"Free from the doting scruples that fetter our

free-born reason."

CONCILIATORY SENTIMENTS.

How our Northern brethren love us has been fully exemplified during the discussion of the silver bill which has ears have been cut off for opinion's ed the air with vulgar menace and sake has been so far below the average, that our "friends the enemy" had ac- be kicked and cursed as poor Cuffee cumulated a large amount of bile in was. There is a limit even to the their systems when this financial conhave been alternately advised, cajoled and blackguarded. The New York acteristic and it has stood ready with this at all times, even to the exclusion which the exigencies of the case have demanded of it. In the extract below, bake. It is speaking of propositions by various boards of trade in Southern "walked under their huge legs building that is going on at the prescities to commission Senator Gordon, and crept about" because they ent time. Land has been bought for of Georgia, to go to Europe next sumadvantanges offered by Southern investments, when it says:

estly to pay their debts no part of them cannot hope to borrow.

blasted reputations, and grown to strength by dishonorable practicies, purchasable by any man or for any cause, the pimp for any one who will pay for its fiver we insist that it doesn't lie in its noute to advise a people as honest asthey are chivalrous as to what is public honor or personal good faith.

owned and controlled unfortunately for the people, by their enemies, the bondholders-this New York Mail says :

It is a fact singular and startling, that the South has never yet failed to do precisely the worst thing possible for herself, when left to herself. However bold and daring the sons of the Sunny South may be in riding at india rubber teething rings with fish poles for lances, in the chivalric pastime which they call tournaments, and how-ever skillful and nervy they may be in the equally chivairic game of draw poker, they have never yet showed any especial skill in the more dull and prosy game of finance. Probably they have souls above dollars, which was all well enough when they had "niggers"

money now, and the white sons of the Sunny South are not fulfilling the primal curse of labor by proxy. * * *

If the South had a particle of sense she would turn a deaf ear to the entreaties of the West, and go the short-

tries," will find out when he goes to foreign capitalists to borrow money for necessary improvements, after this mated ()

of finances just now; this "swindling Record. scheme" has, happily, been "consummated," thanks to such insane rayings as the above, and we are done with the silver bill for the present; but we point to this paragraph as one of the methods of "conciliation" which have been tried upon us. Our Northern brethren fill their papers with such mad calumny as this and conclude by wondering why | ing in regard to the House bill for the it is that the South will not be concili- repeal of the resumption act. It will, ated! We are well enough in an insignificant way so long as we submit to

Northern dictation and place ourselves larger vote could now be obtained. Northern dictation and place ourselves at the beck and call of every advocate of every scheme which has a personal end in view or the benefit of the few rich by the oppression of the many rich by the oppression of the many making financial changes. On the of money. Following that he went tortures rheumstism inflicts, and what poor; but once let a Southern man run counter to these patriots, let him evolve sentiments of his own and show temerity enough to express them, and the above is a specimen of the conciliatory bricks which are hurled at him and his

section.

The initial extract which we present is from ring upon this subject, is from the New York Tribune of a recent date. It is headed "Plantation Debates." and we extract copiously from it:

The stories that are told by various newspaper correspondents of the last hours of the Senate debate on the bill to chest creditors carry us back to a time before the war, which no respectable American remembers without a blush. In that barbarous and riotous but that a large majority would sustain the pardon, which, it is believed in influential circles, will be granted. hours of the Senate depart on the Senate depart on the Senate depart on the Senate departs of the Senate departs of the Senate Senate departs of the Senate departs of the Senate Senate

and duels, and never went to the capi-tel without a loaded pistol in his hippocket, we were accustomed to strange spectacles within the chambers of legislation. A different class of gentlemen The Hotel Business-The Weathercame into the Senate and the House when our seceding friends marched out, and different behavior prevailed. But when the old slave drivers come back, they seem to be bringing their

bad old manners with them.

We had an astonishing illustration of their hectoring and blustering spirit the other day when they made their indecent attack upon the United States Military Academy. The incidents of that occurrence are still fresh in the memory of the public, and the loyal people will not soon forget the specta-cle, never paralleled, we believe, in the nistory of a constitutional State, of defeated rebels who have not only been pardoned, but restored to political power by the clemency of their outraged government, making quick use of their newly regained privileges to destroy the staunch little army

which whipped them into submission. They boasted of their rebellious feats of arms. They strode fiercely back just become a law. The number of ing the names of their insurgent leadnegroes killed since the last Presidential ers. And when the North stood up election has been so insignificant, and against them, they cracked the slave the number of white Republicans whose whip as they used to do of old, and fills
