

THURSDAY, SEPT 12, 1878.

"Free from the doting scruples that fetter our free-born reason."

OUR CONGRESSIONAL TICKET.

SIXTH DISTRICT : WALTER L. STEELE, of Richmond

ELECTION, TUESDAY, NOVEMBER 5TH. POWERS OF GOVERNMENT AND POWERS O

Congressman Ellis, of Louisiana, though a Democratic adherent of a is the Communist platform: school distinguished for its stringent notions of the limited powers of the national government, is not ashamed to ask relief at the hands of the Washton authorities for the destitute and suffering under the ravages of the yellow fever epidemic. This is the course manity and of true statesmanship. Ade perfect equality among men. gives no sanction to the solicited relief. Admit that practice to the contrary,

for argument's sake let them be con- stroy. ceded. But here is one of those supreme, tragic emergencies in which the universal conscience has always found a sufficient charter for all practi- humanity. cable messures of remedy or alleyiation. Here is pestilence in grim coalition with famine. The leagued horrors sweep from the seaboard to the far interior. They lay cities waste. They invade the heart of the continent and fill the land with bereavement and ranged. The desolation spreads from longing of the actual state of misery Specht, Sr. Gen Luke E Wright. Major State to State. In every sense the ca- and an adjournment of the Commune. William Willis, of the citizens' relief lamity is not merely local, but national. And shall it be said that a national government, intrusted with the common defense and general welfare—a ever price, political power, which alone raised will be not less national government, expressly charg— can establish the dictature of the pro- \$10,000, and possibly much more. ed with the power to protect each State and all the States against invasion from without or destructive commotion within-a national government which is supreme in the question of peace or war, in the regulation of fordisburses a revenue of three hundred millions and can raise armies and borrow money at discretion-shall it be said that such a government is incapable of raising a finger for relief when bourgeoisie—the best arms for defense against the aggressions and ambushes of its servants—are reprisals, the revery touch of humanity? Shall it be lentless immolation of all our enemies.

Wm Welsh.

NEW ORLEANS, Sept. 11—The weather to-day has been cloudy, cool and windy. There are 253 new cases and lentless immolation of all our enemies. said that this government, which in with consistency, propriety and public with the last priest will disappear of Commerce committee to day transflictions which utterly baffle the efforts and resources of local authority and powers of the national government to combat the powers of pestilence, even though continental in its progress or
