# Reduction of Prices.

Having purchased the entire stock of goods of the above firm, we desire to reduce the stock as low as possible by September 1st, and in order to do so will offer extraordinary bargains until that time. Our Bargain Counter will be replenished every day with goods at prices that cannot fail to attract attention. It is our purpose to purchase, as nearly as possible, an entirely new stock this fall, and in order to do so, will close out as much of the present stock as possible, to make room for it. We thank a generous public for the liberal patronage given to the old firm, and earnestly desire all of our old customers to continue their business relations with us. We invite the retail trade to call and see us, and if a well assorted stock of goods at low prices, polite attention and energy are worth anything, we are determined to merit the public patronage.
