THE SCIENTIFIC AMERICAN.

through the Legislature fairly and properly the fall in question was the one. He trusted there would be no obtection to the investigation. It was due to the President of the Senate, to the Speaker of the House, to members of both branches of the Assembly, and especially so to chose Senators who had paired off, sneeth New Orleans, no Head

Mr. Leach did not understand the allusions to Senators who had paired off. He was absent when the bill passed the Senate paired off with the Senator from Wilson (Mr. King). Mr. Leach was un-able to see how the pussage of the bill could be affected by the absence of two Senators, one being in favor of the bil been in favor of the bill, as was well

known. He feared no investigation, nor the attacks of newspapers nor men believing he was able at any time and in any manner, growing into years as he was, to take care of himself. He thought, however, this was a mere tempest in a teapot one of those licenses of the press which occasionally distin-guished that institution.

Mr. Everett hoped the investigation would be pursued. This was his first experience in a legislative body, and he did not want to have any suspicion rest upon his colleagues, especially upon those of them with whom he more im-

mediately acted may sugar of YAG A The A Mr. King denired the investigation. He and the Senator from Davidson (Mr. Leach) had paired for ten days. It had been announced in the Senate and giv-en to the public when the wotes on the en to the public when the Actes in the bill in question were taken, that had he and 'Mr. Leach both been present and voting, he (Mr. King) would have roted in the negative whilst Mr. Leach would have roted in the affirmative. He ge-pelled the Insinuation of corrupt com-binetion with score and dard any. bination with scorn, and dared any man to repeat it in his presence. A start Mr. Austin still fie had been disposed to favor the bill, and in pairing off with Mr. Boow is if the backad had a sure of

Those who voted in the negative were: Mr. Based or not. He defied any man successfully to impugn his motives. Mr. Dancey said he voted for the bill in good faith, belleving, if to he to the interest of the State. Lie beil here is a Seri-ator, demanding the recognition of his race in the selection of imagistrates the protested against the responsibility of the passage of the bill being thrown up on the two negroes who voted for fi and he stigmatized the insinuation that those votes were given corruptly as out rageous and untrue. Mr. Williamson said that the idea conveyed in the last paragraph of Mr. Caldwell's resolution (introduced yes tarday) was totally and wholly false He was free to say, however, that the allegation of corrupties false and the streation of introduced yes tarday) was totally and wholly false He was free to say, however, that the allegation of corrupties false and the ball streate to say, however, that the allegation of corrupties false and the ball the paragraph of Mr. Caldwell's resolution (introduced yes tarday) was totally and wholly false He was free to say, however, that the allegation of corrupties false and the ball streates of the pro-tarday was totally and wholly false He was free to say, however, that the allegation of corrupties false and the ball the ball the pro-termine the bill be ball wholly false the ball to provide for the bill be pro-termine the bill be ball wholly false the bill to provide for the bill be pro-termine the bill be ball wholly false the bill to be bill and show taken up. Mr. Williamson said that the total the pro-termine the bill be bill be pro-termine the bill be ball wholly false the bill to be bill and show taken up. Mr. Brown the bill be block the bill be pro-termine the bill be bill be pro-termine the bill be bill be pro-termine the bill be bill be bill be pro-termine the bill be bill be bill be pro-termine the bill be bill be bill be bill be bill the bill be bill be bill be bill the bill b

He was free to say, however, that the allegation of corrupt combination/was made by Mr. Carroll, of the House, and he was free to say, further, that he himself (Mr. Williamson) believed that the passage of the bill was secured by corrupt influences. Mr. Scales asked Mr. Williamson if

to the lowest possible figure. In an-swer to a question by Mr. Merritt, Mr. Erwin said that with care and the strictest economy and in the event of the cost of living remaining at the pres-ent prices, the appropriation would be sufficient, otherwise he feared there would be a deficiency. Mr. Everett explained that he was present when Mr. Carroll of the House made the statement in regard to corrupt combinations, and he distinctly recol-Mr. Everett explained that he was present when Mr. Carroll of the House made the statement in regard to corrupt combinations, and he distinctly recollected that gentleman to have said that

"he heard it rumored," &c. Ofan' Mr. Snow said if he had known how

TIME, Bryan, of Pender, followed and said the Carolina Central had expended about a million of dollars in trying to get to Rutherfordton, and had failed for lack of means, and he alluded to the difficulty with which the State worked in its efforts to cross the mountains. He protested against depriving the company of its valuable privileges, and then spoke of the claims of Wilming-ton in this connection.

and pass the road to outsiders, for the State was not in a condition to buy.

The object of the pending amendment was to cut off the power of making the

TP 10H ZOT NIGHT SESSION. A LL 1

Bill for the relief of Jno. H. Cox, sheriff of Perguimans county Passed. J. Bill supplementary to acts farming out convicts. This requires loads which have given the State stock in the same in exchange for convict labor to pay 20

per cent. of the amount in cash. It passed. Bill to make justices of the peace ran-

gers. Passed.

Bill amendatory to an act to estab-lish the department of agriculture. This bill limits the salary of the superintendent to \$1,000, of the chemist to \$1,500, and limits the annual appendito be expended by the department to \$ 4000. into the treasury of the moneys devot-ed to the department and the payment

of the same by the treasurer. HALLSI Mr. Mebane argued in favor of the bill. He took the ground that the fe-

partment does not carry out the objects of its establishment, and was worthless to the farmers.

Mr. Reid, of Macon, took the door in defence of Prof. C. D. Smith. Mr. Ardrey spoke against the bill tak-ing the ground that the bill was in the province of the committee on agriculture, and should have been referred to that committee. He thought the department of great value, and did not

want it crippled. Mr. Bost thought that the mather ought to have been referred to the comought to have been referred to the com-mittee on agriculture. He gave the fact that the State Geologist had been put on the department of agriculture as an additional reason why the bill should not pass." He compared the committee on refrenchment and referrat to the trishmen at the fair, who struck every beed he say

head he saw, to prove the bill, and said Mr. Rawley opposed the bill, and said among other things, that before the de-partment of agriculture was established, farmers in his county had made an entire failure in their crops on account of worthless fertilizers. AN ABUTTE bet Mr. Amis thought the department self-sustaining, that it protected the farmer, and should not be interfered

with one work and the floor ad-Mr. Atkinson next took the floor ad-working the passage of the bill and replying to the strictures on the commit-tee on retrenchment and reform. He the benefit of the farmer.

Mr. Etheridge opposed the bill in a highly classical speech.

Mr. Mebane again spoke in advocacy of the bill.

Mr. York spoke in defende of the committee on retrenchment and reform and in favor of the bill. Mr. Norment did not think the agri-cultural department rose to the dignity of a first class humbing. It is perhaps unnecessary to add that he favored the

bill estate unstated The bill to abolish the insane asylum Mr. Foard opposed the bill. He said
