He who has ridden in a country stage-coach knows how cream feels when it is being churned

"You see." said a lively old Aberdeen bachelor, on being advised to get married, "you see. I can't do it, because I could not marry a woman I didn't respect, and it would be impossible for me to respect a woman that would consent to marry me."

INAUGURATION PROGRAMME.

dred men on the works, and continue as expeditiously as possible until it is completed. It is proposed to drain the land by a canal and Lake Okeechebee to the Caloosakachee River, which empton the caloosakachee River, which emptons the caloosakachee River. War on Ex-Confederate Alds to the Grand Marshal. ties into the Gulf of Mexico. Another canal may also be constructed to the Washington, February 21.—General east, tapping the St. Lucie River, which Sherman has concluded to modify his flows into the Atlantic. These canals order as chief marshal of the inaugural will entirely drain the swamp, and ceremonies, so that all classes of organfrom ten to twelve million acres of izations, including the Boys in Blue, the Grand Army of the Republic, &c., will be placed in the first division, under command of General Ayres. The for the work one-half of the land recovery the richest land in the world will be reclaimed. The company will receive ered, and it is expected that this will second division will be composed of the Pennsylvania troops exclusively, and largely repay all expenditure of money will be massed east of the capitol. The that may be made in the work. The programme will also be modified so as | company will organize at once with to leave the north side of Pennsylvania | Hamilton Disston as president. It is avenue and the cross streets north of proposed to issue 1,000,000 shares of the avenue entirely clear for specta- stock at \$10 par value. Each share General Sherman will issue the | will carry with it the right to an acre official programme of the procession in of land. The proceeds of 50,000 shares

a day or two, which, it is thought, will be used as the woking capital. The committee on arrangements for the inaugural ceremonies at the capitol will issue tickets of admission to the galleries of the Senate chamber, strictly corresponding in number to their limited capacity, to be distributed as follows: To each Senator, 4; to Senators-elect, members of the House of Representatives, delegates, heads of departments, and justices of the Supreme Court, 2 each. The diplomatic gallery will be strictly reserved for the families of members of the diplomatic corps, and the reporters' gallery for representatives of the press. Seats will also be reserved in the galleries for heads of bureaus. No other tickets will be issued for the galleries, and no person will be admitted to the Senate wing or the there was not enough acid used to

the rotunda except on presentation of a ticket, which will be good only for the place indicated.

The antagonism between General day night but is now well again." The antagonism between General Sherman, who is chief marshal of the inauguration procession, and the military committee, which claims to have the right to arrange the programme and lay out its route, took the form of open warfare to-night, the committee adopting a route and form of procession different from that announce-

ed by General Sherman.

The committee also adopted a resolu-The committee also adopted a resolu-tion requesting the executive commit-tee to appoint ex-Union officers in place of Generals Fields and Fletcher, who are ex-Confederates, and who were re-cently appointed aids of the grand mar-shal, declaring that it is objectionable to many who will take part in the pro-cession to march under the orders of ex-Confederates. The fight is likely to result in the abolition of the military committee.

Weman in Medicine.

Since the death of Carlyle a letter, by him in 1871, on the subject of "Female Emancipation," has been published. It was written to a friend in answer to a question, and under injunction of secrecy. After saying that he disliked to think of the subject, and that he regarded the position and duties of wife and mother those for which women were designed, he continued: "The true destiny of a woman, therefore, is to wad a man she can love and esteem, and to lead noiselessly uncians and surgeons as well as sick nur-ses—and all that the world had. Their

deliberately so determines-have a right to study medicine; and that it might be profitable and serviceable to have facilties, or at least possibilities, offered them for so doing. But—

"2. That, for obvious reasons, female students of medicine cought to have a students of medicine cought." students of medicine ought to have, if possible, female teachers, or else an extremely select kind of men, and, in par-

modest mind. "This is all I have to say; and I send

It is a Well Known Fact. among physicians that Buchu Juniper and Parera Brava in combination are the best remedies in the world for any disease of the Bladder or Kidneys, and that no less than one half of the human family, both male and female, suffer from derangement of those organs and neglect or failure to use proper remedies hurry many to untimely graves. Numerous combinations have been tried for Gravel, Brick Dust Deposits, Bright's Disease, Weakness in Back and Hips, produced by derangement of Bladder and Kidneys, but none with such happy results as Rankin's Extract of Bucht and Juniper. If you suffer from any disease of those organs, get a botile—one or two will reliev you.

C. A CARD. To all who are suffering from the errors and in-discretions of youth, nervous weakness, early de-cay, loss of manhood, ac., I will send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. Joseph T. Inman, Station D, New York City. apr 27—eodly&wly

therefore, is to wad a man she can love and esteem, and to lead noiselessly under his protection, with all the wisdom. grace and heroism that is in her, the life prescribed in consequence. It seems, futhermore, indubitale that if a woman miss this destiny, or have renounced it, she has every right, before God and man, to take up whatever employment she can find open to her in the world. Probably there are several or many employments now exclusively in the hands of men for which women "Any person or thing effecting a 'level best' impression is sure of reward and commendation," says a Washington, D. C. Exchange, and mentions: This is to certify, says Mr. A. J. Bandel, Jr. LaFayette House, this city, that I have suffered with rheumatic pains in my chest for years, and have taken during that time many different medicines, without any permanent relief. By using St. Jacobs Oil I have been entirely cured from all pain, since my first application of it. It acted like a charm from the beginning. in the hands of men for which women and more or less fit—printing, tayloring, weaving, clerking, etc. That medicine is intrinsically not unfit for them is proved from the fact that in much more sound and earnest ages than ours, before the medical profession rose into being, they were virtually the physicians and surgeons as well as sick nurgeons as well as sick nurgeons. form of intellect, their sympathy, their wonderful acuteness of observation, etc. seem to indicate in them peculiar

qualities for dealing with disease; and evidently in certain departments (that of female disease) they have quite peculiar opportunities of being useful.

My answer to your question, then may be that two things are not doubful to ne in this matter: 11. That woman—any woman who

ticular, that to have young women present among young men in anatomical classes, clinical lectures, or generally studying medicine in concert, is an incongruity of the first magnitude, and shocking to think of to every pure and
