"If you don't know enough to behave

yourself I will strike the case off the calendar." The count replied, "I have

as much right to my title of count as you have to your title of judge." Thereupon Judge Van Brunt struck the case off the calendar.

appropriation, but they want an item-

ized account of the money which has

already been expended. The committee, it is said, have in their possession a lot of Republican cipher telegrams which will be brought out in due time.

The sub-committee which went to New Orleans last summer will be dispatched again to that point.
