NIGHT DISPATCHES. The Star says it is stated that Hon Stanley Matthews has sent the amount of his bill at Wormley's Hotel to Mr Chandler.

Secretary Thompson and Attorney General Devens left to-night for Morton's funeral.

An early adjournment of the special session is highly improbable.

INDIANAPOLIS, Nov 3.—All railroads will run excursion trains on Sunday, on which day Senator Morton's remains will lie in state.

INDIANAPOLIS, Nov 3.—The wife of Stephen May, of Mechanicville, stole out of her house, while her husband was sleeping, taking with her four of their children, aged one and a half, four, six and nine years, respectively, threw them into a deep, swift running creek, in the rear of the premises, and jumped in herself. The oldest child managed to reach the shore and gave the alarm. The mother and one child were rescued. The bodies of the two others were found an hour afterwards.

WASHINGTON, N. C., Nov 3.—Nathan P Overton, white, aged 36, and Noah Taylor, colored, aged 34, were yesterday executed in the jail yard here, for the murder, two years ago, of Wm Grimes.

BOSTON, Nov 3.—E. H. Higwood, prominently known as a leader in freeloivism in this State, has been arrested on the charge of circulating obscene literature. He was bailed in \$15,000.

THE WAR. 70,000 Russians to Cross the Balkans—The King of Abyssinia Invade Egypt.

LONDON, November 3.—A Bucharest dispatch says it is reported that the Russians are forming an army of 70,000 men with which it is designed to cross the Balkans and advance upon Adrianople without waiting for the fall of Plevna.

CONSTANTINOPLE, November 3.—The Porte has issued to the populace an official assurance that Plevna is amply provisioned, and can hold out for months.

LONDON, November 3.—A special dispatch to the Daily News from Alexandria, says the King of Abyssinia again threatens to invade Egypt with 120,000 men.

THE TIMES' Vienna correspondent telegraphs as follows: "It is said that there are still from 25,000 to 30,000 regular troops in and about Constantinople. The council of war has ordered these troops to start immediately for Orhanie and Sofia to relieve Osman Pasha."

Chevet Pasha occupies a position commanding the junction of the Orhanie and Plevna and the Orhanie and Lovat's roads.

The Russian advance has been repulsed with a heavy loss. Reinforcements are arriving rapidly. An attempt to retake Teliche will be made immediately.

A dispatch from Sofia to the Daily Telegraph, dated Thursday, says: "Fighting continues on the Orhanie and Plevna roads."

SUBBURY, MASS., November 3.—The Acton powder mill exploded this morning.

PURSUING THE THIEVES.

The Trial of Ex-Treasurer Cardozo, of South Carolina.

COLUMBIA, S. C., Nov 3.—Testimony in the Cardozo trial was finished late this evening. The defendant was rigidly cross-examined this morning, and among other things testified that Hardy Solomon had offered him a bribe of \$5,000, when visiting his private office about certain fraudulent claims amounting to \$20,000.

Solomon contradicted this statement, and alleged that he had given Cardozo \$8,000 or \$4,000 as part of the fraudulent claims substituted in this transaction.

Solomon's cashier, Sealey, testified that when he presented the claims, Cardozo's clerk demurred to the payment, when Cardozo told him to pay the demand, and that it was none of his business.

Sealey is a respectable Democrat, and his evidence on this point is damaging to the defendant. The counsel for the defendant subsequently admitted the substitution of the fraudulent claims. The argument of the counsel will begin Monday. The jury is kept together and guarded every night.

IN HONOR OF MORTON.

The Great Respect Shown to the Memory of the Late Senator.

INDIANAPOLIS, Nov 3.—All railroads will run excursion trains on Sunday, on which day Senator Morton's remains will lie in state.

The sorrow is universal and messages of condolence have reached the Senator's family from all sections and from all parties, among them the following:

WASHINGTON, Nov 3, 1877. To Col Holloway— Indianapolis, Ind: I desire, through you, to offer to Goy Morton's widow and family my warmest sympathy in their great affliction.

Among the general and sincere manifestations of sorrow at the public loss of which none can be more sensible than myself, my long friendship for Governor Morton makes me wish to be counted among those who feel in his death the grief of a personal bereavement.

A Mother Attempts to Drown Herself and Four Children.

TEOY, N. Y., Nov 3.—The wife of Stephen May, of Mechanicville, stole out of her house, while her husband was sleeping, taking with her four of their children, aged one and a half, four, six and nine years, respectively, threw them into a deep, swift running creek, in the rear of the premises, and jumped in herself. Circulating Obscene Literature.

BOSTON, Nov 3.—E. H. Higwood, prominently known as a leader in freeloivism in this State, has been arrested on the charge of circulating obscene literature. He was bailed in \$15,000.

The thoughtfulness of people is so great in regard to watchfulness against colds, etc. that we are not for the wonderful curative power of Dr. Bull's Cough Syrup, we should shudder at the fate of such.

A Very Good Reason.

The reason why only one sample bottle of Merrell's Hepatine for the Liver will be sold to the same person, for ten cents, by our druggists in Charlotte, is because of the enormous expense of importing the Hepatine into this country, but as there are fifty doses in the large size bottles, it seems two cents a dose is cheap enough for a medicine that cures dyspepsia and liver complaint. All who have not had a sample bottle are entitled to one for ten cents at all druggists. Three doses relieve any case of dyspepsia, constipation, indigestion or liver complaint in the world. Regular \$25 bottles, fifty doses \$1.

A CARD.
