METHODIST CONFERENCE.

A LARGE ATTENDANCE AND DISTINGUISHED VISITORS.

Governor Jarvis at Home Among Methodist Preachers---Discussion over the Conference Organ---Appointments.

Condensed from the Raleigh News.

FOURTH DAY'S SESSION.

WILSON, Dec. 6.—Bishop Wightman in the chair.

The inclement weather does not seem to decrease the large crowd. Every available space in the large and commodious church is occupied this morning. Quite a a number of visitors are present to-day. Governor Jarvis and wife, I see in the congregation this morning.

On motion the treasurer of the Conference was instructed to pay over to the joint board of finance $350.00, interest accredited on the conference fund.

A communication from the Grand Lodge of Masons was read to the Conference relative to fostering the interest of the Oxford orphan asylum. On motion of Dr. J. B. Bobbitt it was referred to a committee of three to be appointed by the chair.

The Bishop appointed the Revs. J. B. Bobbitt and E. A. Yates and F. C. Robbins, Esq., a committee to whom was referred the communication of the Grand Lodge of Masons.

Dr. McFerrin took up an additional subscription for the Nashville House, amounting to $500.00. This additional subscription was to meet any deficiencies of the $3,000 already raised.

When Dr. McFerrin was through, Governor T. J. Jarvis was introduced to the Conference. The Governor was cordially greeted, and remarked that he felt very grateful for this compliment; that when he remembered that his sainted father was a Methodist preacher for forty years, it only served to increase the compliment paid him this morning. Said he: "I always feel at home with and among Methodist preachers." The Governor was seated within the altar and looked like he felt at home, sure enough.

The resolution recommending the adoption of the Raleigh *Chistian Advocate* as the organ of the Conference, was opposed by Rev. William M. Robey. The opposition to the paper was not at all on personal relations, but because the paper did not reflect credit upon the great denomination it represents. The Rev. J. T. Bagwell opposed the paper as the organ of the Conference upon this ground.

There was a lively discussion upon this subject, in which, besides the gentlemen already mentioned, the Revs. John R. Brooks, R. S. Webb, F. D. Swindell, Dr. Wilson and others took part. The substitute was lost an on motion the the report of the committee was adopted and the Bishop was requested to reappoint the Revs. W. S. Black and F. L. Reid, editors of the *Christian Advocate*.

The *Missionary Herald*, edited by the Rev. A. R. Raven, was endorsed by the Conference.

The Revs. J. D. Arnold, W. S. Hales, P. Douglas and F. J. Hook, were admitted on trial.

AFTERNOON SESSION.

In the absence of Bishop Wightman the Rev. W. S. Black presided over the Conference.

The committee on Memoirs report on the death of Revs. John Jones and W. M. D. Moore. Many remarks were made by several members of the Conference concerning the lives and labors of these departed brothers.

A communication addressed to the Conference was read from the fraternal messenger, Mrs. Delphina Mendanhall.

On motion the Conference adjourned.

MONDAY, FIFTH DAY'S SESSION.

On yesterday I suppose there was the largest crowd ever in this hospitable town. There was a large attendance at all the churches. Bishop Wightman preached an able sermon in the Methodist church from Acts xviii: 36.

The love feast Sunday morning was the largest I ever saw attended.

The Woman's Missionary Society held its annual election Saturday night and elected—Mrs. N. H. D. Wilson, President; Mrs. F. M Bumpass, Corresponding Secretary; Miss Blanche Pentress, Recording Secretary; Mrs. E. J. Lilly, Treasurer. There were ten Vice-Presidents elected from different parts of the State.

The Conference was opened this morning with religious services conducted by Rev. E. A. Yates. Resolutions commending the Oxford orphan asylum were passed. The committee on church property made their report through the chairman, Rev. J. Wilson. According to the report the valuation of church property now is $734345. The Bishop insisted that the preachers look well to building good comfortable churches. Said he, "any preacher can do this if he will. I know preachers that can build a church any where." The committee to whom was referred the communication from the Grand Lodge of Good Templars, made their report.

Rev. Dr. J. B. Bobbitt offered a resolution for the missionary address of Colonel Walter Clark to be published in the minutes.

The report on education was taken up and that part of the report that referred to Trinity College was the special order, recommending that the preachers assume the debt. A substitute was offered by Rev. L. L. Hendren. This provoked quite a lengthy discussion by Dr. Closs, Dr. Burkhead and other ministers. Mr. W. M. Parker, of Wilmington, made a sterling speech, also Prof. W. C. Doub. The substitute was adopted which recommends the Rev. Dr. J. B. Bobbitt to be appointed agent for Trinity College.

The committee on the joint board of finance made a report through Rev. E. A. Yates.

The place for holding the next Conference was taken up. Raleigh, New Lerne, Winston and Oxford were placed in nomination. After the advantages and hospitalities of each place were thoroughly discussed, Winston was selected.

EVENING SESSION

was opened with prayer by Bishop Wightman. Usual resolutions of thanks to the good people of Wilson were passed by a rising vote.

The sum of $2,100 was raised for the purpose of relieving Trinity College of its indebtedness.

"Going Back to China if I Can."

The Chinese in California have begun to go. The steamer that sailed from San Francisco for Hong Kong on the 15th took 901 of them to their native land. The port statistics of San Francisco show that the arrivals of Chinese during the year ended November 1 were 6,128, and departures 8,746—of whom 6,229 went to China and 2,517 to Honalulu—the excess of departures over arrivals being 2,618. It is estimated that there are 62,000 Chinese on the Pacific coast, which shows that this population is decreasing instead of increasing, for when the anti-Chinese agitation was begun, a few years ago, the estimate was 100,000. The totaal number of Chinese arrivals for the twenty years ending December, 1878, was 250,430, and the departures and deaths 183,491. At this rate the Chinese will soon cease to trouble California workingmen.

Patent Medicines.

Dr. TUTT'S Expectorant!

IN 25CTS. AND $1 BOTTLES.

Its properties are Demulcent, Nutritive Balsamic, Soothing and Healing. Combining all these qualities, it is the most effective LUNG BALSAM ever offered to sufferers from pulmonary diseases.

DR. J. F. HAYWOOD,
of New York, voluntarily indorses it.

—READ WHAT HE SAYS:—

Dr. TUTT: New York, Sept., 19, 1877.
Dear Sir—During this year I prescribed one hundred cases of lung diseases, in the lower walks of this city the cases were of a very severe type. It was there my attention was called to Tutt's Expectorant, and I confess my surprise at its wonderful power. During a practice of twenty years, I have never known a medicine to act as promptly, and with such happy effects. It instantly subdued the most violent fits of coughing, and invariably cured the disease in a few days. I cheerfully indorse it as the best lung medicine I ever used.
J. FRANCIS HAYWOOD, M. D.

A NEWSPAPER PUB. WRITES.

Office, Evening News, August, Ga.
Dr. TUTT: Dear Sir—My little son, was attacked with pneumonia last winter, which left him with a violent cough, that lasted till within a month since, for the cure of which I am indebted to your valuable Expectorant. I had tried most every thing recommended, but none did any good until I used your Expectorant, one bottle of which removed the cough entirely. With many thanks, I am yours truly,
JOHN A. WRIGLE."

Had terrible NIGHT SWEATS.

Memphis, Feb., 11, 1871.
Dr. TUTT: Sir—I have been suffering for nearly two years with a severe cough. When I commenced taking your Expectorant I was reduced to one hundred and sixteen pounds in weight. I had tried almost everything; had terrible night sweats. I have taken half dozen bottles. The night sweats left me, the cough has disappeared, and I have gained fifteen pounds in flesh. I recommend it to all my friends
With great respect, OLIVER RICE.

IMPORTANT QUESTIONS.

Reader, have you caught a cold? Are you unable to raise the phlegm? Have you an irritation in the throat? A sense of oppression on the lungs, with short breath? Do you have a fit of coughing on lying down? A sharp pain now and then in the region of the heart, shoulders and back? If so, our Advice is take at once a dose of Tutt's Expectorant; you will soon be able to raise the phlegm. In an hour repeat the Expectorant, place a hot iron to the feet, take two of Tutt's Pills. You will soon fall into a pleasant sleep and wake up in the morning, cough gone, lungs working freely; easy breathing, and the bowels moving in a natural manner. To prevent a return of these symptoms use the Expectorant several days.

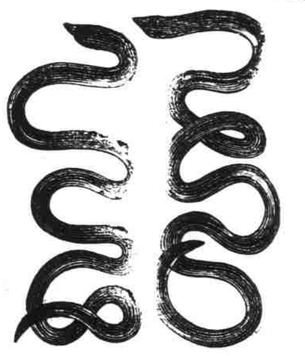
SMITH'S WORM OIL.



ATHENS, Ga., February 22, 1878.
SIR—My child, five years old, had symptoms of worms. I tried calomel and other worm medicines but failed to expel any. Seeing Mr. Bain's certificate, I got a vial of Worm Oil, and the first dose brought forty worms, and the second dose so many that I did not count them.
