

THE COMING STRUGGLE.

SEYMOUR AND ROBINSON SPEAK OUT.

Hidden Does Not Desire the Nominations, But Would Accept It if Grant Chances be Good.

SYRACUSE, March 21.—The Syracuse Courier will tomorrow morning contain a full and authorized interview had by its reporters with Horatio Seymour and Governor Lucius Robinson, in relation to the political situation in general, and in particular to the present condition and prospects of the Democratic party in the State of New York.

"The Republican party, both in this State and the Union, is demoralized, and its organs are among young and active men."

"I do not think that any of the candidates for the Presidential nomination now prominent will be selected by the Republicans in Chicago."

"The SENATE OF THE DEMOCRATS. There can yet forecast the action of the Democratic party, near those spoken of in connection with the nomination for the presidency clearly made up their minds that they wish to be put upon the ticket."

"What do you think of the condition of the Democratic party in the State?"

"With regard to the Democratic party in New York State, while there are unfortunate differences, they are drifting behind the party, and are getting better and better."

"The Wilmington Review: We understand that Hon. George Davis left the city on Friday night to go to Raleigh to appear before the legislative committee in behalf of the proposed route of the Western North Carolina Railroad."

"Winston Leader: Information has reached Winston that a white woman by the name of Rachel Hamilton was drowned Monday last in Dutchman creek, near Mud Hill, in Davie county, under the following circumstances."

"Health and Beauty Combined. Women's Rights. One who has long studied this subject has recently written a book on the subject of Women's Rights."

"Governor Robinson speaks of a conference to be held in the city of Syracuse or some other place, for the purpose of harmonizing the differences of the party in this State."

"I am not in favor of any conference of the Democratic party in this State, and I would not have the name of the Governor placed on such a list."

"The Wilmington Review: We understand that Hon. George Davis left the city on Friday night to go to Raleigh to appear before the legislative committee in behalf of the proposed route of the Western North Carolina Railroad."

FOR LOVE OR MONEY. The Discussion of a Social Problem. The New York Times fills two or three very interesting columns once or twice with letters from its correspondents on social topics and problems.

"Will Mr. Tilden be a candidate for President in the Cincinnati convention?"

"That," said Governor Robinson, "I cannot answer. Some time ago Mr. Tilden informed me that he did not desire the nomination for President this year, yet from what I know of his views I should say that he would accept the nomination if it were tendered him."

Gov. Robinson conversed freely concerning the result of the election in New York State last fall. "I had no thoughts," said he, "of accepting a nomination for the Democracy until John Kelly proclaimed that I must not be nominated. I had worked hard for three years and I wanted rest."

What is knee high in the vicinity of Goldsboro.

Valentine Kurz, a German laborer, was found dead near Wilmington Thursday. It is supposed that he died from natural causes.

Mr. J. J. Stewart, a well known newspaper man, has commenced the republication in Salisbury of The Examiner. The first number shows the work of an experienced hand, and is very creditable.

Winston Leader: Near Union Falls, in Randolph county, on the 6th inst., a Mrs. Sallie Shoaf was seen to run out of her house with her clothing in a light blaze.

Goldboro Messenger: Miss Annie V. Dudley, formerly of Newbern, died at Greenville, S. C., on the 10th inst., of pneumonia, after a brief illness.
