A GREAT DECLINE IN WOOLEN GOODS.
FOR THE BENEFIT OF THE PUBLIC!
Having received intelligence from our house in Baltimore, which is one of the largest purchasers of Woolen, that the same have declined them 15 per cent, which naturally makes a decline in Clothing, we consequently sell accordingly, and we now offer our stock at Reduced Prices, as we only expect to sell for large quantities. We are assured that we purchase at very close figures, and give every patron the benefit. We have more styles than any other house can show, and better made Clothing than any other sold in this market for the simple fact that most of them are made in our own shops and in the same as a garment made to order. The most complete line of Overcoats, Ulsters and Ulsterettes that has ever been exhibited, ready-made, in this market. We invite the public to come and see facts.
Very respectfully,
