STETSON HATS,

Straw Hats, Trunks, Valises & Satchels,

If you feel dull, drowsy, debilitated, have frequent headaches, mouth tastes badly, poor appetite, and tongue coated, you are suffering from torpid liver, or "billiousness," and nothing will cure you so speedily and permanently as to take Simmons Liver Regulator or Medicine.

Nothing is so unpleasant, nothing so common, as bad breath, and in nearly every case it comes from the stomach, and can be so easily corrected if you will take Simmons Liver Regular. Do not neglect so sure a remedy for this repulsive disorder. It will also improve your appetite, complexion and general health.

PILES!

How many suffer to ture day after day, making life a burden and robbing existence of all pleasure, owing to the secret suffering from piles. Yet relief is ready to the hand of almost every one who will use systematically the remedy that has permanently cured thousands. Simmons Liver Regulator to nature.

Should not be regarded as a trifling allment—in fast nature demands the utmost
regularity of the howels, and any deviation
from this demand paves the way often to
serious danger. It is quite as necessary to
remove impure accummulations from the
bowels as it is to eat or sleep, and no
health can be expected where a costive
habit of body prevails.

SICK HEADACHE.

This distressing affiliation, preurs most frequent CONSTIPATION

This distressing affliction occurs most frequently. The disturbance of the stomach, arising from the imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nauses, and this constitutes what is popularly known as sick headable.

CAUTION. Buy no bowders or prepared SIMMONS LIVER REGULATOR unless in our engraved wrapper with trade mark, stamp and signature unbroken. Mone other is genuine.

Manufactured only by J. H. KEILIN & CO., Philadelphia, Pa., Sold by all druggists.

The latter he pronounces as being much more nutritious than meat and contain more actual bloodmaking properties than animal food of any kind. As a proof he cites the Indians of the foot hills that line the Andes, who though surrounded by birds and game of all kinds, seldom taste animal food, but content them-selves with a purely vegetable diet.

As our republic becomes more densely populated this food problem will annually assume more serious propor-tions. We are a "meat-eating" people, for animal food is seen on the tables of for animal food is seen on the tables of most of our citizens at every meal. Thus it may justly be said that we eat more meat than is actually good for us. Whether the natives of the tropics are naturally longer-lived than these of more temperate regions, or whether they are better preserved because of the indolent and apathetic lives they live, has been a matter of serious dispute among the scientists of this age.

A "Colombiau" philosopher has endeavered to solve the problem, and has succeeded to his own complete satisfaction, if he has not convinced those who incline to a contrary opinion.
