SOUTHERN GIRLS. OBSERVATIONS

The baby elephant goined 700 pounds in a year on an exclusively milk diet; and had his trunk to play with.

In Peorla it costs \$2.50 for each blow a man "Helen Campbell" writes to the Boston Herald, from North Carolina, about "Southern girls" in a way that strikes his wife. A man can thus regulate chas-tisement in the family according to his purse. When a man expires in Washington from raying delirium tremens they say he died a natural death.

Boston Post. Yes, but the name of the malady is always "malaria." moves us, after a year's examination of

Young lover asks: 'When is the best time to travel?" When you see the old man and his bull dog coming around the corner, sir, travel for all you are worth.—Boston Post An exchange says: "Miss Carrie Meals, of Get-

tysburg, who has been so journing in Washington for three months, has returned home." Perhaps she will Carrie Meals to her father in the #eid du-ring the haying season. "Does it pay to keep a clean record in politics?" asks the Ringhamton Republican. It may pay, but a man has to economise to save twenty-five thousand dollars a year out of a salary of five thousand.—Norristown Herald.

Now that Sitting Bull has been caught, why not send him to school? It is said that he is a fair French scholar and well up in several Indian languages, but that he never would learn English. With the right sort of an education he might become a successful politician.-Philadelphia Rec-

est in bracing up the mentalities among our Southern sisters, does not prove If you want to get the reputation of knowing a heap, do as Professor Proctor does. He guesses what happened three or four million years ago, and predicts what is to happen fifteen million LINEN LAWNS the same trouble, even in Boston. We only say that a good deal of the talk years hence. It is only a few years since he com-menced, and now he can get credit at any grocery. about "inefficiency," "indifference to good culture" and "sectional preju-- Detroit Free Press.

An invitation has been extended to Hon. Robert T. Lincoln to deliver the address at the State Agricultural Fair in Vermont. Having been Secretary of War four months, Mr. Lincoln is doubt less prepared to deliver a very able agricultural address. He would probably dwell particularly upon the adaptability of some of our forts and barracks for fertilizers of the soft.—Boston Post.

young girls who have grown up since the dismal days of '61, of whom the country will think the more in proporlot has fallen, too often, in hard places, and their opportunities for study, soci-Southern Progress. ety, travel, and the enjoyments of much that is open to their sisters of the North, is very meagre. But we have never seen in the New England, Savannah News. Ever sine the war there has been one voice in this State and section as to the desirability of Northern capital being invested here on its own responsibility and in good faith. We have "hardly we have carefully looked over the American young women, a more promever" met a sane or sensible person, ising set than they. For cheerfulness and courage amid disheartening circumstances; fidelity to family, home and since 1865, who did not agree that what Georgia and the South more particularly desired was the investment of Northern capital here. Much of that came, but the times were not propitious, during the Reconstruction and panic eras, and there was no end to em- We never saw or heard of more touchbarrassment and disappointment ing instances of devotion to the best Since, however, the State has resumed culture than were constantly unher proper privileges politically and is der our observation during the A DELICIOUS DRINK for Use in Families, Hotels, Clubs. Parties, Etc.

A DELICIOUS DRINK there has been a wonderful recovery, and nowhere in this Republic is there as better field for investment than the South are not seated in sackcloth among the ashes of the past, South. Thus convinced, millions of but up and coming, in the brightest clothes they can get into, full of new Northern and European capital are pouring into the Southern States and developing their mining, manufacturing and transportation advantages. Augusta knows what the factory boom is, and Atlanta is beginning to experience a railway bonanza. The whole State will presently be benefitted and vast regions will be agriculturally redeemed.

The aid and comfort we all pleaded The aid and comfort we all pleaded for have come. Moneyed men and corporations are engaged in building up the South. Alabama, Louisiana and Mississippi welcome these benefactors and make their path an easy one. They know what is for their good and do nothing to discourage capital, which is the most timid of all things. Georgia should be not at all behind her sister commonwealths in this important matcommonwealths in this important matter, and she will not be. There are some people who are in everybody's way, like turnstiles, and hinder nobody, although possessing a slight power of annoyance. These men may attempt to stop the progress of the State, but they have not the final power to suction the state of the state, but they have not the final power to suction and the state of the ceed. If they could, by any possibility, prosper in their work of obstruction, the next decade would very effectually and humiliatingly dispose of the claim of Georgia to be considered the "Empire State of the South."

Railroad Company will make a special exhibit at the cotton exposition at Atlanta.—A letter from First Lieutenant Henry Tull, of the Kinston Rifles (K Company. First Regiment,) says the people of Kinston will furnish both food and shelter to the visiting

pire State of the South."

If the unanimous appeal of the people of Georgia for Northern and European aid to rebuild their waste places and recreate their industries meant on, and we will do the thing as hand-Just the Thing to Keep in Wine Cellars. Sideboards not Complete Without Hub Punch. It can be used Clear or with Fresh anything and means anything, we can safely say that the man who stands out in public life against what the overwhelming voice of the people demands, might as well dig his political grave and go to roost among some camp of cawing crows and sepulchral rayens. cawing crows and sepulchral ravens. by horses at the door, and going out We do not anticipate any serious trouble in this matter, but why there should be any trouble at all, in case the popular clamor for outside aid was honest, passes our comprehension. It may be another case of grasshoppers making more fuss in a fence corner than their | began talking, and in a few moments

size or numbers warrant.

The North State Mining Company.
London Mining Journal, July 2.

Incorporated under the laws of North Carolina, with a capital of \$10,000,000 or £2,000,000, have issued a prospectus with a view to place shares which are of \$25 or £5 each par value in this country at £1 each. The principal mine appears to be the noted Copper Knob mine. This is a copper mine carrying mine. This is a copper mine carrying gold and silver, and is a property of 350 acres, covered with heavy timber. The vein is a fissure, and varies from fifteen inches to four feet in width. The mine Philadel his Times. is opened to a depth of 157 feet on the Mrs. Ellen Mcs. incline, and has already produced a large quantity of rich and valuable ore. The vein at the present time is four feet wide, and carries an average of twenty per cent. of copper and forty dollars in gold and silver per ton. This mine is fully equipped with modern machinery, steam hoisting engine, aircompressor, air-drills, sixty-horse power boilers, twenty-five horse-power engine, boilers, twenty-five horse-power engine, boilers, furnaces of twenty and two smelting furnaces of twenty tons capacity are being constructed. In the ore house there are about 300 tons of first-class are and not less than 600 and two smelting furnaces of twenty of first-class ore, and not less than 600 woman may enter a reformatory. The tons standing in the incline and drifts children, two pretty girls and a boy, on the foot-wall in the mine. The ore were placed in a private family. Mrs. is the vitreous copper ore, bornite, mal- McShape's husband was at one time a achite, and chrysocolla, all carrying free gold and silver. The properties have been very favorably reported upon. An estimate of gross earnings and receipts shows £700,000 or thirtyand receipts shows £700,000 or thirtyfive per cent. available for dividends,
and for couraged also abondoned herself to
drink, and then took a lower step. and £32,000 to form a sinking fund for the twenty-year railway bonds issued by the company for the line from Statesville to the company's mines.

Richmond Whig. The Virginia Star of the 23d (owned and edited by colored men) says: "We gation. We have seen carriages drive up to the doors of these colored conjurers and fine-looking and well-dressed white people go in to get an occult prescription. A belief in conjuring is extensive among certain classes of white as well as colored people.

DR. TULIO S. CEROI, of Washington, D. C., the celebrated author, commissioner of the National Board of Health, etc., says the L,ebig Co's Arnicated Extract of Witch Hazel "is invaluable." Cures piles, sale theum, enterrh, painful periods, rheumatism, colds, and neuralgis. Beware of cheap counterfeits. The Liebig Company offers no cheap goods. It offers only hences preparations at honest prices.

Sold in fifty cents and dollar sizes.

A Cultured Woman who Follows in

Her Husband's Ecotsteps to Ruin-

Mrs. Ellen McShane, of 1528 Cabot street, a woman of education and form-er refinement, who took to drink and viciousness when her husband deserted her and her three children, was ar-rested yesterday by an agent of the Society to Protect Children from Cruelherself and children, but becoming dis-
