Our Troops at Yorktown.

Raleigh News-Observer.

Day by day the prospects grow brighter for a splendid appearance of North Carolina troops at the grand celebration at Yorktown. Adjutant-General Jones is in the city, engaged in making definite arrangements for the appearance of the State Guard there. The display will be in every respect creditable to the State. The troops are being admirably equipped, in a style not surpassed in any State in the Union. An abundance of tents have been secured for our troops. The North Carolina State Band is organized and uniformed and will be one of the finest in the South. The transportation arrangements have been perfected. The State appropriation will amply defray the bulk of the expenses, To companies the trip will be a comparatively inexpensive one. In brief, everything points to a fine parade of the State forces, and a trip to historic Yorktown pleasant in all respects.

A colored man living near Lowes-ville, Va., dreamped one night a short time since that there was a snake in his Wilmington Star: "Father" McNamara, of whom our readers have heard often, is capable of many surprises. He was unfrocked whilst in charge of the Raleigh Catholic church by Bishop Gibbons, now Archbishop. He turned up in New York two or three years ago as the founder of the Irish Catholic Church. Well, he has become a Baptist, was baptized by Rev. Dr. Fulton at the Brooklyn rink, recently, then appeared at the pastors' conference and made a short address.

From Mr. Field.

From Mr. Field.

Following quickly upon the shooting of President Garfield on the 2nd of July last, Mr. Cyrus W. Field came forward with the suggestion that the Chamber of Commerce of New York should raise a fund of \$250,000 for the benefit of the family of President Garfield, should the wound terminate fatally. In a few weeks nearly \$160,000 were subscribed to the fund, mostly in New York city, though Chicago contributed \$10,000 and Philadelphia the same amount. Of which nearly \$155,000 was paid in, of which \$145,000 were devoted to the purchase of \$125,000 of Government four per cent. bonds. Each town or community should make it a matter of personal pride that its company shall go in good style. Troops from all the States will be present, and any defects or shortcomings will be noticeable.

Thus far the following companies have reported to the Adjutant-General as in readiness to go to Yorktown:

Of the First Regiment—Raleigh Light Infantry, Goldboro Rifles, Orange Guards, Edgecombe Guards, Washington Light Infantry. The Newbern Grays, Elm City Riflemen and Hamilton Guards are still in doubt about going, but it is hoped will go. The Kinston Rifles decline going.

Of the Second Regiment—Fayette-ville Independent Light Infantry, La Fayette Light Infantry, Wilmington Light Infantry, Duplin Rifles, Hornets' Nest Riflemen and Anson Veterans have reported as ready to go. The Charlotte Grays, Polk Rifles and Anson Guards decline going.

Of the Third Regiment—The Winston Light Infantry, Albermarle Guards, Durham Light Infantry and Rockingham Guards have reported as ready to go; also a platoon of the Roancke Light Infantry. The Henderson Light Infantry will probly go. The Guilford Grays will not attend.

Of the Second Battalion—The Iredell Blues, Shoe Heel Rifles and the Salisbury Rifles have reported themselves in readiness to go. The Cleavedoubt. But great bodies move slowly, and it is long to wait. We have preferred to do something now; asking only the privilege of, in this first flush of grief, of showing our sympathy in a practical way, and so in some degree, if we cannot soothe the hidden sorrow, of relieving the anxieties that must press upon that widowed mother's heart.
