A Norwich tenant had been importuned so frein the market A Norwich tenant had been importuned so re-quently for his rent, that in a climax of exaspera-tion the other day, he turned on the landlord with the cogent and conclusive retort: "Now, you need-n't put on so many airs, old man. Why I owe ed that Cornelius should always be con-fortable, he had resolved that at his death, Cornelius J. should have no for-tune to spend. He said that at his death he expected that William H. and his two sons would perpetuate the name and honor of his family; that he had nough in this town to buy up all your old houses. -Boston Globe. A farmer at Ulverstone, England, gave a lift home from market to a neighbor and her three children. For this kindly act he was arrested, on the ground that he had violated the law, which licensed his cart to carry only merchandise, and a reluctant judge was compelled to fine him heavily. specially tested young Cornelius, whom he had placed in a position where he would be tried, and no favors would be War, Famine and Pestilence Ahead. shown him and he could ascertain what sort of stuff he was made of." According to the Science of Health, "To whom did he refer as young Cora medical journal, the ensuing seven nelius?" "He said his 'Billy's Cornelius.' He told me he expected William and his two boys would perpetuate his name." years will be a period of war, famine and pestilence upon the face of the earth, superinduced by celestial causes. It is noted that the period of woe unto "Did he name the names of the two mankind has already set in, as witness the recent famines in China and India, the phenomenal tidal waves and marine boys?" "Only one; Billy's Cornelius. First he said two boys, and then Billy's Corearthquakes in the South Pacific, the nelius. He said his own Cornelius had ominous muttering of wars and rumors of wars in Europe and Asia, the yellow given him a great deal of sorrow, but that he had compassion for him, and fever epidemic in our own country, and the skeleton footprints of cholera adhe hardly considered him responsible. He said, also, that the greatest comfort vancing westward across the North African deserts. The cause of these alarming disturbances in the physical and happiness and peace of his life had been derived from his second marriage; that his wife had, since her entrance world is stated by the *Science of Health* into the family, been the pacificator and to be the approaching simultaneous perihelion of the four largest planets of and himself, and when he had refused our solar system, Jupiter, Saturn, Ura-nus and Neptune. During the terrestial returned them unread, Cornelius J. returned them unread, Cornelius J. prevailed upon Mrs. Vanderbilt to read year of 1880-81, these four planets will T. L. SEIGLE, make their nearest approach to the sun them, or repeat their contents, and that all at once, and it is predicted that the she had done so sometimes standing beresult will be a serious modification of the atmospheric and organic conditions his son Cornelius' letters before he was of our globe. aware of her intentions, and that she NEW GOODS ! had specially mediated between them, and endeavored to bring about more harmonious relations, but he had told Unwarranted Action of a Railroad Conductor. her that she did not know Cornelius. [Petersburg Index-Appeal.] I remember especially when he said Yesterday morning, at Weldon, a small country boy, in attendance at the that the beautiful consistency of his wife's Christian character had done fair, mistook the regular train from Weldon to Wilmington for the accom-modation train which plies between Weldon and the fair grounds. The mistake was very natural, as both trains more to draw him to religion than all the churches he had ever been in or all the sermons that ever had been deliver-ed; that he had watched her consistent Christian home life day by day, and left about the same time and over the that while he was very fond of Dr. Deems, and admired him, and liked to same road. As soon as the train got well under way, the conductor in charge see him around, his wife's beautiful of it finding the boy with the wrong ticket threw him forcibly from the train consistency of character had influenced him far more in favor of religion than any sermons to which he had ever lis-tened. He said that in the course of while it was still in full motion In falling from the train the boy was very severely injured, his face being badly severely injured, his face being badly bruised and the skin torn from his hands, besides having an arm broken and other hurts. We do not know whether any action will be taken against the railroad official or not, but such conduct should receive the atten-tion of the law officers his long life and career, that involved the knowledge of a great variety of character, he had found her the purest and noblest woman that he ever saw, and that she had commanded from him a reverence that no other human being ever did." tion of the law officers. Death of Hon. Hugh Waddell. Financial Prospects of the Young Men's Christian Association. [Wilmington Review, 2nd.] We regret to learn of the death in [Washington Post.] this city, about 12 o'clock this morning, of Hon. Hugh Waddell, the father of The financial affairs of the Y. M. C. A., which have been in rather a discourour distinguished representative in Congress. Mr. Waddell was born in Bladen county, on the 21st of March, 1799, and was therefore in the 80th year aging condition, are now steadily improving, through the energetic efforts of the members and friends. Mr. T. K. -Cree, a member of the executive comof his age. He graduated at Chapel mittee of the international Y. M. C. A., and a former resident of this city, has and life in. Hill in 1818, read law and was licensed to practice in 1823. He married in 1824, Susan Moore, daughter of Hon. Alfred Moore, and then settled in Hillsboro been lending his energetic aid in secur-ing funds, and so successful have been the efforts that the entire indebtedness of the association, amounting to \$1,000, has been guaranteed. An attempt is now being made to secure guarantees BOOTS AND SHOES sufficient to pay a salary of \$1,500 to a that county for thirteen years, and was sufficient to pay a salary of \$1,500 to a general secretary, as this office has been vacant since the resignation of Mr. War-ren Choate in July last. As soon as this can be accomplished, an energetic
