Some Perceptions.
A fine concert at Col. Myers's to-night.

They are predicting a long dry spell now. In this the prophets do not disagree.

Erskine College commencement comes off this week. Positively the last of the season.

Many persons have been around to see the new Liddell engine. It is voted a success.

Soon THE OBSERVER will begin its list of summer absences. Then everybody shall know where everybody else is.

Don't forget the concert for the Home and Hospital at the residence of Col. Myers to-night.

The wheat harvest is being brought to a close in Mecklenburg county. The farmers have had excellent weather for the work, and also for curing hay, which is yet going on.

The rumor current on the streets late Saturday night that Dr. T. H. Means had died at the residence of a relative in the country is entirely untrue.

D. Stuart, colored, was committed yesterday by Justices Davidson and Severs, on the charge of robbing the smoke-house of Mr. W. H. Walker, who lives a few miles in the country.

John Wilson, charged with threatening the life of a neighbor, was taken before Justice Severs Saturday, and discharged to escape from Constable Charley Baker.

The editor of THE OBSERVER acknowledges the receipt of an invitation to attend a grand dress ball to be given at Warm Springs, N. C., on the 4th of July.

By some unaccountable accident, an appropriation point was placed after a riot (then in this department of the local columns Sunday morning.

W. G. Brinson was appointed to fill a vacancy on the finance committee.

The Grand Dictator read a long and admirable report, showing the progress the order has made within the jurisdiction of North Carolina during the year, which was highly satisfactory to the Grand Lodge.

The reports of the Supreme Representatives also showed that the order was in a flourishing condition. Three hundred and eighty-five thousand dollars have been paid on the widows' and orphans' benefit fund, to the families of deceased members, during the year, and while the membership in North Carolina has nearly doubled during the term, the increase has been perceptible throughout the United States.

WHEREAS, NEWBERN LODGE, No. 443, Knights of Honor, has manifested its high appreciation of our noble order in certifying this Grand Lodge in a princely style, both while in the city and on a pleasant excursion to Beaufort, an elaborate dinner, pleasant sailing, &c., therefor.

Resolved, That we highly appreciate the untiring efforts of brothers W. G. Brinson, Sam'l K. Eaton, K. R. Jones, Jos. S. Schwerin, R. Mills, and others, officers and members of Newbern lodge, who have so graciously and hospitably entertained us.

Resolved 2d. That their efforts have been crowned with success, beyond question, and we will ever cherish the memory of this occasion with proud recollection.

Resolved 3d. That we had heard of the hospitality of S. R. Street, proprietor of the Gaston House, and other citizens of Newbern generally, but find that the hotel had not been sold.

Resolved 4th. That the thanks of this Grand Lodge are due and are hereby tendered to the Newbern band, and officers of the excursion train for courtesies shown and for music furnished for the occasion.

Resolved 5th. That these resolutions be spread upon our minutes, and a copy be sent to the Newbern Democrat for publication, with the request that THE CHARLOTTE OBSERVER and other papers friendly to the order copy.

Resolved 6th. That the committee on the state of the order reported it in a highly prosperous condition throughout the State, and recommended the adoption of the following resolutions, to be read and approved by Past Grand Dictator Jones.

WHEREAS, The question of expense in the annual sessions of the Supreme Lodge, Knights of Honor, is one of vital importance to the prosperity of our order, and

WHEREAS, This Grand Lodge desires to express its disapprobation in regard to the policy of electing officers and appointing committees from that class of members who are not in the order, and

Resolved, That it is the opinion of this Grand Lodge, Knights of Honor, for and within the jurisdiction of the State of North Carolina, that the Supreme Lodge is, and ought to be a legislative body exclusively, and that the policy of selecting outgoing representatives to that body for committee men and officers of the Supreme Lodge, except the Supreme Dictator, the Supreme Assistant Dictator, the supreme reporter, the supreme treasurer, and the finance committee, implying the payment of mileage and per diem to such parties, is an expense which cannot be justified by experience or good economy.

Resolved, That the representatives of this Grand Lodge to the Supreme Lodge, and they are hereby instructed to vote for such changes in the constitution of the Supreme Lodge, as will forbid the selection of officers and committees (except those named in the foregoing resolution) from that class of members whose term of membership expires at the end of the session.
