

THE LEGISLATURE.

February 25.

The Senate met at 10 a. m., Senator Scales in the chair.

Mr. Caldwell introduced a resolution providing for an investigation into the charge of a corrupt combination of Senators on the passage of the Western Railroad bill.

THE PROTEST. Mr. Williamson, by leave, presented the protest of himself and five other Senators, withdrawn yesterday for modification, against the passage of the bill to change the name of the Western Railroad company, and to authorize its consolidation with the Mount Airy Railroad Company.

Mr. Williamson had withdrawn the protest to eliminate certain words and expressions deemed unparliamentary. The protest was again read.

Mr. Everett admitted the right of protest, but objected to the protest as a matter of fact, which should be given as matter of fact.

He alluded to the statement in the protest that the bill incurs a debt of \$300,000 in an effort to save \$50,000. He was not willing that this statement should go forth as a matter of fact which the majority voting for the bill held to be true.

Mr. Caldwell did not know how properly to characterize the protest and keep within the bounds of Senatorial respectability. He was not willing that Mr. Williamson should continue to persist in the statement that the road was not worth more than \$60,000, when that Senator ought to know that the road, if now sold out would bring thirty times that amount.

Mr. Caldwell was not willing that Mr. Williamson should continue to persist in the statement that the road was not worth more than \$60,000, when that Senator ought to know that the road, if now sold out would bring thirty times that amount.

To incorporate Riverside Camp Ground, Ashe county.

To authorize the public treasurer to refund to the citizens of New Hanover, Union, Hertford and Washington counties the aggregate sum of \$1,255, being the amount of tax unjustly levied upon fertilizers.

To incorporate the Lodge of the Independent order of Good Samaritans and Daughters of Samaria in America.

To amend the law in relation to birds limiting the penalty for killing them under certain circumstances.

GOVERNOR'S MESSAGE. The Senate bill, reported by Mr. Scales from the committee on rearmament and reform to provide a suitable house for the Governor of the State, and to abolish the office of clerk to the Governor, was put upon its passage.

Mr. Moore offered a bill prepared by the commissioners appointed last session to provide for a house for the Governor, as a substitute.

The bill introduced by Mr. Scales proposes that no house be built, as none was required or needed, and that the mansion be provided for the means which to provide a house when one shall be required.

Mr. Scales' bill also empowers the commissioners to make title to the property already sold, and forbids the sale of any other property to the Governor's clerk.

The substitute of Mr. Moore asks for the cancellation of the Commission to build a house for the Governor, and a vote of not more than \$25,000 or in the event of old man being utilized, not more than \$10,000 shall be expended in repairs and furniture.

The question was discussed at some length by Messrs. Moore and Graham, and Lincoln, in favor of the substitute, and Messrs. Scales, Snow and Henderson against it.

The question next recurred on the adoption of the substitute and it was rejected—ayes 23, noes 24.

Mr. Scales' bill then passed its third reading by a vote of 24 to 8, and goes to the House.

Under a suspension of the rules Mr. Taylor called up the Senate bill to amend the law in relation to fences, and a motion was made to amend it a misdemeanor to have a fence less than five feet high, as a dead letter, leading only to malicious prosecution.

The bill passed its third reading by a vote of 25 to 16, and goes to the House.

HOUSE OF REPRESENTATIVES. February 25. SALARIES AND FEES. The bill to regulate the salaries and fees of county officers was read. Mr. Coffield said that he was utterly opposed to the bill, and desired to get it from before the House as soon as possible.

He moved to lay the bill on the table, which was done.

Bill to prohibit the carrying of concealed deadly weapons. The bill prohibits any man carrying any pistol, knife, dagger, dirk, brass, iron or metallic knucks, loaded sticks or slung shot, concealed, except on his own premises, and makes the having them prima facie evidence of concealment. It passed.

JUSTICES OF THE PEACE. At 12 m., the House proceeded to vote for justices of the peace, at all vacancies, that being the special order for that hour.

STOCK LAWS. Bill to establish stock laws in sections where one-fourth of the bona fide owners of lands shall petition the county commissioners therefor, who shall appoint a fence commission to have charge of the fence. The bill was read a special order for Friday at noon.

Bill of the same nature, but applying to Gaston, Cleveland, Rowan, Johnston, Union, Anson, Davie, Cabarrus, Surry, Yadkin, Chatham, Caswell, Rockingham and Forsyth. The stock law to be submitted to a vote of the people, upon the application of one-fifth of the qualified voters of the counties mentioned. This bill passed its second reading.

The bill to arrange and consolidate the State debt, was on motion, made a special order for Thursday, at 11 o'clock.

Bill to amend the law in relation to probate of deeds and conveyances and privy examination of married women. Passed its third reading.

Bill to incorporate the town of Hickory, Catawba county, passed its final reading.

Bill to protect livery stable keepers, giving them a lien on horses and mules for their board and care. Passed its second reading.

Bill to amend the charter of the town of Concord, passed its final reading.

Bill to grant convicts to the Atlantic, Tennessee & Ohio Railroad, or Statesville and Line Railroad, passed its second reading.

Bill to amend the charter of Dallas to levy a tax of \$500 upon liquor dealers was laid on the table.

CITY OF WILMINGTON. Mr. Bryan, of Pender, asked for a suspension of the rules in order to bring in regard to the city of Wilmington on its passage. Agreed to.

The bill provides for the retention in office of the present municipal officers for two years or until the regular election under the amended charter. The bill passed three times; ayes 21, noes 10.

NIGHT SESSION. The bill concerning the Wilmington, Charlotte and Western Branch Company—an amendment to the charter of the Carolina Central Railroad Company, was made the special order for 1 o'clock to-morrow.

THE BELL RINGING. The Senate proceeded to consider the bill to regulate the sale of spirituous liquors in the State.

On motion of Mr. Nicholson, the Senate proceeded to consider the bill (Mr. Graham's of Lincoln), by sections.

Mr. Graham stated that all he desired to-night was a test vote to ascertain the sense of the Senate on the principle of the Moffitt bill, which is a means of collecting the tax on the sale of spirituous liquors in Virginia and other States.

Mr. Henderson suggested the introduction of a resolution to ascertain the sense of the Senate.

Mr. Dorch offered a resolution that both bills be referred to a special committee of five, with instructions to report a bill on the principle of the Moffitt bill, and that the bill be made the special order for next hour. He offered this resolution to test the sense of the Senate, it being understood that all voting in the affirmative approved of the principle and those voting in the negative were opposed to it.
