HOME PENCILS.

An improvement of the road to the mineral spring is now in order. Again no cases before the mayor yesterday morning. The Grand Lodge of the Independent Order of Odd Fellows, meets in Raleigh on the 11th of May. Hayes' Juvenile Pinafore troupe perform in Winston tonight. The christening of the new and handsome hall which has just been completed. Mr. D. M. Rigler is having a glass front put in his confectionery store on South Tryon street. It will add greatly to the attractiveness of his already attractive store. The Gounod Club continues to afford interest and enjoyment to its members. The meeting last night at the residence of Mr. Morgan is described as highly enjoyable. A german will be given to-night at the Pleasure Club's rooms, complimentary to a visitor from Atlanta. The german will be about the last of the season. In Pegram & Co's store, yesterday, a diagram of the New York giant's foot was exhibited. The height is 23 1/2 inches; weight of the giant's shoes, 18 pounds; weight of his body, 650 pounds; height, 8 feet. The spring concert at the Charlotte Institute for Young Ladies comes off, as before stated, to-night. The friends and patrons of the institute are invited to attend. The music begins promptly at 8 o'clock. Our esteemed citizen, Capt. J. Roessler, expects to go abroad during the coming summer, to visit a brother and sister who are living in Germany, neither of whom he has seen for twenty-five years. There seems to be very little doubt about the fact that Dr. Wm. Sloan will be a candidate for the office of mayor, but the candidacy is not much discussed, as he is not relied upon as an indication that it is not real and earnest. The Carolina Central Railway Company has presented the Neptune fire company with \$50 for their efforts at the late fire at the cotton platform. A card of thanks will be published by the president. Members of the Second Presbyterian church choir have been for some time rehearsing an operetta which they propose to present to the public Friday night, the 30th, at the residence of Mrs. S. V. Young. THE OBSERVER enjoyed a very pleasant serenade from the McSmith Music House last night. Every note of the piano could be distinguished through the telephone and the distance rather enhanced the music. Considerable dissatisfaction is expressed by some colored men at the result of the Second ward meeting held before last, and it is probable that another meeting will be called, without regard to race, previous condition, &c., for next Monday night. The few farmers who come into the city, and only a very few come report active operations in the country. Almost everybody was engaged yesterday putting in cotton. The indications are that the area of land planted in Mecklenburg will be very much larger than it has ever been before. G. Lumpkins Cox stepped into a store the other day and asked for fish-hooks, saying that he had a great quantity of his life in attempting to improve the taste in sticks, and he would henceforth devote himself to catching eels. He came in yesterday all the same with a load of sticks and shavings. The city authorities of Raleigh have notified the railway companies that the loading of cotton on the cars by the farmers within the city a nuisance and will not be tolerated. Raleigh is especially offended, but the people allow cows to browse and sleep on the streets, the same as they do in a country village. The other day Dr. Moore sent an aged and negro's broken arm in a drug store. The old man's wife stood by with anxious solicitude. When the doctor had finished, he asked the old negro how he felt and he expressed relief. "Beless God, and the white folks" broke in the conversation. "You men talk about 'Lobelia, but dat ship was never made for to carry me away from dese white folks."

State Convention of the Y. M. C. A. The State executive committee of the Young Men's Christian Association met last week in Salisbury and changed the time of holding the convention from May 12th to June 3rd. They also determined to change the place from Goldsboro, but have not yet decided upon another place. It will, however, be agreed upon and announced in a short while.

Marriage.

At the residence of Mr. A. Bethune, the bride's father Dr. J. A. Coffield, of Union, South Carolina, was married to Miss Mary Bethune, of this city, by the Rev. A. A. Bohamer, of the Tryon Street Methodist church. The ceremony was performed yesterday morning at 10:30 o'clock. The happy couple left immediately for the home of the groom.

Letter of Thanks from Dr. Everett's Friends.

Mr. A. T. Moss, one of the members of the Hornets' Nest Riflemen, who accompanied the remains of Dr. W. S. Everett to Goldsboro, has received a letter from a friend of the family, thanking, in their behalf, Mr. Moss and his companions, Messrs. Henderson and Boyd, for escorting the remains and expressing gratitude for the resolutions of respect for the deceased and condolence with his family, passed by the Riflemen.

Nobody Registering.

It is stated that few persons are registering for the approaching city election, notwithstanding a new registration has been ordered. In Fourth ward voters are especially direct. The registrars are allowed to transfer the names of persons who they know to be bona fide residents of the ward under the statute governing such matters, but as a matter of course the name of any citizen who has been a colored voter is reported to be especially behind in the matter of registration.

The Woman Not to be Hung Till July, If Then.

Francis Hood convicted of infanticide in the last term of Superior court is now announced in the Democrat yesterday, to be hung on the 7th of May, as Henry Horne and George Gallopway are, but the time fixed for her execution is the 2nd day of July. The judge in sentencing her stated that he fixed the day so far off expressly to allow her to transfer the names of persons who they know to be bona fide residents of the ward under the statute governing such matters, but as a matter of course the name of any citizen who has been a colored voter is reported to be especially behind in the matter of registration.

Death of an Artist.

Mr. Rufus Morgan, a most successful photographer of stereoscopic views, is especially well remembered in Charlotte where he once lived. Several years ago he left the State and went to California to engage in the culture of bees. News has just been received of his death at his home in that State. It was brought about by eating the poisonous species of the mushroom. Mr. Morgan married a daughter of Judge Clarke, of Newbern, and was widely known throughout the State. His pictures of the scenery in Western North Carolina are the best that have ever been taken, and have perhaps done more than any one thing to publicize to the world that section of our State. He was with a genial, clever gentleman, and the news of his death will be received with regret.

The Catholic Pic-Nic Next Thursday.

The programmes for the grand excursion and picnic, under the auspices of the Catholic Sunday school, have been issued. The excursion train will leave the Air Line depot at 7 o'clock on Thursday, at 7 o'clock a. m., sharp, and will convey the excursionists to Spring Shoals, on the Catawba river, twenty miles from Charlotte. Spring Shoals is considered the most desirable picnicking grounds on the Catawba river. The Charlotte Citizens' band and the Italian string band will accompany the excursionists and furnish music. Dancing, swinging, croquet, quoit pitching, target practice and other amusements will be going on all day and may be participated in by all. Refreshments, such as soda water, ice cream, lemonade and cigars, will be sold on the train and the grounds. The train will leave the grounds, returning at 5 o'clock, are for the round trip for 40 cents; children under 12 years of age, 25 cents. The committee see that the best order is maintained during the day. Ice water will be kept on the train and the thirst which has heretofore attended excursions from Charlotte will be avoided. This is the first picnic and excursion of the season and a large crowd will most probably attend.

Memorial Day—Arrangements Completed.

The Ladies' Memorial Association have completed their arrangements for the appropriate celebration of the 10th of May. Col. H. C. Jones, has been selected and has consented to deliver the address; the roll of honor is to be read by Col. W. A. Alexander, and Capt. A. G. Brenner has been chosen chief marshal. In the schools in the city and the military and fire organizations will as usual be invited to participate in the exercises, and it is designed that the celebration this year shall not be inferior in any respect to those hitherto observed. The interest in the day has never lagged in Charlotte, but rather continues to increase, as the years go by, and this year no exception to this rule will be observed. In this connection the public are reminded of the special effort that it is to be made on memorial day and between this time and that to complete the monument fund. It is especially desired that everybody in the community shall subscribe to the fund that all day and that they have a personal interest in the monument.

The Mass Meeting for the Celebration of the 20th.

The meeting of the citizens to make preparations for the celebration of the 20th of May was rather slimly attended last night. Col. Morehead was called to the chair in the absence of the chairman, the previous meeting, Gen. J. M. A. Young, who came in late.
