WASHINGTON, NOV 19,-SENATE-During the morning hour, a number of bills were introduced and referred to appropriate committees, most of them being of a private character.

LONDON, November 19.—The Daily News' Veran Kalen special says Kars was captured by about 15,000 Russians, who climbed the steep rocks, ramparts and walls, and stormed an equal number of desperately fighting Turks in a headlong flight over their ditches and parapets, compelling them to die or surrender. The escalade had been originally fixed for the 13th, but was postponed owing to bad weather. The principal attack was made on the southern forts. General Lazeroff com-nianded the right wing, consisting of the 40th division, and attacked Hafiz Basha, a fort crowning a steep, rocky height. The reason why only one sample bottle of Merrell's Hepatine for the Liver will be sold to the same person, for ten cents, by our druggists, in ( harlotte, is because of the enormous expense of importing the Hepatine into this country, but as there are fifty doses in the large size bottles, it seems two cents a dose is cheap enough for a medicine that cures dyspepsia and liver comp.aint.
