He is quite well known in the western part of the State, and is a half-breed, being a nephew of Bushyhead. The doctor was arrested by his bondsman, but claims that he intended to return and stand his trial when summoned by the proper authorities.

He suggests that the old gentleman gallantly protected his helpmate from the winter's blast. The correspondent adds: "Ice, a slight snow and cold cutting blasts of wind, usher in for us the 19th day of April." He says in reference to another subject: "On 2nd Monday in May, our people will vote for or against the proposition to raise by taxation, \$2,000 for the Caldwell & Watauga Railroad. George B. Rainey, Dr. Cottrill and Harvey Abingham are now canvassing this county in favor of the proposition. "At this date, it is too early to form the result with certainty, but my own opinion is, that the vast majority of our people will vote strongly against the tax."
