men on the same principle.

Bernard Koehler and Fritz Hisgen, two house painters, yesterday began painting the large house at Betts street and Central avenue. Three o'clock in the afternoon found them close up un-der the eaves of the house and sixty-The season has arrived when house keepers make a change of carpets, and the man who walks about his rooms much at night with bare feet should steer so that he may not get on the wrong tack.—Cineinnati Gazette. five feet from the ground. They had just finished the surface within reach and had started to lower the scaffold a be seen drifting lazily among the lillies in a flat-bettomed boat, with a girl in a big hat and freck-les." The season has not yet sufficiently ad-vanced here to admit of that costume for out-door occasions.—Fashion Journal. come over and perform a like service A South End girl thanked a man who gave her his seat in a street car, and he married her, and proved to be worth \$400,000. (We circulate this lie in the hope of inducing the girls to be a little more courteous.)—Boston Post.

come over and perform a like service for him. Hisgen had just completed his own knot when Koehler cried out: "Come over quick, I can't hold it." Hisgen as quickly as possible, started "Come over quick, I can't hold it." Hisgen, as quickly as possible, started across the aerial bridge, but had not gone two steps when he saw the man let go his hold and felt the ladder give way beneath his feet. As he began the fall, in the energy of desperation he, with both hands, grasped the almost smooth top of the fourth-story window cornice and there hands in the air a "I've got it! I've got a conundrum for you!" he yelled, as he dashed madly into the room. 'Spit it out! Spit it out!" cried a dozen voices. "Well. then, can one man keep a coal office?" "Of course he can - that's no conundrum." "No, he can't, a coal office must be kept bi-tu-men!" cornice and there hung in the air, a distance of sixty feet from the pavement. He then gave an exhibition of nerve that terrified every one who saw it. Placing the toe of one boot against The London Athenæum says that a classifica-tion of books according to their bindings is in har-mony with the spirit of our time—a time which has been successful in classifying men and wo-

the window frame he gave his body a slight pendulum motion away from the house. A second push gave him a better impetus and as he swung on the return toward the window he released his hold and went crashing through the glass safely to the floor of the fourth-story room, from whence he im-Mr. Wm. E. Chandler, according to reports in administration circles, is to be provided with a good fat office as soon as one can be found that will suit him.

"Unprecedented" is again the only fourth-story room, from whence he immediately looked out through the aperture he had made to see what had become of his companion. Koehler had not been quite so fortunate. As he went shooting through the air he caught the hanging rope with both hands and lessened his speed all the way down at the expense of all the cuticle of his palms which was burned. cuticle of his palms, which was burned off by the friction. He landed in a sitting posture on the sidewalk and was taken to the hospital with a pair of very sore hips.

It Is Rotten and Ought to Die. The New York Herald, which so ar-Tombstone, Arizona, recently, and captured a church with his gang and made the clergyman dance before the congregation, was mortally shot at Galesville, lican party, to which it pays its respects Arizona, last week, by Jim Wallace, in the following style, which we clip one of his comrades. Wallace was re-

The public, we say, looks on with amusement or careless unconcern; for army of Great Britain, and 70 per cent of the first-class army reserve—16,651 strong—is to be employed for the defense of England and Wales and for thing quite too awfully dreadful would happen to the country if the Republican party should cease to misgovern it has party should cease to misgovern it has party should cease to misgovern it has party should cease to misgovern as it reinforcing the garrisons of Scotland and Ireland; but deducing 44 per cent reported unit for service, the number no longer nearly as much terror as it used to have. Dorsey dinners, Brady star routes, Indiana two-dollar bills and Hubbell letters have done a good The anti-Jewish movement in Rus-sia are still giving the governments no deal in the last few months to disillusion honest men who really believed ittle trouble. It has issued a proclathat their party was the sole repository mation intended to give the Israelites protection, but there is not enough reof honesty and all the other virtues The Republican tricksters and jobbers have cried wolf while they were feathspect for the autocracy to give much weight to a proclamation. ering their own nests, but the respecta-AtLompoc, Santa Barbara coouty Cal.,, Saturday night, the only liquor saloon in town was blown to atoms by a large bomb. There was no one in the building at the time. Lompoc is a temperance colony, and this is the second saloon destroyed there by gunpowder. ble part of the country begins to see through them. There is a rapidly growing conviction that the Republican party is no more necessary to the country than was McClellan after Antietam, and that the sooner it goes to pieces and makes room for another and better party the better it will be for the real The special correspondent of the London Times thinks that the number interests of the country.

People begin to ask themselves every-where what has this great Republican of persons killed by the Chio earth-quake does not greatly, if at all, exceed 4,000, and that this is possibly too large. In the southern half of the island party done and what is it doing for the country? They see it just now engaged in a desperate fight over the public plunder and neglecting every public interest in this disgraceful scramble. condition, so that a population of nearly 50,000 persons is camping out in the open air. Throughout the northern portion of the island the repeated shocks wrenched the houses and fright-And as they look on with contempt at this exhibition, which has about as much dignity as a first class dog fight, they recall the fact that under Hayes it did little else than carefully conceal the stealing which it fostered, and that with loud and interminable professions of virtue in the last dozen years it has only produced scandal after scandal, until the whole history of the party in this period is made up of Belknap, Robeson, Pacific Mail, star route, whiskey fraud, carpet-bag, salary grab and a multitude of other jobberies of the tanburg last week looking after the S. & U. Road. He states that the lease was made to the C. & G. Road for itbasest and most vulgar kind, mixed in with the most abject subjection to railself, and not for the Clyde combination. Cars will be run from Columbia to road and other corporation influences.
And in all that time no one can recall Hendersonville without change. The | without an effort a solitary public ser-

Hendersonville without change. The C. & G. is now virtually owner of the Spartanburg and Asheville road, having purchased \$368,000 of bonds, while other parties own about \$200,000. This road will be completed to Asheville between October and January. Then a connection favorable to the State will be made with the Cole combination light formed. This road as well as the on the statute book it has shown in just formed. This road as well as the C. & G. Road will be worked in the interest of the State, and the prospects of the combination are encouraging.

The annual meeting of the French
Broad Valley Road was held last week.
This is a little road projected from Belton on the G. & C. Road to Easley on the Air-Line, and thence to Pickens. Six and a half miles have been graded in Pickens county at a cost of \$803 per mile and about four miles in Anderson.

mile, and about four miles in Anderson county at a cost of \$300 per mile. Although this is a small affair, the people interested have high aspirations. They propose to scale the Blue Ridge, and then descend the French Broad to at this moment, but it is rotten. It is The C., C. & A. Road held a meeting the creature of railroad and other corporation and monopoly influences. Its kell advised putting down steel rails as fast as the net earnings of the company most intimate relations are no longer most intimate relations are no longer with the people, but with the railroad and telegraph kings, the Jay Goulds, Stanfords, Huntingtons and others of that kind, who own and control its managers and chiefs. To say that such a party, which deliberately chooses Dorsey as one of its public manipulators and unblushingly gives him public din-Mr. Clem Fair, the celebrated hunter, | ners; which has protected and honored Robeson, which openly courts the South Mountains, was in town a few friendship of public plunderers, which days since. He is over eighty years old, but is still stout, hale and hearty during four years sheltered Brady in his star route jobberies, and took part of his gains for its campaign fund after the exposures made of him in Con-gress; to say that such a party, which scarcely conceals its relations with a dozen lobbies, and many of whose pub-He climbed the flag-pole at the celebrated Henry Clay mass meeting in Morganton in 1844 and drank a health to lic men live by jobs—to say that this party, quarrelling now over the spoils, ought to live is absurd. It has lost even Clay from the top of the pole, a distance of eighty feet from the ground. He accomplished the same feat at the Seymour and Blair barbecue in Morthe respect for public opinion which leads jobbers usually to divide their ganton in 1869, and the eld man was expecting to climb the Hancock and English flag-pole last year, but was disappointed, as there was none erected. Mr. Fair never was sick in his life and can spoils in private.

A Woman Kidnapped for Debt. "Several days ago three armed Mexicans crossed the river at Sheldon's ranche, 35 miles below Eeagle Pass, during the absence of Sheldon, and kidduring the absence of Sheldon, and kidnapping, who does not knew what suffering means. For the paths of colic, teething, etc., Dr. Bull's Baby Symp is the sovereign remedy. Price 25c.

It was this: "Trust in God and keep your bewels open." For this purpose many an old doctor has advised the habitually cestive to take Kidney-Wert—for ne other remedy so effectually overcomes this condition, and that without the distress and griping which other medicines cause. It is a radical cure for piles. Don't fall to use it.—

Translated from the New Torker Zeitung.

during the absence of Sheldon, and kidnapping, in apped a young woman in his employ, forcibly dragging her across the river into Mexico. The reason given for the outrage is that the woman's husband is indebted to the Mexicans, and the woman was peon to the latter in consequence of her husband's unpaid debt. The parties reside in a little village on the Rio Grande, Mexico, opposite the ranch. The citizens are highly indignant at the invasion and kidnapping, on American soil, of a defenceless woman.
