After five months of experience, we have decided to cancel the rule. Double column advertisements necessitate the cutting of column rules, and these will be charged twenty-five per cent. more than our regular rates, and will only be inserted on the first and fourth pages of the paper. The recent changes in the ar-rival and departure of mails, make it necessary that changes in contract advertisements be sent in by three o'clock in the afternoon.

## HOME PENCILINGS.

Lent begins a week from yesterday New moon this evening at 10 o'clock and 48 minutes.

There is not so much as the faintest indication of an approaching show.

Only one bar-room in Charlotte remains open all night long.

The court house was filled with colored loungers nearly all day yesterday. The drummers are thinning out and

niust be besieging the Smaller towns. Soiree musicale at the Charlotte Institute for Young Ladies to-morrow night, "Dove luncheons" are the latest. The ployed.

The cald well House was the scene Ward 3—Rev. J. F. Butt, chairman;

The level seems to take not upon every farmer as soon as he enters the town, and there is no end to it. The ances made, that reduction works will be established at or near this point during the approaching summer. This point not only affords an abundant supply of the material to work on. The advantage of being a railroad centre not surpassed south of Balti-more may well be considered as an important feature enabling us to reach important feature, enabling us to reach sgined. It took three or four days hard the mineral districts by rail, northeast, work and about a half a dozen writs of claim and delivery from Justice Davidson's office to return each animal to its THE

Meeting of Presbytery. A called meeting of Mecklenburg Presbytery was held in the Second

Presbyterian church last evening, im-mediately after the prayer-meeting service was over, Rev. S. H. Chester, H. Harding acting as clerk. The other,

delegates in attendance were Rev. Dr. A. W. Miller, Charlotte; Rev. W. W.

One of our citizens who has just returned from a visit to Richburg, S. C., reports having seen there a sheep the property of Mr. James Stroud, which chews tobacco same as a man. It spits less artistically, however, than one of the human kind, blowing the juice be-tween its teeth and out of its mouth. The responsible party in this case is a man of truth; he saw the sheep himself man of truth; he saw the sneep himself and saw it in the act of masticating the weed; more than this, numbers of peo-ple who have personal knowledge that the sheep is addicted to this baneful vice, are willing to make affidavit to all that is herein set forth. This case is similar to that of the man (you all know him) who never carries any topacce be him) who never carries any tobacco be-cause he "only chews occasionally;" the

sheep never has been known to buy any and Tebacco, Torn, bc. A. C. S. HOLTON, of the weed, but he will chew all that is given him, and can take five cents worth in his mouth at one time.

The country is going to the bad. We have fallen upon evil times when hogs and dogs drink liquor and sheep go to chewing tobocco.
