THE PERILS OF THE RAIL.

Landslides, Train Wreckers and Fatal Accidents in Pennsylvania and Michigan.

PITTSBURG, PA., March 31.-About 1 o'clock this morning, as passenger train No. 8, from New York, on the Lehigh Valley Railroad, was approaching Mill Creek, near this place, the locomotive was thrown from the track in consequence of a landslide which occurred a short time previous. Engineer Nicholas Schillinger was instantly killed and the fireman seriously injured. None of the passengers were hurt.

CINCINNATI, March 31.—As the night express train on the Grand Trunk Railroad was passing a point two miles east of Smith's Creek, Michigan, Saturday night, it was thrown from the track. The engine and the three foward cars were wrecked. A brakeman was crushed to death between two cars and the engineer and fireman fatally scalded; the latter has since died. Francis Kellogg, of Erie, Pa., had a leg broken; S. P. Willard, of Chicago, sustained a cut on the head and a fracture of the right arm. Several other persons were slightly injured. The disaster was caused by train wreckers, who removed a rail. They were traced by their footprints in the mud, and their tools found a short the mud, and their tools found a short distance from the scene of the catastrophe. Several suspected persons have been arrested.

On Our Most Distant Frontiers.

As in our busiest and most populous cities of the seaboard and interior, Hostetter's Stomach Bitters is pre-eminently popular. Wherever civilization plants its foot on this continent, thither the great tonic soon finds its way. Nor is this surprising, for it is the medicine of all others best adapted to the wants of the Western emigrant, be he miner or agriculturist. It is an incomparable remedy for the diseases to which he is most subject, and which rheumatic ailments, and malarious fevers, for all of which Hostetter's Bitters is a certain specific. course of the Bitters before departing for the new field of labor, or on arriving, will have the effect of preventing the evils for which it is such a signar

Ease Attainable by the Rheumatic.

Yes, although they may despair of relief, it is attainable by rheumatic sufferers, for there is a remedy which carries off, by means of increased activity of the kidneys—important channels for blood purification—the acrid element to which pathologists the most eminent attribute the painful symptoms—a theory completely borne out by urinary analysis. The name of this grand depurent is Hostetters, a preparation likewise celebrated as a remedy for constipation, which causer contamination of the blood with the bile—and a certain means of relief in dyspepsia, fever and ague, and nervous allments. It is, perhaps, the finest tonic extant, and is highly recommended as a medicinal stimulant by distinguished physicians and analysts who pronounce it to be eminently pure and very beneficial. The press also endorses it.

A Constant Recurring Source of Pleasure. As every one who reads the papers at all has become aware not only of the existence of an honest-law less effective than before.

As every one who reads the papers at all has become aware not only of the existence of an honest-ly conducted Lottery in Louisiana, but also been more or less tempted by the glittering prospects of a fortune within their reach by the simple expenditure of a couple of dollars. The constantly recurring monthly drawings excite more and more curring monthly drawings excite more and more curring monthly drawings excite more and more attention, and their satisfactory management affords much pleasure to all interested. HER OWN WORDS.

Baltimore, Md., Feb. 13, 1877.

Mr. H. R. Stevens:—

Dear Sir—Since several years I have got a sore and very painful foot. I had some physicians, but they couldn't cure me. Now I have heard of your Vegetine from a lady who was sick for a long time, and became all well from your Vegetine, and I went and bought me one bottle of Vegetine; and after I had used one bottle, the pain left ine, and it began to heal, and then I bought one other bottle, and so I take it yet. I thank God for this remedy and yourself; and wishing every sufferer may pay attention to it. pay attention to it.
It is a blessing for health.

MRS. C KRABE, 638 West Baltimore Street.

VEGETINE. SAFE AND SURE.

Mr. H. R. Stevens:-In 1872 your Vegetine was recommended to me, and yielding to the persuasions of a friend, I consented to try it. At the time I was suffering from general debility and nervous prostration superinduced by overwork and irregular habits. Its wonderful strengthening and curative properties seemed to affect my debilitated system from the first dose; and under its persistent use I rapidly recovered, gaining more than usual health and good feeling. Since then I have not hesitated to give Vereting my most unqualified independent.

give Vegetine my most unqualified indorsement, as being a safe, sure and powerful agent in promot-ing health and restoring the wasted system to new life and energy. WORM SPECIFIC

VERMIFUGE.

SYMPTOMS OF WORMS.

THE countenance is pale and lead-

en-colored, with occasional flushes, or a circumscribed spot on one or both cheeks; the eyes become dull; the pupils dilate; an azure semicircle runs along the lower eye-lid; the nose is irritated, swells, and sometimes bleeds; a swelling of the upper lip; occasional headache, with humming or throbbing of the ears; an unusual secretion of saliva; slimy or furred tongue; breath very foul, particularly in the morning; appetite variable, sometimes voracious, with a gnawing sensation of the stomach, at others, entirely gone; fleeting pains in the stomach; occasional nausea and vomiting; violent pains throughout the abdomen; bowels irregular, at times costive; stools slimy, not unfrequent-ly tinged with blood; belly swollen and hard; urine turbid; respiration occasionally difficult, and accompanied by hiccough; cough sometimes dry and convulsive; uneasy and disturbed sleep, with grinding of the teeth; temper variable, but generally irritable, &c.

Whenever the above symptoms are found to exist,

DR. C. McLANE'S VERMIFUGE will certainly effect a cure. IT DOES NOT CONTAIN MERCURY in any form; it is an innocent prepa-

ration, not capable of doing the slightest injury to the most tender infant. The genuine Dr. McLane's VER-MIFUGE bears the signatures of C. McLane and Fleming Bros, on the wrapper. -:0:-

DR. C. McLANE'S LIVER PILLS
