Secret of a Fair Face.

An Item of Interest to Every Lady who Desires to be More Beautiful than she now i.

Unfortunately not one woman in a bundred, subjected to the whims of an American climate possesses that basis and starting point of real beauty—a

What nature has thus denied, art must be called It can be done; it is done daily. Prof. W. E. Hagan placed beauty within the reach of every unblessed daughter of Eve when he discovered that surprising article known in fashionable circles as the true secret of beauty, and called

The Magnotia Balm is a sure device for creating pure and blooming complexion. It conceals all natural blemishes in the most sur-prising and effective manner.

It removes all roughness, cruptions, redness, blotches, freekles, and tan with magical power. It drives away all evidences of fatigue and ex-It makes the plainest face beautiful.

It gives the complexion a dazzling purity and makes the neck, face, and arms appear graceful, rotund, and plump. It makes a matron of 35 or 40 look not more than 20 years old, and changes the rustic maiden into a cultivated city belle.

The Magnolia Balm removes all blemishes and conceals every drawback to beauty; and, while it is as harmless as water, it is so life-like in its effects that the closest observer cannot detect its use. Ladies who want to make themselves attractive can make an absolute certainty of it by using Hagan's MagnoLia Balm, and we know of no other way. It is the cheapest preparation in the world, all things considered, and may be had at any drug
