second ballot will be necessary. The Republicans have lost twenty-four seats formerly occupied by them, and the Conservatives ten.

PARIS, October 15, 10.30.—375 arrondissements return 248 Republicans, and 117 MacMahonites. A second ballot is required in eight cases. The Republicans lose 30 seats, but gain 14.

LATER.

PARIS, October 15.—284 Republicans and 195 Conservatives were elected out of 490 arrondissements. In eleven cases second balloting will be necessary. The result in ten of these is expected to be favorable to the Conservatives.

FROM WASHINGTON.

Louisiana Affairs—Nominations—Reported Irregularities in the Election of Clerk of the House.

WASHINGTON, Oct. 15.—Louisiana is very heavily represented here. It is whispered that ex-President pro tem Ferry and Senator Christianity will not support King for collector.

McMillan's nomination as pension agent will be among the first to go in. There will be no opposition to him. His commission was signed Saturday, and if the President's intentions have been carried out he has relieved the special agent in charge of the office.

Caldwell's friends, according to Northern specials, are claiming irregularities in the ballot for clerk, and suggest the postponement of a vote in the House, pending another meeting of the caucus which is possible but not probable.

The cabinet held an extra session to-day to consider appointments. No new ones were made, but it was stated that the changes already made would be sent to the Senate for confirmation. Gen Polk telegraphs that three chiefs and 187 Apaches have surrendered.

No important Southern decisions in the Supreme Court to-day.

TEXAS.

Serious Disturbances—Mob Law Prevaling.

SAN FRANCISCO, Cal., Oct. 15.—Advices from El Paso, Tex., show a most serious and threatening state of affairs. The entire lower portion of El Paso county is in the possession of a mob, and the Americans throughout the county have abandoned their homes and fled to El Paso for safety. Judge Howard, who killed Louis Cardiz at El Paso on the 10th inst., succeeded in making his escape to Mexico, where he still remains. Cardiz is said to have been the leader of the mob, who are all the more desperate and threatening in consequence of his death. The sheriff of El Paso is also at Mesilla, but refuses to return with Howard, as the latter would be killed immediately by the mob, while the sheriff himself will be killed if he dares to return without Howard. Lieutenant Payne, who is in charge of the detachment of troops, says four companies will be required to suppress the mob. A large number of outlaws have encamped near the county seat. They have declared that they will fight the troops if the latter attempt to make arrests. Judge Blaker is en route from Fort Davis with troops to restore order.

Cigar Makers on a Big Strike.

NEW YORK, October 15.—The strike of cigar makers is spreading, and to-day 800 employed by Krebs & Shiesh demanded an increase of wages, and being refused, struck in a body. There are now over 4,000 persons on the strike.

School of Sisters.

BALTIMORE, October 15.—Thirty-six young ladies from Baltimore, Philadelphia, New York, Rochester, Newark, New Orleans, Chicago and a number of other places, received the habit of the order of the "School Sisters" of Notre Dame, at St James church this morning. The ceremony of reception was witnessed by a large congregation, including a large number of friends and relatives of the postulants.

Consumption of the lung tissues must steadily increase by the retention of the foul corruption. Dr. Bull's Cough Syrup, promotes an expectoration, and gives relief to those suffering with consumption.

The Great Bank Failure.

LONDON, Oct. 15.—A Berlin special to the Times says that the total losses by the failure of the Rittcherhaffische bank of Stettin will probably amount to over 15,000,000 marks. The National bank is actively assisting some of the officers involved, so as to prevent an extension of the calamity.

An Ex-Assistant Attorney-General Missing.

MILWAUKEE, Mich., Oct. 15.—J. M. Brinkley, assistant Attorney-General under Johnson, has disappeared mysteriously. He showed symptoms of mental disturbance for several days.

Women dispute about other matters, but all agree on the merits of Lookey's Yeast Food as per excellence the best of all. Grocers throughout the country keep it, and find it gives supreme satisfaction. By using it the housewife is sure of delicious bread, rusk, rolls, biscuit, buckwheat cakes and all the delicacies made from flour.

Shutting Out the Enemy.

It is better to shut out the enemy, disease, than to battle with him after he has entered the fortress of the body. Therefore, if health is endangered by hurtful influences, such as a malarious atmosphere, unhealthy occupation, sedentary pursuits, and those which necessitate undue physical or mental strain or exposure in rough weather, it is the part of wisdom to protect it by the use of a reliable preventive. No article sold advertised or prescribed is so well adapted for this purpose as Hostetter's Stomach Bitters, an agreeable and efficacious tonic, recommended by physicians as a medicinal stimulant and a corrective tonic in its derivation, and having for its spirituous basis oil of the purest quality, which preserves in an undeteriorated form the potent vegetable juices and extracts combined with it. Fortified with this benign preventive, the system may bid defiance to disease, no matter how unfavorable the conditions.

Now and Then.

It is only now and then that such men as Hon. Alex. H. Stephens, Ex-Gov. Smith and Ex-Gov. Brown, of Ga., endorse a medicine for the throat and lungs, and when they do it is pretty good evidence that the remedy must be good for the cure of coughs, colds and lung affections. They recommend the Globe Flower Syrup, and their testimonials are to be seen around the ten-cent sample bottles of the Globe Flower Syrup, for sale by all druggists in Charlotte. A sample bottle relieves the worst cough and will cure sore throat. Regular size bottles, fifty doses, \$1.
