That he received information that it was the intention of the republican party in the city of New York with the aid and assistance of the notorious John I. Davenport and the marshals...

My DEAR GENERAL GARFIELD... [Text continues with a letter or official communication.]

Who did write those articles? said Mr. Jewell. 'You must excuse me from answering that question,' deponent replied, 'but I did not write them.'

When Marshall Jewell left the deponent sent Judge Dittenhoefer out to him to receive his promise that Mr. Davenport should be notified. He returned and informed the deponent that he had been so promised.
