TOMACH The Stomach is Strengthened The liver regulated, the bowels put in proper er-der, the blood enriched and purified, and the ner-wous system rendered tranquil and vigorous by this inestimable family medicine and safeguard against disease, which is, moreover, a most agreeable and effective appetizer, and a cordial peculiarly adapt-ed to the wants of the aged and infirm. For sale by all druggists and dealers generally.

One Sunday seven hundred abandoned the Old Church and in two weeks two thousand did the same, Several other priests have joined McNamara and they have ordained him Bishop. No hall large enough to hold his congrega-tions can be had in New York. A very popular Romish priest and a D. D. of Boston, has joined the movement and Bishop McNamara has visited that city, and on the occasion of his visit many of the most intelligent Catholics of Boston endorsed and joined the move-+0+
