TELEGRAPHIC NEWS.

THE NATIONAL CAPITAL.

The Senate still on the Louisiana Business—Who will go in?—The Georgia Marshals.

General News and Notes.

WASHINGTON, October 19.—Mr Stephens has no doubt that a Democrat, or at least a gentleman who voted against Hayes, will eventually have the Georgia marshalship. It is ill-naturedly intimated that the appointment is held in abeyance because it gratifies the President to have Gordon, Stephens and Hill visit him occasionally.

Senate.—During the morning hour, a number of bills were introduced, among them one by Mr Merrimon, of North Carolina, to amend section 146, of the revised statutes, relating to vacancies in the offices of President and Vice President.

At the expiration of the morning hour, the Senate resumed the consideration of the resolution submitted by Mr Thurman, yesterday, to discharge the committee on Privileges and Elections from the further consideration of the credentials of J. E. Eustis, as United States Senator from the State of Louisiana.

After long debate Mr Thurman withdrew his motion to discharge the committee on Privileges and Elections from the further consideration of the credentials of Mr Eustis, of Louisiana. He disclaimed any intention of reflecting upon the committee on Privileges and Elections by his motion to have that committee discharged from the further consideration of Mr Eustis's credentials.

GENERAL WASHINGTON DISPATCHES. The President has appointed Col. O. P. Fitzsimmons, of Augusta, Ga., marshal for the State, vice Maj. Smythe.

The Comptroller decides that the members of Congress are not entitled to mileage for the extra session. Senate.—The committee on Privileges and Elections met to-day and unanimously agreed to take up and report upon the Louisiana Senatorial question without any delay.

Professor Henry has issued a call for a meeting of the National Academy of Sciences, to be held at Columbia College on Tuesday next.

FRENCH AFFAIRS.

The Excitement Continues—MacMahon's Opinion Concerning the Troubles.

LONDON, Oct 19.—A Paris dispatch says that all who approach the official spheres exclaim, "They are mad." "They have lost their heads," "They are dreaming of a state of seige, of a fresh dissolution, of a dictatorship, of a plebiscite, of more energetically managed elections, and of the so-called safety of the country at any price."

Tammany Democrats and President Hayes.

New York, Oct 19.—The Tammany County Convention nominated Judge Brady who had already been nominated by both Tammany and the Republicans.

GIGANTIC SWINDLE.

How a Set of Men Forged Deeds to Texas Lands, and Made Money.

KANSAS CITY, Mo., October 19.—A gigantic swindle was brought to light yesterday. J. R. Hall, Edward L. Stevens and Geo. W. Miller, were arrested on a requisition from Governor Hubbard, of Texas, charged with forging land titles and securing fraudulent signatures for large tracts of land in Texas.

In order to better secure the success of these plans, Hall and his confederates caused to be made duplicate copies of notaries and other seals, and procured specimens of the signatures of numerous State officials of Texas. They also caused to be printed blank forms, and exact copies of deeds necessary for their transactions. All titles and patents used by them, and representing either the general government or the State lands, were forged.

THE WAR.

Effect of the Moukhtar Pasha Defeat.

LONDON, October 19.—It is rumored that the assault on Plevna commenced Thursday.

It is stated that material for the Russian huts, contracted for in England is detained as contraband of war. ST. PETERSBURG, October 19.—The Galois publishes a special from Igdyr, dated October 17th, which says: "On receiving the information of Moukhtar Pasha's defeat, Ismail Pasha withdrew from the neighborhood of Igdyr, to the belief he is on the point of completely evacuating our territory."

Rioters Before the Courts.

READING, Oct 19.—The jury in the cases of the Sunday night rioters of July last, on the opening of the court this morning, returned a verdict of not guilty, as to all the defendants, except George Goodheart, who was found guilty of inciting the riot. The jury retired at 1 o'clock in the afternoon and came to an agreement at 6 o'clock this morning.

The Irrepressible Chinaman Always on Hand.

NEW YORK, October 19.—Rumors that Chinamen were to take the places of some of the striking cigar-makers, created great excitement among the latter yesterday. One Boes says that 200 Chinese workmen have been offered to him from San Francisco, and that he has the subject under consideration.

Another Charlie Ross.

RICHMOND, IND., October 19.—John Eddy Moffit, aged 7 years, adopted by a wealthy Quaker, three years ago, was kidnapped Wednesday afternoon by two gypsies, but was recovered. His abductors claim that the boy is Charles Ross, while others scout the story.

Another Savings Bank Suspended.

CHICAGO, October 19.—The Home Savings Bank at Elgin has suspended. The deposits aggregate \$60,000, and the assets \$100,000.

Happiness and prosperity are so indissolubly linked with good health, that all those suffering with hoarseness, coughs, colds, etc., should try Dr Bull's Cough Syrup and be cured. Price 25 cents.

The Duty of Woman.

To be attractive is a duty which every lady owes to herself, to her domestic circle, and to society. Not only should she endeavor to please in address and in apparel, but, whenever possible, in complexion and in features as well. Facial embellishment is to a lady as proper, and oftentimes as necessary, as the ornaments of her raiment.

Woolen Mills Burned.

Oswego, October 19.—The Oswego Falls Woolen Mills, near Fulton, were partially burned last night. A large quantity of valuable machinery, wool and finished clothes, was destroyed. Loss \$100,000; fully insured.

Dime Savings.

Housekeepers who study economy in small things should use Dooley's Yeast Powder, the best, because perfectly pure; the cheapest, as every package is full weight.
