CASHMERES AND ALPACAS, Dec. 3d, at Charlotte Gen. Greene OBSERVATIONS. Mr. H. R. Stevens: Dear Sir—Fifteen years ago last fall I was taken sick with rheumatism, was unable to move until the next April. From that time until three years ago this fall I suffered everything with rheumatism. So metimes there would be weeks at a time that I could not step one step; these attacks were quite often. I suffered everything that a man could. Over three years ago last spring I commenced taking VEGETINE and followed it up until I had taken seven bottles; have had no rheumatism since that time. I always advise every one that is troubled with rheumatism to try VEGETINE, and not suffer for years as I have done. This statement is gratuitous as far as Mr. Stevens is concerned.
