Snatched baldheaded: "If I was as bald as you," said Gus De Smith to one of the most prominent citizens of Austin, "I would wear a wig." "I don't see why you should ever wear a wig." was the response, "an empty barn don't need any roof."—Teyas Siftings

Shaving extraordinary: "Just keep your bottle of whiskey in your closet and when the girl brings you your hot shaving water in the morning you can mix your toddy quickly and not a soul will know a thing about it," said the M. D. The plan worked well until the old man's daughter thought he must be going insane, because he wanted to shave five or six times every day.—Boston Transcript.

OBSERVATIONS.

Friendship generally is like a toy balloon; as long as you feed it, it keeps up, but as soon as you ask for a return of the compliment it becomes an awful collapse.—Wit and Wisdom.

"Queen Victoria intends to bestow the vacant garter upon Fing Alfonso." But what is to become of Alfonso, pray, if Mrs. Alfonso catches him with a "vacant garter?" Not a good witness: Yesterday Gilhooly met Gus De Smith coming out of a saloon on Austin Avenue and drunk as n boiled owl. "Are you drunk again, Gus?" "Colonel Gilhooly," said Gus, straightening up, "I'm too far gone at preshent to form any opinion whatever on the shubject under discussion."—Texas Siftings.

RAILROAD MATTERS. The Commissioners' Reply to Colonel | with its Maker.

formed all the conditions agreed on, and that now the commissioners proposed in good faith to stand up to their promise. On August 25th Col. Buford sent his reply to that communication, and on September 2d Gov. Jarvis made a reply personal to himself. When the commissioners were at Asheville, near a fortnight ago, they considered Col. a fortnight ago, they considered Col. Buford's letter and wrote the reply printed below:

ASHEVILLE, N. C., Sept. 14, 1881. Messrs. A. S. Buford, W. P. Clyde and T. M. Logan, Assignees:

GENTLEMEN—Your letter dated August 23d, in reply to ours of August 1st, was received by Commissioner Jarvis
on September 1st and delivered to the
commissioners yesterday, this being the
first meeting held since it was received
by Commissioner Jarvis.
Candor compels us to say that your

in any position inconsistent with the rights, duties and proprieties imposed upon us by the law which called us into existence, or that may be in any way unbecoming the position we occupy as citizens, we respectfully decline to answer the constitution was proper to answer to answer the constitution was proper to answer the constitution and the constitution was proper to answer to a second to the constitution and th swer the question you see proper to put as preliminary to a response to our let-

as preliminary to a response to our letter.

We beg to repeat our question which you so completely evaded, to-wit: If the Midland Company shall complete their road from Goldsboro to Salisbury, or so far prosecute work thereon as to insure its completion, and shall demonstrate to the satisfaction of the commissioners their ability to complete and fulfill the Best contract, and we, both as commissioners and individuals, request you, for the good of the State, to reassign to Best and his associates the interests in the Western North Carolina Railroad, which you acquired from him, will you do it upon being paid in him, will you do it upon being paid in cash in full for all your expenditures principal, interest, and reasonable com-sation for time and trouble? We will

thank you for an early reply.

Thos. J. Jarvis,
Z. B. Vance, J. M. WORTH.

The Organization of the Senate-The Democratic Programme.

"There has been a good deal of cor-respondence going on among Democratic Senators of late in regard to the ing a canvass of the Democratic mem- | cept half of the money from me ?" bers of the Senate to ascertain how they intend voting when the Senate meets. among the Democrats as regards what it as their opinion that the Senate shall proceed to organization before the two new Senators from New York and the Senator to be appointed from Rhode Island to succeed Senator Burnside, all of whom will be Republicans, are admitted. Senator Garland is the only Democrat who is thought to entertain any other view than this. He is only reported to be in favor of allowing the new Senators to be sworn in before going into organization. Senator Beck says there is not a single Democrat who senator to be appointed from Rhode ing into organization. Senator Beck says there is not a single Democrat who entertains that view. The first step unsays there is not a single Democrat who entertains that view. The first step under these circumstances will be to elect a President of the Senate pro tem., who will also be Vice President. Upon this point there has been a good deal of canvassing among the Democrats. The general drift of sentiment evoked is point there has been a good deal of can-vassing among the Democrats. The general drift of sentiment evoked is that Senator Bayard is the member of

that Senator Bayard is the member of the Senate who is generally favored for that office.

Is the exclamation of more than one poor hardworking man and woman. Do you know why it achde? It is because your kidneys are over tasked and need strengthening, and your system needs to be cleaned of bed himners. Kidney Work is the medicine you need. "It sets like a charm," says an elegant and reliable hair restorative,

Liquid or dry sold by druggists.—Boston Post. MADE FROM HARMLESS MATERIALS, and dapted to the needs of fading and falling hair, Parker's Hair Balsam has taken the first rank as an elegant and reliable hair restorative.

ITEMS OF INTEREST.

The discovery of cannel coal in Southern Texas will be a new source of wealth to that State.

Nor was any needed. It is the great principle of the

Gen. Garfield was president only six months and fifteen days. Three years, five months and a half of the presidential term remain for Gen. Arthur's incumbency. All the presidents who have died in office have died in the early part of the term. Gen. Taylor lived sixteen months after his inauguration, leaving two-thirds of the term to be filled by Mr. Fillmore. Abraham Lincoln was assessingted one month Lincoln was assassinated one month Lincoln was assassinated one month and eleven days after his second inauguration, and Andrew Johnson therefore held the office three years, ten months and a half. Gen. Harrison's term of power was the briefest of all. He died just one month after his inauguration day; Tyler was three years, eleven months in office.

of the British Postmaster-General letter is not an answer to ours, but is an evasion thereof. One-half of it is consumed by disingenuous accusations of possible improper motives and intentions on the part of the commissioners, and the remainder consists in a denial of these same accusations, for reasons found in a statement of facts, many of which do not exist in truth, and the enumeration of which aggravates the offensive character of the first suggestion.

Conscious as we are of no intention on our part to do any act, or put ourselves in any position inconsistent with the age of 16 per capita. Our department delivered 276,446,706 postal cards to 122,844,000 by the British department, 122,844,000 by the British department, and for mails carried 695,175,624 newspapers, to 133,796,100 carried by those of Great Britain. The gross receipts of the British department for the year were £8,700,081, and the expenses £5,629,506, leaving a clear profit of £3,071,525, or more than \$15,000,000. The telegraph system of Great Britain, it must be remembered, is a part of its postal system, and returns a large share of this profit. Since 1871 the number of messages sent per annum by the Britmessages sent per annum by the Brit-ish postal telegraph system has in-creased from 9,850,171 to 29,966,965,

went into a house where he remained for some time. Coming out he found the trooper waiting for him. Gen. Johnston then asked:

"No, General, but, (this with much diffidence) you had no opportunity to save anything during the war, and ters have been received in the past few | may be in want. I have my horse and days from Senators who have been mak- a few dollars in silver; will you ac-The offer was, of course, declined but with great consideration for the The canvassing has developed the fact | gallant fellow's feelings, and a just apthat there is not a bit of sentiment | pregiation of his generosity. faith Gen. Garfield professed and in which he died, that no human mediation avails when the soul is face to face

Baleigh News and Observer.
On August 1st the commissioners addressed a letter to Col. Buford, inclosing a copy of the paper they had signed in which they had promised to use their best endeavors to get the Western North Carolina R. R. back into Best's hands if the Boston syndicate would start to build the Midland Railroad and perform sundry other conditions. In their letter they informed Colonel Buford that the Boston syndicate had performed all the conditions agreed on.

With its Maker.

There have been seven vice-presidents from New York—Van Buren, Fillmore, Wheeler and Arthur. There have been three presidents from New York—Van Buren, Fillmore and Arthur. He is the twenty-first president of the United States. Gen. Garfield's administration was the seventeenth administration, and four vice-presidents have reached the presidency by the death of their chief.

Gen. Garfield was president only six months and fitten days.

The British Postal System.

For the fiscal year 1880-'81 the report

Gen. Joe Johnston on North Carolina

Wilmington Review.

After the surrender of his army to Gen. Sherman, near Hillsboro, in May, 1865, Gen. Johnston went first to Charlotte, N. C. Having occasion when there to go upon the street, he says he noticed a cavalryman following him, somewhat hesitatingly but as if desirous to speak to him. The General went into a house where he remained

"Do you wish to speak to me!"
"Yes," replied the soldier, "are you
General Joe Johnston?"

"Yes, can I be of service to you?"
