A Visage Rivalling in Yellowness

That of a "heathen Chinee." if belonging to one of our race, can scarcely be described as attractive. But worse than this, it is the index of a disordered liver, of a liver that needs arousing and regulating. The remedy is at hand, prompt, efficacious, A course of Hostetter's Stomach Bitters will expel the misdirected bile from the blood and divert it into the proper channel open the bowels, remove the dyspeptic symptoms which Invariably accompany billousness and counteract the rapidly developing tendency to dangerous congestion of the liver, which must always exist when the skin and whites of the eyes assume this yellow hue. The pains through the right lower ribs, side and shoulder blade, the nausea, furred state of the tongue, and unpleasant breath which indicate liver complaint, in short all its disagreeable concomitants are soon remedied by this sovereign corrective, which in addition to its regulating properties is a superb invigorant, and a pure and agreeable medicinal stimulant, appetizer and nervine.

A Legitimste Triumph in Medicine. Dread and despair fall upon the community when a terrible epidemic, like the cholera or yellow fever, suddenly desolates our homes; yet, all the while a more insidious, but no less fatal fee, enters thousands of households every year and chirles off the flower of the family in the early flush of manly youth and budding woman hood. People wall it consumption or "destine" of manly youth and budding womanhood. People sall it consumption, or "decline." It is not in most cases, the tubercular phthis or consumption of the lungs, which is the peculiar malady in climates like those of the British Islands and New England, but a general decay or arrest of the vital processes of nutrition. All the dectors agree that there is no remedy for this but Cod Liver Oli but they are constantly met by the obstacle or inability on the part of the patient to swallow or retain it. This repulsion is entirely overcome by Scott's Emalsion of the Oll with the Hypophosphites of Lime and Soda which is agreeable to the taste, and an unequalled nutrient and tonle for the body nerve and brain.

Woman's Best Friend. Ample testimonials from every section of the country show that Bradfield's Female Regulator is as it claims to be, "Woman's best friend," Many suffering females have tried it, and have been cured, and bear witness to its merits in sound constitutions and rosy cheeks. Its record is before the public. Don't fail to try it if you are suffering from any of the complaints peculiar to the sex.
