The Proposed Sunday School Convention.

The organization of a county Sunday

school convention is a step in the right direction. It may be well to appoint

the first one at some country church, for you will have a more attentive congregation and do more good for the cause than if it were held in town.

Hold it two days, beginning at 9 a m,

and running till 5 p m, with an inter-

mission for dinner. Prepare your pro-

gramme and assign your speakers at least a month beforehand. Do not

have any long, doleful speeches. Do

not let two or three men do all the

talking. Discuss the details of the work. Get the plans of your best

teachers and superintendents brought out clearly before the people. Go to work earnestly and make your first

convention a success, and you will not
