NIGHT DISPATCHES, Mr Corbin has notified the Senate committee on Privileges and Elections that ex-Gov Chamberlain will appear before the committee in support of his claims to a seat in the Senate.

It is almost certain that Judge Davis will vote with the Democrats and Mr Christiancy with his party on the nom-ination of Col Fitzsimmons for marshal of Georgia, and that the report of the committee will be adverse.

The contemplated caucus of the Democratic Senators was not held to day, partly on account of the bad weather and partly because there was no important matter for consideration. It still appears that both parties consider the seats in the Senate judicial questions and beyond caucus control.

Commissioner Williamson, of the General Land Office, is advised by Special Agent Carter, from Pensacola, that the United States marshal has regained possession of the logs, lumber and naval stores recently wrested from him by the United States district judge, Hill.
