vened." Chief Davis each beautiful to contain the contained of the course, and suggested that the fourth Wednesday of this month, for which lay the trace of the course, and suggested that the fourth ween the two horses. Now, Webster lay the trace of the strength of the

ville gold company, of New York city,

ing lot in the cemetery.

Washington Letter, 9th, to Baltimore Sun.

Senator Conkling in his speech at Brooklyn last night, said that New York paid one dollar in three of the national expenses. It seems strange for a man of Mr. Conkling's intelligence to reiterate a statement the absurdity of which is so manifest. When he made a similar remark in the Senate last spring his position was shown to be so untenable that he made no attempt to reply. He must have a very poor opins.

ing of the earth. Nothing but the hind reply. He must have a very poor opin-ion of the common sense of the people he was addressing.

passed through through this town this tion of McDowell county. His comlottery schemes. The astonishing statement is made that nearly one hundred pany has purchased nearly all the mintion of country, long noted for gold, and they will control to in accordant to the public is in existence, and as a guide to post-tions in accordant to the public is in existence, and as a guide to post-tions in accordant to the public is in existence. is in existence, and as a guide to post-distance carryin out the application of the next obe published in the corporation of the department.
