## DON'T DELAY

Such an opportunity for INVESTING has never before een presented and CAN NEVER COME AGAIN

The largest stock of Clothing in the South at a crushing sacrifice, at sweeping, clearing, closing out prices.

We have been universally and cordially pronounced the Leaders of Low Prices. Our market figures have been based upon a very small margin of profit and in comparing the original price with the reduction, all in prominent, figures, will be perceived that we are with One Resolute Accord, Determined to wind up our business-to close out our stock at tremendous sacrifice-under

## SLAUGHTERED PRICES.

For the past ten days our sales approxi mate an average of

## One Thousand Dollars

day, and of course at this rate any stock must surrender to a final void.

To our friends we tender a special reminder to call early in the day to avoid the crowded gushing rush and confusion which would naturally prevent your securing attention to those grand special bargains in the different lines and branches of our stock. We will take pleasure in showing you tempting bargains which when gone can never be replaced for twice the nominal value to which we have reduced them in our first and last sad closing out sale at Mournful Prices.
