(ENTERED AT THE POST-OFFICE AT CHARLOTTE N. C., AS SECOND-CLASS MATTER.) THURSDAY, NOVEMBER 20, 1879.

Hale's Weekly, of Raleigh Publishes a copy of a paper which we are led to suppose has been secretly eirculated,

A MUD-CUT MOOM.

further appropriations of public money to the Western North Carolina Railroad, and to divide the Democratic party of North Carolina. The paper, published in full, occupies three columns of the Weekly, which summarizes it as follows: 1. That in consequence of Demo-

cratic legislation more than two milville, a distance of only 21 miles by stage road, a gap that it was unnecessary to fill, and that when filled must ever unless the aforesaid Democratic legislation is undo se many more millions will be wasted. In a word, all money spent on the Western North Carolina Railroad, or to be spent on it under Democratic administration, is money wasted. There is neither complaint, plaint made as to management under a Radical administration of the affairs of the company. It is only Democratic waste that makes the boom roll its thunder and scatter its forked light

2. That the Spartanburg & Asheville Railroad Company, a private corporation, is both able and anxious to continue its road down the French Broad River to Paint Rock, on the Tennessee

by the State under existing legislation will advantage, and in point of fact is cratic party to advantage, only the mortgage bondholders of that road by laying down more track for them to gobble up when they foreclose their mortgage which they can and will do

The anonymous writer wants the Votes for

clamor for our millions to build them a railroad pay total of \$8.63 of State taxes, being about one-seventieth (1-70) of the total of the State taxes, while the single eastern county of Wake the same year paid \$27,384 or over three times as the total vote cast by the one eastern county of Franklin which is so small and abolitionists, Whigs, Tyler Whigs that it sends but one member to the lower House of the General Assembly. In contradistinction, the writer adds

the following: were to In conclusion, the amount of burdens joined. In calculating it, the approximate value of their convict labor, which might be hired out, but is now lost to them, is added to the amount which the counties named pay into the State treasury in cash for their part of this railroad subsidy:

Wake ... \$15,000 Cumberland ... \$4,500 Mecklenburg 10,500 Galiford Galiford Rowan New Hanover 11,000 Wayne Granville. 6,000 Northampton. Halifax

above is merely as a part of the current literature of the day, and because some of our people had heard a little some thing of this anti-railroad boom and wanted to hear some more. We have

The question of pull it to signal they passed in the pull to spit they passed in the pull If so, we shall at that time have our say about them, dress with a Eastern look about them, dress with a strong sense of color and make a brilliant audience.)

The ghost of slavery haunts the houses, and the old purished the manual transfer of the Demthe two being synonymous terms.

wants Gen. Jos. R. Hawley of connecticut, nominated for President by the a multitude of good qualities, of which he is the alleged possessor, the correst trom Washington February 1868, in a verdict of murder in the first depondent alleges further, that he "is he writes:

CHARLES DICKENS.

It is pleasant to turn for a moment name seen anywhere it arrests attention, and glancing over the ample pages

of the great novelist will stop when he reales the beginning of the ninth page of its issue of the 16th, and give himbooks will live through all ages as models of their sort, and generation yet unborn will draw from them draughts of the liveliest pleasure. He seems nearer to us, however, in his letters than in his books. It is true that in David Copperfield we are brought lions of dollars have been wasted in very close to him but in his letters we building the road from Henry to Ashe, are, as it were, face to face. Therefore it is that the collection which has just

been published under the title indic ated remain unprofitable; and further, that above, will be eagerly sought after. The volume, we are given to understand is edited by the author daughter, Miss Mamie, and his sister-in-law. Miss Hogarth. In the review of the advance sheets by the New York Herald, we find much that is pleasing, and we believe, as to any money spent under Radical legislation nor any comthere a thought, a sentence and a fact which will interest the admirer of

> In one of the first letters, he writes to his wife, then Miss Hogarth, addressing her as "Dear Kate" and telling her that he has just neceived an offer of "emolument too tempting to resist," this offer being "fourteen pounds a month"

the railway system of the Missisappi Valler, thus accomplishing a completion in part at least of the Western North Carolina Hailroad without expense to the State

3. That the continuance of the road by the State under existing legislation.

unsuccessful, but he says his ardor is intended by the leaders of the Demo- only "increased, not dampened by the

> In January 1842 Dickens paid his first visit to America. Of his reception he writes thus to his friend Mitton:

I can give you no conception of my welcome here There never was a king road stopped at Asheville, and, as a rea- or emperor upon the face of the earth son why it should be, points out the so cheered and followed by crowds, and small tax-paying capacity of the coun entertained in public at splendid balls ties west of Buncombe, which would be bodies and deputations of all kinds. I benefitted by the extension of the road have had one from the far West-a jourgoing on to show that the money for the ney of 2,000 miles. If I go out in a carbuilding of the road comes after all from the counties of the centre and e.st. In support of his position the boomer prints the following table:

| The counties of the centre and whole house, crowded to the door, rises as a man and the timbers ring again. You cannot imagine what it is. I have five great public dinners on hand at this moment, and invitations from every town, village and city in the States.

99 1.018 OHe says this is not the republic he had expected. He was disappointed in it. He would not condemn his friend to a year's residence on this side of the Atianiic "for any money."

Freedom of opinion! Where is it?
Lee a press more mean, and patty,
and silly, and disgraceful than any country I ever knew. If that is its strndard here it is. But I speak of Bancroft, and am advised to be silent much as the whole seven counties which compose their "Great West." The whole seven counties of this so-called "Great West" gave Vance 3,618 votes, being one thirty-fifth of the Democratic vote of the State and a little model. vote of the State and a little more than myself outright. I speak of Miss Martineau, and all parties-slave holders

has she done? Surely she praised America enough!" "Yes, but she told us of some of our faults, and Americans can't bear to be told of their borne by a few of the counties for the faults. Don't split on that rock, Mr. payment of this railroad subsidy is sub- Dickens; don't write about America; we are so very suspicious."

self up to the feast before him. Noth- with me at a hospitable dinner last ing dull could come from Dakens. His Monday! There were men there who mad such speeches and expressed such sentiments as any moderately intellidustman would have blushed through his cindery bloom to have thought of. Sleek, slobbering, bowpaunched, over-fed, apoplectic, snorting cattle, and the auditory leaping up in their delight! I never saw such an il-lustration of the power of purse, or felt so degraded and debased by its contemplation, since I have had eyes and ears. The absurdity of the thing was too horrible to laugh at. It was perfectly overwhelming.

So much for this morning, and what reader will say that this dish is not better than one of politics?

TRADE MARK LAWS.-In a case which came up from Ohio, the Supreme Court of the United States decided, Monday, that the trade mark laws of the United States are invalid and unconstitutional, and this opinion was ordered to be certified to the Circuit Court, whence it came. Does not this decision stop proceedings in the McElwee-Blackwell case from North Carolina, which is a suit for infringement upon the trade-mark the Durham

THE CHAMPION DISASTER. Continuation of the Investigation.

boats in reference to the recent collission off Delaware Breakwater, was the second mate of the Champion. This witness said the Champion had four men on the watch. One of these is kept at the wheel and another on the lookout. When three men were reder on the steamer against taking a lookout from his post.

Frank Jackson, who was at the steamer's wheel that night, testified that just before the collision he saw Paul Hand, lookout, engaged with two others setting sail. This witness altered the steamers course by orders of the | Under the personal supervision and manage-Captain five or seven minutes before the collision.

J. S. Mitchell, passenger on the Cham-pion testified that Defore the steamer sank he searched for a Hie preserver or anything else that would afford him assistance, but could find nothing. The investigation then closed for the
