Hotel proprietors report that there has been a marked improvement in the manner of dining at hotels. Guests no longer know their food on the table to hold the cook down.

There is no doubt that human nature, with the exception of the few who are the exception, is a great deal better than it was a few years ago.

A Boston man suggests that, instead of the President's doctors writing a bulletin for the press, they should write a bulletin for the President.

The press has been doing a very good job of its duty. It has been exposing the wrongs of the Government and the wrongs of the people.

A Chicago illustration of "How this world is given to lying" is found in the following substance: "How this world is given to lying" published in the Charlotte Herald.

The following is taken from a memorandum in his diary, giving his beginning in life, as well as the number of crimes he was engaged in:

I have promised to write a faithful account of my life, and from any diary heretofore present, a recapitulation of my adventures for several months, arranged in chronological order.

Born in Mecklenburg county, N. C., Dec. 15, 1843. Entered Princeton College, New Jersey, spring term, 1860. Left college for Europe, May 14th, 1861.
